SOLDIERS IN ROUGH

11

**REACH DEMING** 

around depot brigade and division headquarters here for the last several days has been the thousands of selective draft recruits from Camps Funston and Dodge, sturdy Americans from Nebraska, Iowa, Minnesota and the Dakotas, marching up for assignment to organized military units, as the whole division is entering upon the intensive drill period. While most of them are in khaki uniform, the equipment feature that all carry would Ask America to End Hideous remind one of the fall harvesting days in the grain country, rather than a military encampment. It is the big blue denim army dunnage bag, which each carries on his shoulder to the point where he is told off to active duty, filled with extra clothing and personal effects.

## Civil Life Forgotten.

As each group of 150 to 200 moves to Ambassador Gerard as "the repre- to headquarters the men are made at sentative of a Christian state" to pro- case. Some stand by their bags others sit on them, most of the embryo soldiers having a stolid, resigned, but in no wise dissatisfied look on their them to participate will be disclosed faces-a countenance that says, "Do the old civil life is in the dim past." tion, entitled "German War Prac- a time there emerges from headquarters a coterie of officers with a paper. One German soldier, conscience- An officer calls, "Attention," and the "rookies" stand erect, some shoulderprisoners, implored the American am- ing their bags. "As names are called. bassador to protest and signed his step out, forming a double column.' letter "a German soldier and Chris- says the officer. Another officer takes hold of them with "Forward, march." Another, through the ambassador, and they are off to lodging and work addressed his appeal to the American in some of the many branches of the government against the butchery of service here. Then up comes another "a group for the same sorting and dissoldier and a man who is no bar- tribution.

# Sorted on Registration Day.

It is little each man realized, except in a general way, that he brought with him an index that led to this method of singling men out, putting "It was frightful, heart-rending, as them off in large or small groups these masses of human beings were That was his registration card, or is also using a new six-cylinder May- driven to destruction. Above the ter- which he wrote his profession, occupabach motor, developing 240-horse- rible thunder of the cannon could be tion, and indicated his fitness for speheard the heart-rending cries of the cial tasks, if he had any, and so the dinary Mercedes and gives greater Russians: 'Oh, Prussians, oh Prus- men have been classified to go where speed in climbing. A big German sians'-but there was no mercy. Our they are best fitted. It may be to the engineers, motor truck company, sanmust die; so rapid fire.' As I have tary corps or remount station. The heard, five men and one officer on last of each group, men who have no our side went mad from those heart- particular proficiency in any trade or rending cries. But most of my com- profession, are sent to some unit from their respective states and will armed and helpless Russians shrieked start in learning that particular brand

for mercy while they were retreating in the swamps and were shot down. The order was: 'Close up and at it among 25,000, drops his blue bag and harder.' For days afterward those begins to spread out his effects, settlheart-rending yells followed me and ing down doggedly to the great and I dare not think of them or I shall only job before him, the past shut Germans are looking everywhere for go mad. There is no God; there is out from view as though by a brick

according to the program. Foot drilling will, of course, occupy the new men for several weeks. There will be eight Russian Poland, December 19, 1914. hours of drill daily, except Wednesdays and Saturday afternoons off for athletics. Week by week the program will grow harder, looking toward the Christian German soldier to inform perfect hardening of every fellow to withstand the rigors of the trenches at the front. As soon as the trenches and entanglements and dummy Hindenburgs are ready, platoon rushes will be commenced, like they are being done in other camps. Here will be done in "waves" formation, new to the American army. Each platoon in charge of a lieutenant divides itself

for attacking in three waves. Over the top first the first wave is formed of bombers and riflemen, equipped ing apparatus. Back of them at an This letter was from a soldier on interval rush the squads of riflemen. Third come the automatic rifle gunners, supported by other riflemen. Pioneers at the enemy trenches place "Englishmen who have surrendered ther "pills" to best advantage, the with a resistng enemy.

How all this is done is to be shown with trenches and obstacles-everybig barrage.
