

NO PENALTY IF MEN REPORT TO BOARD

Local Exemption Boards Say They Will Look After the Drafted Men if They Come in Now.

The following list of men who have been called for examinations by the local exemption board of the First district of Omaha and failed to appear have been handed to the district board:

Nick Kale, 2635 Corby avenue; John J. Duffy, 5114 North Twenty-fourth street; Ray Floyd Rowley, 1720 Charles street; William Hill, 113 1/2 North Sixteenth street; Phyo Johnson, 2512 North Twenty-seventh street.

"It is possible these men do not know they are wanted," said Henry F. Myers of the First district board. "I would like them to know, if they can be located, that this board will be lenient and will merely send them on to camp, as was the original program. It may be they are afraid to appear now, but we will overlook their failure to appear if they come at once of their own accord. Of course, if an officer has to bring them it will go harder with them."

The following men in the First district of Douglas county have been exempted by the local board: Harry Anderson, Frank M. Kennison, Frank C. Coll, Dennis O'Keefe, James F. Anderson.

Just why a young man of their district who had failed to appear for examination should be taken to jail and kept there days without telling him the cause of his arrest and without notifying the local board is puzzling the board of the First district.

A few days ago the board started to find Joe Holay, an Austrian in the First district, who had failed to report after registering in Wyoming. He failed to get notice to appear for examination or misunderstanding it and was brought to Omaha under arrest. The board was not notified and only when they came to trace the matter up did they learn he was back. They went to the jail, where the man received them as rescuing angels and fell on their necks with joy.

He seemed not to understand why he was in jail. Informed that he was wanted for the army, he beamed with happiness.

"Am I grafted now?" he asked eagerly. Mr. Ure and Henry Myers assured him he was "grafted." Yesterday he left for Fort Funston, glad to be on the way, with jail far in the past.

Mothers to Hear First Hand From Boys at Funston

The five Omaha soldiers from Camp Funston who are to talk Liberty loan in Omaha will arrive here Monday. Transportation money has been forwarded to them by the local committee. The men are J. P. Keel, Robert Loomis, Clarence Darlow, A. L. Lawrence and Paul Selby. A patriotic entertainment for these boys and their parents while in Omaha is planned to take place some evening next week at the Commercial club rooms. The furlough of these boys will be taken as an occasion for holding a general celebration for the mothers and fathers of any and all Omaha boys now in training at Funston.

Cost of Insurance for Sailors Greatly Reduced

Washington, Oct. 12.—Reduction of approximately 25 per cent recently by the government in war risk insurance rates on vessels traversing the war zone was followed today by a reduction of one-third in premiums on the insurances of officers and crews on such vessels.

As in the case of the previous reduction, "decrease of risk" was assigned by the government as the impelling cause. The new rate, which is effective immediately, is 50 cents per \$100; the old rate was 75 cents. The reduction applies to crews of all American vessels sailing between American ports and all European ports and African ports on the Mediterranean.

"Announcement also is made," reads a statement issued by the Treasury department, "of a ruling now making mandatory seamen's insurance on all vessels trading to the Azores, the Canary islands and the ports of Morocco."

New York Students Oppose Military Training

New York, Oct. 12.—An increase this year of from forty to eighty minutes in the school day here for military training was given as the cause of a strike today of a number of high school students. Miss Anna Lederer, as head of a students' committee, told an administrative committee on public welfare that 600 students had struck and that 4,000 would follow unless military training were discontinued.

Herbert Young, Well Known Journalist, Dies in Chicago

Chicago, Oct. 12.—Herbert M. Young, a newspaper man known in many cities, died here today of heart disease at the age of 49. He was a director of the Scripps-McRae league of newspapers from 1883 to 1900, also serving with the St. Louis Chronicle and Cleveland Press during those years. In 1900 he engaged in business in New York. He will be buried Saturday at Keokuk, Ia.

New Chinese Republic Celebrates Anniversary

Peking, Oct. 12.—President Feng Kwo Chang yesterday reviewed 22,000 troops in connection with the celebration of the anniversary of the Chinese republic. A feature of the review was a flight by a Chinese aviator who had constructed his own machine. The airplane was of the "pusher" type, with the propeller behind and a machine gun in front.

Mining Engineers Visit Lead and Zinc District

Miami, Okl., Oct. 12.—Members of the American Institute of Mining Engineers, who held their annual convention in St. Louis this week, arrived today for an inspection of the lead and zinc mining district.

Motorcycle Recovered After Notices Are Printed

At eight bells Thursday night a high-powered motorcycle owned by Edwin Greevy, 2914 Hickory street, was stolen, and at eight o'clock this morning the vehicle was recovered near Hanscom park. M. J. Greevy, father of the victim, had just finished running off 100 postal card notices on a multigraph machine in Chief Dunn's office when recovery of the machine was announced over the telephone. "Guess I'll save these cards for next time," commented Mr. Greevy, pere.

\$10,000 LIBERTY TO OLD PEOPLE'S HOME

Mr. and Mrs. C. N. Dietz Give it to the Endowment Fund; Many Other Gifts Are Received.

The board of trustees of the new Old People's home, on Fontenelle boulevard, is gratified that the friends of the home are so well pleased with the new building, as has been evidenced by the numerous words and messages of approval heard since the formal reception and opening. The board says that the desire has been to provide a comfortable, homelike home and the comments show that the desired result has been obtained.

The board was most gratified Tuesday evening by a denotation of a \$10,000 Liberty bond by Mr. and Mrs. C. N. Dietz, who have been patrons of the home for many years. This bond goes to the endowment fund of the home. A copy of Sadler's picture, "Sweetheart's Still," was received from Mrs. Dietz and is hung in the reception hall over the mahogany donation stand, donated and endowed by Mrs. Dietz.

Several checks and cash donations were received during the reception, showing the approval of the public, and these will be used to meet the remaining expenses incurred in the erection of the building.

Rev. W. O. Anderson of the Calvary Baptist church will conduct services at the home Sunday afternoon at 3:30, when Mrs. Anderson will sing.

Issue Official Resume Of Congressional Work

Washington, Oct. 12.—An official resume of the activities of congress during the last session was issued at the capitol today. Compiled by W. Ray Loomis, assistant superintendent of the house document room, it gives not only the status of all war legislation, but deals also with miscellaneous enactments, lists all laws of this congress bearing on the international situation and provides for the first time a ready government guide to the legislative situation up to the beginning of the December session of congress.

Under the head of notable dates, the resume begins with President Wilson's proclamation of March 21, calling congress into extraordinary session, and concludes with the house reception to the Japanese war commission, September 3. Rescoring the bill signed by the president on June 15 appropriating \$3,281,094,141 for the military and naval establishments as the "largest appropriation known to this or any other country up to that time," including \$105,000,000 for an emergency shipping fund with which to begin construction of the greatest merchant fleet the world has ever seen, it says that the deficiency bill signed October 6 by the president, appropriating \$5,356,666,016, and more than \$2,000,000,000 more authorized, is the largest appropriation act passed by this or any other country.

Columbia Students Meet To Discuss "Free Speech"

New York, Oct. 12.—A general meeting of the student body of Columbia university is set for today in the gymnasium to consider the controversy over academic "free speech," which has arisen as a result of the resignation of Prof. J. McK Cattell and Henry W. L. Dana. The meeting has been sanctioned by the secretary of the university.

While the students are preparing for their mass meeting a "committee of nine" of the faculty is preparing a memorandum for submission to the trustees, in which reforms will be recommended. It was said that one of the most important recommendations would be that members of the faculty who are charged with acts tending to bring discredit upon the university be not dismissed until they have been given a trial before a jury of their fellow professors.

Workmen and Soldiers Ask Nikitin to Resign

Petrograd, Oct. 12.—The central committee of the Petrograd council of workmen and soldiers' delegates has invited N. Nikitin to resign his membership in the new government on the ground that it fails to reflect the ideals of the workmen and soldiers' organization. Mr. Nikitin was a member of the council of five and in the present cabinet is minister of the interior.

Discharged for Murder And Arrested as a Drunk

Viola Smith, recently acquitted of the murder of Louis McCarthy, was arrested yesterday by Officer Boegh and booked at the police station on a charge of being drunk. She was discharged in court this morning.
