Mystic Letters "P. E. O." and Five-Pointed Star All People Know About a Certain Woman's Organization Which Will Hold Convention In Omaha This Week

Mrs. Helen D. Townsend • Mrs. Anna B. Grimes • Mrs. E. G. Drake • Mrs. Louie C. Abrams • Mrs. Chas. Iddiols

PROOF positive that women can and do keep secrets is brought to mind by the mystic letters "P. E. O." and the five-pointed star which 500 visiting women from all over the union will wear in Omaha this week. They are delegates to the supreme P. E. O. sisterhood convention which opens its four-day session at the Scottish Rite cathedral, Tuesday morning.

The first supreme convention was held in Omaha twenty-three years ago.

A Nebraska woman, Mrs. E. G. Drake of Beatrice, is president of the

big women's organization, founded by seven classmates at old Wesleyan university at Mount Pleasant, Ia., almost fifty years ago. Miss Martha Winans of Los Angeles and Miss Margaret Durward of Fort Collins, Colo., are vice presidents; Mrs. L. C. Abrams of Bellingham, Wash., and Mrs. Lela R. Weber of Wayne, Okla., secretaries, and Mrs. Anna B. Grimes of Hutchinson, Kan., treasurer. Mrs. Helen D. Townsend of Albia, Ia., is treasurer of the educational fund and Mrs. Charles Iddiols of Kansas City, organizer.

Local arrangements for the convention are in charge of a central

committee headed by Mrs. John R. Hughes, past state president. Mrs. George B. Lehnhoff is secretary and Mrs. N. B. Updike, treasurer. Another past grand chapter president is Mrs. F. B. Bryant at whose home the first local P. E. O. chapter was organized twenty-eight years ago and who entertained the first state convention in her own home. Mrs. Clara M. Wilson, another state president, and Mrs. Hester Copper, stat. recording secretary, as well as the president and another member of each of the seven chapters, complete the committee. The latter list includes: Chapter E, Mrs. N. B. Updike and Mrs. F. E.

George; Chapter M, Miss Jessie A. Stitt and Mrs. C. F. Oliver; Chapter BK, Mrs. Joseph C. Weeth and Mrs. William R. Matthews; Chapter BN, Mrs. George B. Lehnhoff and Miss Clara B. Maion; Chapter BP, Mrs. F. C. Patton, Mrs. J. L. Harrington; Chapter BS, Mrs. John W. Welch and Mrs. Charles A. Tracy; and Chapter BX, Mrs. A. B. Cullison.

It is an interesting fact that a past president and the present state executive of the Nebraska Federation of Women's Clubs have also served as state P. E. O. presidents. They are Mrs. A. G. Peterson of Aurora and Mrs. J. N. Paul of St. Paul, both of

whom will appear on the P. E. O. convention program.
Mrs. Alonson I. Root and Henry Cox, accompanied by Mrs. Cox, will furnish the musical numbers on the program.

2444 North Forty-fifth avenue. Mrs. H. C. Shields will tell the Legend of the Oaks and Mrs. C. W. Axtell a fable.

West Side W. C. T. U.

Mrs. B. E. Gantz, 4621 Mason street, will be hostess at the meeting of the West Side Woman's Christian Temperance union Thursday at 2 o'clock. All those who have not completed their sweaters are requested to be present and also those who are willing to knit socks as these are greatly needed for the soldiers. The following delegates who attended the state convention at Lincoln will give their reports: Mrs. H. C. Claggett, Mrs. Sam Morris, Mrs. Frank Cockayne, Mrs. Joseph Gilmore, Mrs. Park Edgar and Miss Girths Long.

Honor Old Employees.

In recognition of their long and valuable service a reception Friday evening at 8 o'clock has been planned by Methodist hospital trustees for Mrs. Allie P. McLaughlin and Miss Jessie L. Cavanaugh. The reception will be held at the First Methodist church. Mrs. McLaughlin became the superintendent of the hospital in 1891 and has held the position ever since. Miss Cavanaugh has been the first and only clerk the institution has ever had, having taken the position in 1891.

After more than a quarter of a century of work in this large hospital, these faithful workers are retiring from active service.

Sage Tea Turns Gray Hair Dark

It's Grandmother's recipe to bring color, luster and youthfulness to hair when faded, streaked or gray.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked just an application of two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture, you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and luster of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Advertisement

Douglas Fairbanks Says

Women Don't Want Mush

"Acrobatics are the best kind of safety valve," said Douglas Fairbanks in a recent interview. "Besides, it's typically American to do stunts. It's characteristic of a young country. We do them in business, in every walk of life. Personally I find it easier to hurdle a chair than to go around it. If we did more hurdling, we would find our troubles vanishing and we would have more time for the worthwhile things."

"Women are tired of the matinee idol. They want regular Americans on the stage. In life they laugh at the fellow who goes around sighing and quoting sex literature. 'Mush' they call that. A lover doesn't have to wave his hair to be convincing. That isn't acting any more than horse play is humor."

Saving Dollars While Serving Beauty

A Few Money-Saving and Timely Suggestions on How to Beautify Your Skin and Hair, Removing Wrinkles and Fine Lines; How to Treat Your Scalp; A New Method for Developing the Form; What to Do to Remove Unightly Hairs, Etc.

BY MADAME MADELINE MAREE

DELIGHTFUL HOME-MADE ROLLING MASSAGE CREAM

Such pleasing and really astonishing results have been obtained through the use of a sweet milk rolling massage cream that it is now being adopted by many of the most successful beauty culturists in cleansing, refining and beautifying the skin. The best massage cream of this kind is made with a half pint of unskimmed sweet milk in which is dissolved 2 ounces of bryol. This is then heated and stirred for a few minutes, and when cool you will have a full half pound of the most delightful rolling massage cream you ever used. Aside from the undoubted superiority of this massage cream, the entire cost is only 10c, and for this you would have to pay fully two dollars if you bought the same quantity ready prepared. As a skin cleanser and wrinkle remover, you will find it entirely satisfactory, as it cleanses, tones and beautifies the skin and banishes ugly lines with astonishing quickness.

MRS. R. T.—Your dry, rough, pimply skin

will grow soft, smooth and clear if you use a lotion made as follows: Into a pint jar of hot water stir 2 ounces of amaranol. When cool it is ready to use. This gives you a full pint of a very excellent skin-lotion for 50c—the price you would have to pay for a few ounces ready prepared and possibly not so good. Apply this lotion generously at night after washing and drying the skin. Just a few applications will make a wonderful improvement in your complexion, and its occasional use will insure the beauty you so much desire.

ANXIOUS—You ask for a shampoo that

will not parch the scalp nor bleach the hair. Get 50c worth of excol at the drug store and dissolve a teaspoonful in a cup of hot water and your shampoo is ready. You will find this ample for a very heavy growth of hair, and while it cleanses in a very thorough manner, it does not irritate the most sensitive scalp. This is enough to last several months and the use of the excol results in soft, silky hair and encourages its growth.

MRS. H.—Here is a formula for a vanishing

cream I am certain you will like. Get 2 ounces of cerol and dissolve it in a quart pint of water and heat to near the boiling point. Stir until smooth and when cool you will have about a pound of the very finest vanishing cream for only 50c—fully four times as much as you would get were you to buy it ready prepared. Using this cream will banish sallowness and that dry, scaly condition of the skin and restore the wonderful velvety softness and healthy glow by a perfect complexion.

NOTE—Should you be unable to obtain

from your drugist any article mentioned above, the formula name is, you may obtain address and the necessary money to my Secretary, 350 N. Clark St., Chicago, and she will get it and mail it to you.—Madeline Maree.
