Edward Moore, Colored, Shot Twice by Friend in Card Game

Edward Moore, colored, 1323 Pierce street, was shot and perhaps fatally wounded by John Walker, colored, 2828 Miami, in a pool hall at 105 South Fourteenth street, early yesterday morning, during an altercation which had arisen between the two during a card game.

Police Surgeon Mullen was called and Moore was rushed to St. Joseph's hospital, where it was found that two bullets penetrated Moore's left lung. After the shooting, Walker went to the police station where Officer Layhey placed him under arrest. Walker said that he fired the two shots when Moore pulled a gun on him first. J. G. Police Find Ten-Gallon Keg Of Whisky in Barrel of Smelts

A 10-gallon keg of whisky, snugly packed in a barrel of smelts, was discovered last night, when employees of the Wells-Fargo Express company informed Sergeant Madsen of the morals squad that a peculiarly smelling consignment under the guise of smelts was awaiting delivery. As no name was on the barrel it was left in the shipping room, where it subsequently sent forth a "deadly" stench, which attracted the suspicion of the employees. The person to whom the whisky was consigned cannot be found. Police confiscated the consignment.

Eat Less Meat And Take Salts If Kidneys Hurt

Says a Tablespoonful of Salts Flushes Kidneys, Stopping Backache.

Meat Forms Uric Acid, Which Excites Kidney and Weakens Bladder.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well known authority, because the uric acid in meat excites the kidneys, they become overworked, get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for 10 to 15 days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Advertisement.

**FESTIVE OCCASION FOR LITHUANIANS**

Tenth Anniversary of Dedication of Church Observed With Religious and Patriotic Services.

Lithuanians of the South Side and their friends spent Sunday in celebration of the tenth anniversary of the dedication of St. Anthony's church. The day was a festive occasion. Religious ceremonies and intense patriotism marked the services. At the morning hour Father Kalamajia was celebrant at solemn high mass.

Father George Jonaitis, pastor of St. Anthony's church, was assisted in the services by Father Tamolinas of Kansas City, and by Father Dadiotnik of St. Agnes' church and by Father Kalamajia of the church of the Immaculate Conception.

In the afternoon members of the Lithuanian societies marched to the hall at Twentieth and S streets. About 400 persons were in the parade. Bands played and the people marched with the pride of those who have accomplished worth while things.

Mayor Dahlman delivered a patriotic address to the people in the hall, in part, saying: "You are doing your part in this great crisis nobly. You are loyal and courageous; you are repaying America many times over for befriending you when you came, strangers, to its shores."

Mayor Dahlman spoke of the seriousness of the present conditions in this country. He added that it is to be a test of all and that he feels that Uncle Sam can count on the loyalty of the people who came here from the invaded countries of Europe.

The Lithuanians of South Side have built up a strong parish and they are intensely interested in it. They are awake to all of the worthwhile movements in the country and are sending their boys to war, are buying Liberty bonds and doing Red Cross work.

South Side Sunday School Teachers Have Training Class

A Sunday School teachers' training class has been organized on the South Side. The class will hold its first meeting Tuesday, October 30, at 8 p. m., in Library hall, Twenty-third and M streets.

Rev. Ralph H. Houseman, field sec.

retary of the Presbyterian synod, will address the class on "The Modern Sunday School a School."

A series of 12 lectures will be given by able speakers during the next few months.

E. E. Herman, secretary of the Young Men's Christian association, and deputy commissioner of the Boy Scouts, is active in forming the Sunday School teachers' training class and is a strong advocate of trained teachers for Sunday school classes.

**Must Stay Sober Until After Thanksgiving**

If Arthur Belmont, 1741 South Twenty-seventh street, stays sober until after Thanksgiving Police Judge Fitzgerald will be lenient with him. Belmont was arrested Sunday night for drunkenness by Sergeant Sheahan.

Albert Patterson (colored), Twenty-sixth and P streets, smiled when Judge Fitzgerald fined him \$10 and costs for drunkenness. He was arrested Sunday evening by Detectives Zaloudek and Francl, who saw him walking along the street. The police report says "he had lost his sky-piece and every time he went to pick it up he would fall all over himself. He first said that he works at Swift's, then he said he works at Armour's, and finally he admitted that he was not coxswain where he works or where he lives."

**Munro Butler Injured When Auto Runs Into Fireplug**

Although injured slightly when he ran an automobile into a fire plug, the rare presence of mind of Munro Butler prevented what might have been a serious accident.

Mr. Butler is the driver for Rev. George Jonaitis and yesterday he was carrying people back and forth between St. Anthony's church and their homes. On one of the trips, near Twentieth and N streets, to prevent a collision with another car, he ran his own machine against the curb and into a fire plug. He was thrown out and slightly injured. The car was badly wrecked. Following the accident, Mayor Dahlman put his car into the service and hauled scores of the people to and from their homes.
