It Is Not the Price You Pay But the CORSET YOU GET---That Counts

You may pay ever so much more for a model that will not fit you and will not give you much comfort, either—THE MAIN ESSENTIAL IS TO BE FITTED—no matter how little or how much you pay.

The foundation for well fitting gowns and dresses is the correct Corset, properly fitted—and if you are fitted by an expert who knows what is best suited to you—your Corset will wear longer—add to your health and be comfortable at all times.

Our Corsetiers are skilled fitters and will give you every attention—and this service is free.

Warner Corsets are made in a variety of models, both front and back lace styles.
