McManusCOMPLETE ARRANGEMENTS
FOR FUNSTON DODGE GRID
CLASH AT CREIGHTON FIELD

Vincent Hascall and Warren Howard of Omaha Hold Conference With Athletic Director Griffith of Camp Dodge, Who Promises to Send First Eleven Here for Game With Kansas Soldiers.

Final arrangements for the Camp Dodge-Camp Funston foot ball game in Omaha, December 1, were completed yesterday when Vincent C. Hascall and Warren Howard, leaders of the committee of Omahans, appointed to promote the event, held a conference with John Griffith, athletic director of Camp Dodge at Des Moines.

Griffith assured Hascall and Howard that Camp Dodge would send its team to Omaha to battle the Kansas soldiers. This team will be composed of both officers and enlisted men, Griffith says, and practically all are former college stars.

Paul Withington, athletic director at Camp Funston, already had promised to send Funston's first eleven to Omaha for the game.

Play at Creighton. Hascall and Howard, immediately upon their return to Omaha from Des Moines, will call a meeting of the committee of Omahans and preparations for the game will be started. The fray will take place at Creighton field on December 1.

The game probably will be one of the greatest gridiron frays ever staged in the United States. Foot ball talent abounds at both Funston and Dodge. Each camp has enough material for half a dozen first class eleven and when the first teams finally are selected, it is probable no college team ever assembled could defeat either of them.

It certainly will be the classic foot ball game ever staged in this part of the country and Omaha gridiron fans are looking forward to December 1 with the keenest expectancy.

Minor Leagues Hold
Upper Hand in the
Big Base Ball Meet

Louisville, Ky., Nov. 12.—After opening preliminary negotiations with Jack Hendricks, manager of the pennant winning Indianapolis club of the American association, to succeed Miller Huggins as manager of the St. Louis Nationals next season, Branch Rickey, president of the St. Louis club, suddenly withdrew his offer, today.

This development came as one of the surprises of the annual meeting of the National Association of Minor Leagues. James C. McGill, president of the Indianapolis club, was credited with having blocked the deal because of his demands to be reimbursed for his loss.

Proposals for redistricting minor leagues are the chief subject to come before today's meeting.

Whether or not those American association magnates who wish to combine with others from the International league in forming a new organization are able to achieve their purpose depends, it was said, almost entirely upon the decision plans for redistricting the smaller fry will take.

Many Banks Want
State Funds Left
On Deposit There

(From a Staff Correspondent.)
Lincoln, Nov. 11.—(Special.)—State funds are in great demand by the banks of the state and since the publication last week that the state treasurer was having plenty of demand for funds at 4 and 4½ per cent, several banks have put in for funds offering the limit of 5 per cent.

Among the banks is an Omaha concern, the Union State bank, which already has \$15,000 of state funds. This bank has notified the treasurer that it will be willing to pay 5 per cent for the funds it has.

State Treasurer Hall is anxious that communities which have bonds maturing January 1, should look up the matter and make proper arrangements. Mr. Hall says that any bonds maturing January 1, 1918, he will be willing to accept payment on them, thus saving the community something on interest.

For instance, Douglas county has \$100,000 of old exposition bonds and \$180,000 of funding bonds falling due January 1 next.

Dies at Hospital.
Alliance, Neb., Nov. 11.—(Special.)—Arthur Martin, aged 20, whose home is in Bradley, Ill., died in St. Joseph's hospital here of typhoid fever. His father will take the body to Bradley, Ill., for interment.

HUSKERS PREPARE
FOR KANSAS FRAY

Stewart's Men Escape Injuries in Clash With Tigers and Expect to Pit Full Strength Against Jayhawk.

Lincoln, Neb., Nov. 12.—(Special.)—Nebraska came out of the game with Missouri in excellent condition. Johnny Cook received a hard smash on the head which dazed him for a time and McMahon and Shellenberg were each pretty badly battered up, but apparently not enough to cut down on their speed.

Nebraska, with a second string line in action, had the heaviest team on the field against the Tigers of the year. Kreimeyer, who played a rattling good game on the defense, weighs over 200 pounds, and Munn tips the beams at a little over 210. Neither of these men will be in against Kansas next Saturday at Lawrence unless the injuries of Captain Shaw, Riddell and Kositzky prove more stubborn than they are expected. Barring further injuries during the hard week of scrimmage which Dr. Stewart has mapped out for Nebraska in preparation for the Jayhawkers, the Huskers should be in excellent condition. There are five players suffering from tonsillitis, but their cases are not regarded as serious.

Excursion to Lawrence. The victory over Missouri, while expected, served to whet the appetite of the Husker rooters for more foot ball, and it is now practically assured that a big excursion will accompany the team to Lawrence next Saturday to lend vocal support.

Ollie Palm, a Lincoln business man, is arranging the excursion and has already signed up over a hundred business men. It is expected that fully 500 undergraduates will make the trip, with the university of Nebraska cadet band. The Huskers will leave Lincoln Thursday night, stopping off in Kansas City Friday, and going to Lawrence Saturday morning.

Following the Kansas game, the Huskers will have a layoff of 10 days, the final game of the season being against Syracuse university.

Caddock Under Surgeon's
Knife; Postpones Match

Des Moines, Ia., Nov. 12.—Earl Caddock of Anita, Ia., claimant to the world's wrestling championship, is in a hospital at Rochester, Minn., and has postponed his match with Yussif Hussane, the Bulgarian wrestler, scheduled for November 21 in Des Moines. Caddock underwent an operation last Saturday. It was said it was not a serious operation and he is reported making rapid recovery.

Omaha Gun Club Holds First
Shoot After Long Idleness

The Omaha Gun club, after a long idleness, came to life again Sunday with an interesting scattergun program.

The big event was a 50-bird handicap for the Lew Adams trophy. Johnny Ragan, Art Keeline and Ray Kingsley got tangled up in a three-cornered tie in this event. All turned in scores of 46-50.

Kingsley's shooting was an agreeable surprise to Omaha marksmen. Kingsley is one of the best trap shots in Nebraska, but it has been many weeks since he has done any shooting. He has promised to take up the game in earnest again and his Sunday score of 46 indicates his eagle eye is still on the job.

Henry McDonald, county commish and marksman extraordinary, was the victim of a trick Sunday. He was given a \$609 Shuer gun with which to shoot. It was the first time in his life Henry ever had so much worth

"Freshest Kid" of the Boston
Braves Takes Swimmer Bride

MR. AND MRS. WALTER REHG.

Walter Rehg has become a benedict. The "freshest kid that ever broke into base ball" now classes himself with the millions of others so blessed.

The happy pair met some two years ago at a ball and just fell in love. They will honeymoon at Wichita, Kan., where they will make their home during the winter. Boston will

be their home during the base ball season. Rehg has served with the Red Sox, has seen action with the Providence team, and joined the Braves' fighting forces at the start of last season. The photograph shows the Braves' outfielder and his bride, who was Miss May Doane of Winthrop, Mass.

Nebraska Children Plan
To Raise More Chickens

Lincoln, Neb., Nov. 11.—(Special.)—An appeal to the boys and girls of the state to promote chicken raising is being made by the Agricultural Extension service of the University of Nebraska through the egg-producing project which has been started for the fall season. J. H. Claybaugh has returned from a trip to Thurston and Dakota counties in the interests of the work and it is predicted that by the time the state has been covered by extension workers several hundred children will have taken up the keeping of a few hens. T. H. Gooding of the Extension service passed the week in Alliance, Crawford, Chadron and Ainsworth, closing up the summer's garden work.

NONPAREILS FEAT
WATERLOO BUNCH

Local Champs Troupe Boys From Upstate by the Score of 35 to 0 in Clean Game.

By FRANK QUIGLEY.

Sunday afternoon at Melady's Meadow before an enthusiastic crowd the foot ball manipulators from Waterloo, Neb., met their Waterloo when they crimped up against the Nonpareils, champions of Nebraska.

According to the dope David City and Waterloo have the two best teams outside of Omaha in the state of Nebraska and as they already staged two 0 to 0 arguments, the Waterloo boys were inculcated with the idea that they would first trim the Omaha dudes and then meander over to David City and push their gang down the ladder. But when the whistle blew for the foot ballists to quit work at Melady's Meadow, it was found that the Nonpareils had amassed 35 points and the plow followers collected a goose egg.

Waterloo Wins Toss.

Waterloo won the toss and chose to defend the east goal. Waterloo kicked off to Pearson who was downed in his tracks. On the first play Flanagan advanced eight yards then a fumble set the Nonpareils back and they were forced to punt. Waterloo failed to gain and kicked. Then the Nonpareils marched up the field to the 30-yard line and a forward pass Moore to Foran scored a touchdown. Kieny kicked goal.

In the second quarter the champions unbuckled another touchdown when Foran skirted the end 25 yards for a touchdown. Quigley kicked goal. Hassan wrenched his knee, but switched to guard and, played the balance of the game.

At the beginning of the third quarter, the Nonpareils kicked off to Waterloo and Mazda advanced 50 yards. Waterloo was held and forced to kick. Quigley returned the oval

30 yards and on the next play, a fake forward pass, Williams went 50 yards for a touchdown. Quigley kicked goal.

In the final quarter with one yard to go for a touchdown, Waterloo braced and held the Nonpareils, but later a forward pass, Williams to Foran turned the trick for 20 yards, and Williams on the next play went around right end for a touchdown. Kieny kicked goal.

Play Clean Ball.

The Waterloo boys played clean foot ball and they were well pleased with the treatment accorded them. Flanagan did some excellent open field work. For Waterloo Payne, Todd and Oeschger were the particular stars. The lineup:

NONPAREILS. Waterloo. Goodwin (Tuna) Smith, L.G. L.G. Dearden Quigley, R.T. R.T. Mazda Pearson, L.T. L.T. Payne Foran, R.E. R.E. Kieny, Kieny, R.E. R.E. Oeschger Moore, Q.B. Q.B. Todd Hassan, R.H.B. R.H.B. Eklund Flanagan, L.H.B. L.H.B. Jensen Williams, F.B. F.B. Hanger Referee: Tracey. Umpire: Watt. Head linesman: Williams. Touchdowns: Foran (2), Williams (2), Kieny. Goals: Quigley (2), Kieny (3).

Four-Minute Men Are to
Campaign State This Week

Lincoln, Neb., Nov. 11.—(Special.)—One hundred and eight cities and towns in Nebraska have branches of the division of Four-minute men of the United States Committee on Public Information.

Nearly 850 Four-minute speakers are enlisted to represent the government. They are appearing in nearly 200 moving-picture theaters and are making addresses to miscellaneous audiences.

To the "Morals and Morale" campaign, work in camps and elsewhere to lighten the burdens of the United States soldiers, the Four-minute speakers will devote their attention this week.

Local chairmen appointed this week by the state director of the division, Prof. M. M. Fogg of the state university, were the following: Burwell, Guy Laverty; Gibbon, George C. Webster; Laurel, W. T. Graham; North Loup, W. G. Root.

Avoid All Meat
If Kidneys and
Bladder Both

Uric Acid in meat excites Kidneys and irritates the Bladder.

Take Salts at first sign of Bladder weakness or Kidney Backache.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread. The water passes sometimes with a scalding sensation and is very painful; again there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast; continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs, which then act normally again.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink which quickly relieves bladder trouble.—Adv.
