CENTRAL PLAYERS DOWN IN STUDIES

Fifteen Members of Mulligan's Eleven Fail to Clear Eligibility Hurdle; Temporarily Suspended.

Gloom surrounds the Central high gridiron camp. Fifteen members of the Central high eleven are incligible through failures in studies and indications are the Missouri Valley championship will be decided in the class room instead of on the gridiron.

Captain Clyde Smith, Gene Maxwell, Dave Noble, Hugh Carson, Arno Harper, Dick Giller, Charles Hall, Newton Wood, Paul Konecky, William Champman, Ralph Sutton, Lee Scott, George Benolken, Ronald Spangler, Don Mahaffey and Rockwell are the men on the blacklist.

Smith, Maxwell and Noble are the three star backfield men upon whom Central high depends for touchdowns. Turk Logan is the only backfield man eligible to play.

Some of the banned athletes are expected to clear the eligibility hurdle this week in time for the Beatrice game, but it is feared practice will be so hampered as to lessen Central's chances of victory.
