CARDINAL GIBBONS

AIDS LIBERTY LOAN. Writes President He is Trying to Persuade Every American to Perform Duty Pointed Out.

Washington, Oct. 12.—Cardinal Gibbons wrote President Wilson, in a letter made public here today, that he is trying to "persuade all Americans that they can do the greatest good to themselves and their country by a cheerful and general performance of their duty, as it is pointed out to them by lawfully constituted authority." The letter was written on the occasion of the recent formation of the League for National Unity, of which Cardinal Gibbons is honorary chairman.

President Wilson, in reply, thanked the cardinal for accepting the chairmanship of the league. "In these days of the gravest problems which have ever weighed upon our American government," wrote the cardinal, "our thoughts go out to the chief executive, warmed by a hearty sympathy for the heavy burdens of office which he must bear and freighted with the unwavering determination of loyal citizens to stand by him in his every effort to bring success to our arms and to achieve those ideals of justice and humanity which compelled our entrance into the war."

"No Other Course Open." "Guided as we are by the sublime teachings of Christianity, we have no other course open to us but that of obedience and devotion to our country. Our divine Lord tells us 'render to Caesar the things that are Caesar's, and to God the things that are God's,' and St. Paul, following the steps of his Master, says 'Let every soul be subject to the higher powers, for there is no authority but from God, and those that are, are ordained by God. Therefore, he who resisteth the power resisteth the ordinance of God, and they who resist purchase to themselves condemnation.'"

"We have been exerting our every effort and will continue to do so to persuade all Americans that they can do the greatest good to themselves and their country by a cheerful and generous performance of their duty as it is pointed out to them by lawfully constituted authority."
