**Recommends Nuxated Iron to All Who Feel the Need of Renewed Energy**

Says That Henceforth He Shall Not Be Without It

**What Senator Towne Says:**

"As a member of Congress from New York, as a member of Congress and Senator from Minnesota, as participant in political campaigns and candidate for Vice-President, my nervous energy and reserve force were tremendously drawn upon. That I survived these trials and came into advanced middle life with the elasticity and strength of a boy is unquestionably due to the rigorous attention I have paid to the pro-

per care of my body. Recently I have been taking Nuxated Iron and have found it of the greatest benefit as a tonic and restorative. Henceforth I shall not be without it. I am in a position to testify for the advantage of others, to the remarkable and immediate helpfulness of this remedy, and I unhesitatingly recommend Nuxated Iron to all who feel the need of renewed energy and the regularity of bodily functions."

saved who now die every year from pneumonia, grippe, kidney, liver, heart trouble and other dangerous maladies. The real, true cause which started their disease was nothing more or less than a weakened condition brought on by a lack of iron in the blood. Thousands of people suffer from iron deficiency and do not know it.

Dr. E. Sauer, a Boston physician who has studied both in this country and great European medical institutions, said: "Nuxated Iron is a wonderful remedy. Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of twenty, and as full of vigor, vim and vitality as a young man; in fact, a young man he really was, notwithstanding his age. The secret, he said, was taking iron—Nuxated Iron had filled him with renewed life. At 30 he was in bad health; at 46 he was careworn and nearly in—now at 50, after taking Nuxated Iron, a miracle of vitality and his face beaming with the buoyancy of youth. If people would only take Nuxated Iron when they feel weak and run-down instead of dosing themselves with habit-forming drugs, stimulants and alcoholic beverages, I am convinced that it will save them from the ravages of disease, preventing it becoming organic in thousands of cases, and thereby the lives of thousands might be

NOTE—Nuxated Iron, which has been used by former United States Senator Towne with such surprising results, and which is guaranteed and recommended by physicians in such a great variety of cases, is not a patent medicine nor secret remedy, but one which is well known to druggists everywhere. Unlike the older iron tonics, it is easily assimilated, does not irritate the bowels, make them black, nor upset the stomach; on the contrary, it is a most potent remedy to nearly all forms of indigestion, as well as for nervous, run-down conditions. The manufacturer has such great confidence in Nuxated Iron that they offer to refund \$100.00 on any charitable institution if they cannot take one case of weakness under \$100.00, lack of iron and in whose strength 100 per cent or over in four weeks. They also offer to refund your money if it does not at least double your strength, and moreover in ten days' time. It is dispensed by Sauer's McConnell Drug Stores and all good druggists.
