"Peruna Cured Me"

"I am glad to tell it."

Mr. Robert Fowler, Okarche, Oklahoma, writes: "To any sufferer of catarrh of the stomach, I am glad to tell my friends or sufferers of catarrh that seventeen years ago I was past work of any kind, due to stomach troubles. I tried almost every known remedy, without any results. Finally I tried Peruna, and am happy to say I was benefited by the first bottle, and after using a full treatment I was entirely cured. I am now seventy years old, and am in good health, due to always having Peruna at my command. I would not think of going away from home for any length of time without taking a bottle of Peruna along for emergency. You are at liberty to use my picture and testimony if you think it will help any one who has stomach trouble."

Those who object to liquid medicines can now procure Peruna Tablets.
