**Washington Tastes**  
Defeat First Time  
In Ten Whole Years

Berkeley, Cal., Nov. 4.—The Uni-  
versity of Washington's record of 10  
years of unbroken football victories  
was ended yesterday when the Uni-  
versity of California vanquished the  
northerners, 27 to 0. It was Califor-  
nia's first big inter-collegiate success  
since discarding rugby for the Ameri-  
can game three years ago.

Only in the first period was the  
Washington team able to withstand  
California's smashing attacks.

**Dartmouth Snatches Game**  
From Penn in Last Period

Hanover, N. H., Nov. 4.—With  
Dartmouth and Pennsylvania State  
tied at 7 to 7 and only three minutes  
to play, Phillips, substituting for Leh-  
man at fullback kicked a goal from  
placement from the 23-yard line, en-  
abling Dartmouth to win yesterday by  
10 to 7. Dartmouth scored a touch-  
down in the first period with Hol-  
brook carrying the ball. Pennsylvania  
State came back in the second period,  
when Way broke loose for two suc-  
cessive runs of 37 and 20 yards, re-  
spectively placing the ball deep in  
Dartmouth's territory. Then, just be-  
fore the period ended, Way picked an-  
other hole and went over for a touch-  
down.

**Ida Grove Walks Over**  
Storm Lake by Big Score

Ida Grove, Ia., Nov. 4.—(Special  
Telegram).—In a game replete with  
surprises and erratic playing on both  
sides, Ida Grove defeated their oppo-  
sitors from Storm Lake this after-  
noon, 21 to 0. In the first four min-  
utes of the game, Bowman scored a  
touchdown for Ida Grove after a 30-  
yard run. The score was not allowed  
because Ida Grove was holding in the  
line at the kick off. In the second  
half, Captain Roberts of Storm Lake  
ran back the ball to Ida Grove's 10-  
yard line, but his team could not  
back it over Ida Grove's 10-yard line.

**Boston Navy Yard Cleans**  
House With Camp Devons

Cambridge, Mass., Nov. 4.—Camp  
Devons eleven was unable to with-  
stand the varied assault of the Boston  
navy yard crack backfield and was de-  
feated, 28 to 0, in the Harvard Stadium  
yesterday.

It was a benefit game for the war  
camp community recreation fund and  
about \$8,000 was raised.

**SIX OMAHA TEAMS**  
ENTER PIN EVENT

Central Furnitures, Omaha Al-  
leys, Farnam Alleys, Reid's  
Winners, Indians and  
Lepinski's to Roll.

Six strong Omaha teams have al-  
ready entered for participation in the  
coming Middle West tournament at  
Des Moines, Ia., and this number will  
probably be increased at the meeting  
to be held this afternoon at the Oma-  
ha alleys at 3 o'clock for the purpose  
of boosting the entry list. Several in-  
dividual rollers not allied with teams  
already entered will be organized into  
teams and their entries immediately  
forwarded. The lineups already entered  
are:

Central Furniture Company—H.  
Eidson, captain; F. Jarosh, H. Han-  
sen, P. Malloy and F. Neale.  
Omaha Alleys—Dad Huntington,  
captain; G. Tomam, A. Warthoff, F.  
Simoydnes and W. Lern.  
Farnam Alleys—M. Stunz, captain;  
E. Maurer, R. Sciple, A. Chiles and F.  
Baker.  
Reid's Winners—J. A. London, cap-  
tain; J. Wills, H. McCoy, A. De Buir  
and H. Reed.  
Omaha Bicycle Indians—A. Young-  
er, captain; H. Fitz, B. Shaw, Dav-  
id Shultz, H. Hansen and R. Koran.  
Lepinski's—F. Lepinski, captain; K.  
Kennedy, J. Fitzgerald, H. Pritscher,  
Doc Sneed and K. Howe.

A Fremont team will join the Oma-  
ha rollers here. All the Omaha teams  
will roll November 23, 24 and 25.  
As a forerunner to the Middle West  
tournament, Manager Stunz of the  
Farnam alleys is arranging a series to  
be rolled on the Farnam alleys  
Wednesday night. The six teams en-  
tered will roll against each other  
under regular tournament rules,  
changing alleys after each game. A  
\$5 entrance fee will be charged.

**Syracuse Proves Class**  
By Victory Over Brown

Providence, R. I., Nov. 4.—Syracuse  
duplicated its feat of two years ago  
by defeating Brown, 6 to 0 here  
yesterday. The visitors at straight  
foot ball outplayed the Brunonians  
both on offense and defense, the Syra-  
cuse line opening big holes for their  
sterling backs, M. Brown and Funster-  
wald.

Brown failed to make a first down  
on straight foot ball during the en-  
tire game.

Syracuse scored on straight foot  
ball, taking the pigskin at the close of  
the first period to Brown's 10-yard  
line. Funsterwald carried it over af-  
ter three successive plays at the open-  
ing of the second period.

**Creighton High Eleyen**  
Making Rapid Strides

Since the Creighton High school  
football squad has been placed under  
the direction of Coach Harry Dela-  
matre, the Blue and White team  
has undergone a wonderful improve-  
ment. The Creighton squad was  
massacred by the strong Central High  
eleyen, but that was before the men  
up on the hill had a regular coach.  
With Delamatre, as mentor of the  
light, but fast Creighton High school  
team, results were immediately  
forthcoming. The Omaha eleven de-  
feated the heavier Blair High school  
team, by the score of 7 to 0, and last  
Thursday trounced Nebraska City  
High school to the tune of 34 to 0.  
They were outwitted more than 12  
pounds to the man. Next Thursday  
Creighton will meet Commercial High  
on Creighton field and Captain Ross-  
ign expects his men to take the busi-  
ness school boys into camp by a  
decisive score. A game with Lincoln  
High school at Lincoln is practically  
certain. There are no individual stars  
on the Blue and White team, but  
the former Nebraska star has suc-  
ceeded in instilling into his men that  
fight and teamwork which so often  
carries a light team to victory over a  
heavier and apparently superior  
eleyen.

**Hawkeyes Are Downed by**  
Great Lakes Training Tars

Iowa City, Ia., Nov. 4.—Powerful  
offensive work of former collegiate  
stars gave the Great Lakes training  
station a 23 to 14 victory over the  
University of Iowa eleven yesterday.  
Frequent minor injuries marred the  
contest, which was a see-saw affair,  
not definitely determined until the  
final period, when Conselman, former-  
ly of Washington university, inter-  
cepted a forward pass and raced 85  
yards for the Jackies' final touchdown.  
Iowa scored its touchdowns in the  
first and third periods, while the other  
navy counts were on a touchdown in  
the second and third periods, with a  
field goal added in the latter session.

Captain Smith, former Michigan  
luminary; Raymond, an old Wisconsin  
star; Blacklock, one time of the  
Michigan Aggies, and Conselman  
were standing performers for the vis-  
itors.

**Kyronen and Plant Are**  
Winners of Run and Walk

New York, Nov. 4.—Willie Kyronen  
of the Millrose Athletic associa-  
tion of this city, and William  
Plant of the Long Island Athletic  
club, won the amateur athletic union's  
national championship 10-mile run  
and 11-mile walk, respectively, yester-  
day. Neither of last year's win-  
ners defended his title and the fields  
were small in each event, owing to  
the recent enlistment of many promi-  
nent athletes.

**Rutgers Battles Heavy**  
West Virginia Team to Tie

New Brunswick, N. J., Nov. 4.—In a  
spectacular game, Rutgers and West  
Virginia played a 7 to 7 tie yester-  
day. Lift Halfback Kelly scored for  
Rutgers in the first period, while  
Fullback Rogers, of the West Virginia  
stars, crossed the goal line in the third  
period. Both goals from touchdown  
were kicked.

yesterday, when Oklahoma university  
came from behind with the score 7  
to 0 at the beginning of the third  
period and turned apparent defeat in-  
to victory. Forward passing caused  
the defeat for the Missourians, 14 to

**Norfolk High School**  
Defeats Bloomfield Team

Bloomfield, Neb., Nov. 4.—(Special  
Tele.)—Norfolk high school foot ball  
team defeated Bloomfield high school  
team here yesterday, 37 to 7. In the  
first half the Bloomfield line crumbled  
under the smashing attack of the  
heavy Norfolk backs and the half  
ended with a score of 30 to 0. Bloom-  
field came back strong in the second  
half and held Norfolk to one touch-  
down. During the second quarter  
Trieweiler blocked a Norfolk punt  
and Graham picked up the ball and  
raced across the line for Bloomfield's  
only touchdown. The Santee Indian  
team plays here November 10 and the  
West Point High school team will  
play here November 23. Following is

**United Jockey Club Races**  
End in Arrest of Secretary

Chicago, Nov. 4.—An attempt to re-  
vive horse racing here by giving a  
card of six events yesterday with a  
free gate resulted in the police arrest-  
ing Louis Peters, secretary of the re-  
cently organized United Jockey club.  
Two of the races were run before the  
police interfered. Then Secretary Peters  
delivered an address in the grand-  
stand asking cash contributions to  
meet the expenses of the day's race meet.  
He was arrested before he con-  
cluded his talk and the races were  
declared off.

The organization which promoted the  
meeting was recently refused a  
permit to hold a regular meeting by  
the city officials.

**Michigan Has Field Day**  
At Kalamazoo's Expense

Ann Arbor, Mich., Nov. 4.—The  
powerful rushes of the University of  
Michigan football ball eleven were too  
much for Kalamazoo college yester-  
day, the Wolverines crumpling up the  
defense of the visitors and winning  
62 to 0. Kalamazoo was able to  
make but one first down during the  
entire game.

Weston was the individual star of  
the Michigan attack, smashing  
through the line repeatedly for con-  
sistent gains. In the last period he  
shot around tackle for a run of 69  
yards and the touchdown.

**West Point Claims State**  
Grid Title of Northeast

West Point, Neb., Nov. 4.—(Special  
Telegram).—West Point claims the  
championship of northeastern Neb-  
raska by virtue of a 39-to-0 score  
over the fast Stanton foot ball team  
at Stanton yesterday afternoon. Stan-  
ton held Norfolk to a 6-to-6 tie earli-  
er in the season, and West Point's de-  
cisive victory gives them a decided  
edge over all teams in this part of  
the state. Any team of champion-  
ship caliber in this part of the state  
can get a game with West Point.

**Annapolis Crew Compiles**  
Another Enormous Score

Annapolis, Nov. 4.—Breaking their  
best previous record for this, their  
record-breaking season, the midship-  
men today took Western Reserve uni-  
versity of Cleveland, O., into camp  
to the tune of 95 to 0.

Outweighed about 10 pounds to the  
man, the visitors at no time in the  
contest had any real chance.

**Harvard Informals and**  
Portland Navy Play to Tie

Cambridge, Mass., Nov. 4.—The  
Harvard informals eleven and the  
Portland naval reserves played to a  
scoreless tie on Soldiers field today.  
Both elevens were strong in defense  
and the goal lines were never in danger.

**Big League's Lose Players**  
To U. S. Artillery Service

Cincinnati, O., Nov. 4.—Ralph  
Scharman, who was to have played  
with the Philadelphia Americans next  
year, and John Dell, formerly a big  
league player, enlisted yesterday in  
the artillery. They will leave for a  
training camp on Monday.

**Henigan Holds Title by**  
Winning in Cross-Country

Boston, Nov. 4.—James Henigan of  
the Dorchester club, New England  
amateur cross country champion, re-  
tained his title in a run today. He led  
a field of 50 runners over the six-mile  
course in 36 minutes and 14 seconds.

**DENIAL OF SALE OF**  
RED CROSS SWEATERS

Manager Smith Gets Word  
From General Manager Gib-  
son and Advises Director  
Judson of Facts.

Bruce L. Smith, manager of the  
Central division, American Red Cross,  
has sent to Director Judson at state  
headquarters a circular letter in which  
he refers to General Manager Gibson  
as denying a report that sweaters,  
socks and other knitted articles are  
being sold, either to the public in  
stores, or direct to the soldiers. Mr.  
Smith added:

"No articles whatever, either knitted  
or otherwise made by Red Cross  
workers, turned in to any Red Cross  
chapter, branch or to auxiliaries, or  
to any Red Cross supply warehouse,  
are sold either to the soldiers or to  
any shops.

"While this is not directly a Red  
Cross matter, the state office is anxious  
to give this information to the  
public, that they may assist in this  
important work," stated Director Jud-  
son.

**Gibson Sends Out Warning.**

"Mr. Gibson warns that if any wilful  
case of this sort should come to the  
attention of Washington head-  
quarters, the charter of the Red  
Cross chapter or subsidiary organiza-  
tion sanctioning it would be immedi-  
ately withdrawn with full publicity.  
Should it transpire that any actual in-  
stance of the foregoing character oc-  
curred, wherein an individual sold ar-  
ticles after their having been turned  
in to the Red Cross, such action would  
be clearly in violation of the funda-  
mental law of the Red Cross and we  
would take vigorous steps to prosec-  
ute the offender.

"It is also true that any case of  
persons other than those acquiring

**Calvin Will Help Y. M.**

C. C. Calvin, president of the Union  
Pacific railroad, has accepted the  
chairmanship of the Omaha general  
committee to work November 11-19  
in the campaign to raise funds to carry  
on Young Men's Christian association  
work among the sailors and sol-  
diers. On the committee with him are  
some of the most prominent men of  
the city.

The week's work is for \$35,000 in  
the United States, Nebraska's quota  
is \$2500. The Omaha committee  
asked to raise \$75,000, probably boost-  
ed its quota to \$100,000 at the first  
meeting.

Throughout the state some of the

leading men are in charge of the  
campaign. In southwestern Nebraska  
numerous county meetings are being  
held to stir interest in the work. At  
Scottsbluff and North Platte Monday  
night at York Tuesday, O'Neill Wed-  
nesday, Valentine Thursday and Log  
Pine Friday there will be important  
meetings.

A message has been received in  
Omaha from Brigadier General F. G.  
Mauldin, commanding general at  
Camp Cody, in which he says: "I  
wish to express to you my apprecia-  
tion of the good work that is being  
done at Camp Cody by the Young  
Men's Christian association. If any-  
thing should happen to cause the  
work here to cease, I should consider  
it a great handicap in the training of  
the division."

**Campaign Manager for**  
**Y. M. C. A. Former Omaha Man**

D. Burr Jones of New York, as-  
signed to Omaha as state campaign  
manager in the drive to raise \$250,000  
during the week of November 11-19,  
for Young Men's Christian association  
work among the soldiers and sailors  
at home and abroad, is a former Oma-  
han. Until 1904, when he left to go  
east, he was boys' secretary at the  
Omaha association. Many young  
business men of the city were in his  
classes.

**Stranger Snatches Purse While**  
**Out Walking With Companion**

George Metlock, Pierce, Neb., re-  
ported to the police that while he was  
out walking with two strangers yester-  
day, one of them suggested count-  
ing his money, and when Metlock  
displayed his bulging purse, the  
stranger snatched it and ran. The  
purse contained \$20.

**COOKS FOR U. S. TARS**  
**MUST BE EXPERTS**

Culinary Schools Will Be  
Established in All Principal  
Hotels in East to Teach  
Students.

Uncle Sam thinks the storks of  
his tars too valuable for the experi-  
mentation of newly recruited cooks so  
he is going to "try it on the dog"  
first.

The dog in this case happens to be  
the aristocratic patrons of the Wal-  
dorf Astoria hotel in New York, and  
similar gastronomic experts, which  
shows how much Uncle Sam thinks  
of his boys.

**Cooking schools will be established**  
by the navy in all the first class hotels  
of New York city and there the new  
cooks will learn to make all the fussy  
French dishes as well as the best way  
of preparing substantial. When gradu-  
ated from there, then only will they  
be allowed to cook for the navy.

Anyone wishing to learn this fas-  
cinating profession under the direc-  
tion of the most famous chefs in the  
land should go right down to the  
navy recruiting station in the Pax-  
ton block and enlist. He will be  
sent at once to New York, to one of  
these cooking schools. After the war  
is over he will have done his bit and,  
besides, have a cooking ability that  
will get him a fancy salary anywhere  
in the world.

**War Gives Omaha New Industry**  
**To Add to Its Fast Growing List**

While manufacturing plants in  
Omaha are running at full capacity,  
and many of them employing more  
women than they ever did before to  
get out their orders, new concerns  
are springing into existence more  
frequently than ever. More and more  
through war conservation, manufac-  
turers are learning how to utilize  
something that has hitherto gone to  
waste.

High price of tin and metal, com-  
bined with human genius, is respon-  
sible for the coming into existence  
of a new industry in Omaha, that of  
re-tinning milk cans instead of throw-  
ing them on the scrap heap when they  
become worn or battered.

The Hicks Retinning company, 3013  
Cuming street, is doing a thriving  
business in this line. Hundreds of  
big milk cans for the creamery com-  
panies of Omaha are being retinned  
here and made as good as new at a  
very little cost, and so rapidly has  
the fame of this Omaha plant spread

that carloads of tin cans are coming  
from Iowa, Illinois, Indiana and New  
York to be retinned. A carload of  
1,735 large milk cans arrived recently  
from Syracuse, N. Y., to be retinned  
at this Omaha plant.

The firm sending this carload of  
tins from Syracuse wrote that if the  
job is satisfactory, the company  
would send many more old cans here  
to be overhauled.

The retinning company is at present  
much in need of a larger building, as  
its business has developed so rapidly  
that it has far outrun the capacity of  
the little residence building in which  
it originated on Cuming street.

The Omaha Battery and Service  
company is the latest concern to  
establish a place of business in  
Omaha to adjust automobile troubles.  
R. H. Decker has established the busi-  
ness in the Dietz building, 2218 Har-  
ney street. This company makes a  
specialty of service in the line of bat-  
teries, starters, lights and carburetors.
