hated to take. Salinos actually tastes good, dissolves readily, even in cold water and gives to it a pleasing flavor. Hot water, which so many people cannot take, isn't needed at all. Cold water does just as well and every particle of the salts is dissolved without leaving any sediment. Gratifying results may be noticed from the first glass you take. A few days' use invariably shows a greatly improved condition. The blood is purer, digestion is better and the general tone of the body rapidly becomes normal. Try this simple, safe prepara-

NEW PROPOSALS TO FREE DUTCH SHIPS

Hollanders Stranded in New York City Petition President Fulton of Columbus, O., secretary-Wilson for Assistance in Returning Home.

(By Associated Press.) Washington, Oct. 24.-New proposals made by the war trade board for the release of the Nieuw Amsterdam and other Dutch ships now in American ports have been submitted to Holland by Chevalier Van Rappard, a helping hand to the Sinn Feiners. the Netherlands minister.

The Dutch government is ready to make substantial concessions to prevent commandeering of the vessels by the United States. It was made clear today that while the ships could not be devoted to traffic within the danger zone without the consent of Holland, they could be put to any other use in coastwise or overseas trade which

would release allied tonnage. One hundred Dutch subjects, many of them officials, now stranded in New York, have petitioned President Wilson to assist them to obtain passage to their own country.
