chocolate cakes and cookies. Chocolate with Vanilla-Many peo-

Lemon and Orange-There are at juice of either is the most familiar one; the grated rind is less often used, and the candied rind least often. Wherever the juice is used the grated rind is a great addition; but there are many uses of the rind alone. Any molasses cooky or cake is improved by the addition of grated lemon rind. Try it and see. More surprising still, the lemon rind flavor blends well with chocolate, and a most delicious chocolate fudge calls for grated lemon rind. Candied lemon or orange peel makes a company dish of a very simple pudding. If you candy your own peel, it is not so very expensive. In fact the only real expense is the sugar, and the quantity of syrup is not very

THE LURE OF THE MISSISSIPPI. By D. Lange. Lothrop, Lee & Shepard Co. \$1.25.

This story has as its historical

background the Sioux outbreak in

Minnesota and the campaigns of the

civil war along the Mississippi. The

plot is good. A villainous character

has strong mercenary reasons for wishing to keep two boys from the south on the dangerous Indian

frontier. An old trapper and a Sioux

Indian scout get acquainted with the

boys, and resolve to see that they get

safely back to their home in Vicks-burg, a most daring undertaking.

THE DAYTIME STORY BOOK. By O. Dyer.

the mother is closest to her child," that is, when making the little one

ready for the day. Vexations and ill-temper are pleasingly avoided by

stories that make play and enter-

tainment of buttoning wee shoes and

How to Freshen Canned Goods.

The season is now approaching when most of us are dependent on requently be used as the liquid in canned vegetables, at least to some exthe preparation of chocolate dishes, tent. No matter how excellent the though milk or water is called for material in cans, whether the best This combination is especially good in commercial brand or our own home product, it can be improved by certain treatment. Anything that has been ple feel that the chocolate flavor is shut up for a length of time acquires lacking without a suggestion of what is known as the "flat" taste. This flatness is due to lack of air and can be removed by returning the air to the food. The simplest way to least three different flavors to be ob-tained from lemon or orange. The some hours before using. This meth-od is especially good if the food is merely covered with a cloth instead

of a tight cover. If one wants to sacrifice the juice in which the food was canned (in the gelical clergymen and laymen in the case of vegetables), the liquid may be poured off, the food rinsed through several waters, and then covered with fresh water. There is a decided drawback in this method. Very valuable flavor, and food in the form of mineral salts, is contained in this juice. If the first method suggested, that of 777 illustrations from sketches in the standing in the air, is not sufficient, author's journal, many of which were the food may be stirred or poured from one vessel to another, just as a person aerates water that has been

A third way of freshening canned goods is by heating to boiling and

cooling again if necessary. To Serve Canned Vegetables-The inch wide and of as even length as very choicest way to serve canned possible. Put into a saucepan, cover with cold water and bring slowly to boiling point. Drain, add fresh water, bring to boiling point again and repeat the process four times. Make a sirup, using two parts sugar and one part water. Place the cooked orange peel in this and simmer slowly until the sirup is almost absorbed.

very choicest way to serve canned the serve fall of serve fresh ones, is with the simplest possible seasoning, salt, pepper and a small amount of fat. That fat may be butter, a butter substitute, or bacon, if extra flavor is desired. The more elaborate ways of using vegetables are better for a lunch than a dinner.

"Songs Out of Sorrow." Sarah Teas-dale's popularity today and her position as one of the foremost of American lyricists are due to the exquisite finish, the delicacy of phrasing and the beauty of sentiment of her love poems.
