### A New FREE Millinery Service Of Particular Interest at the Present Time

This service consists of arranging the trimmings in the correct color combinations at just the right angle on any untrimmed hat you may select and afterwards carefully pinning them in place, the work being done by expert trimmers, you simply sew them in place. Over 200 hats are on display in this department, which will prove helpful in assisting you to select your hat, or may be purchased if you so desire.

There is no charge for this service—you simply pay for the materials selected.

#### Corsage Flowers 25c and 50c

Each branching has been carefully arranged with reference to color harmony and carefully wrapped in tin-foil, being packed singly in gift-boxes. They prove very attractive, inasmuch as at the present time French or Imported Flowers are practically out of the market.
