Cash corn was a little easier today. Practically all of the sames of corn were of the new, with the exception of six or eight cars

There were ne known developments to account for the movement, but the character of the buying, which naturally included

readily today and the local demand was rather urgent, especially from industries who were good buyers. Many of the samples were apparently good sound corn and graded No. 5 and 6, depending on the large lots at 1161. Steel was taken in large lots at 161. Steel was taken in large lots at steady rise, from \$2% to \$5%, closing at s best, a net gain of \$% points. The turnover in the last \$0 minutes ag-

amount of moisture content.

Several cars graded sample, only one being given a sample grade on account of being hot, while the bulk were of a fairly good quality, but were put into the sample class owing to the excessive amount of moisture which they contained. These sales ranged in price from forty cents for a car of sample mixed to \$1.55, this figure being paid for the No. 5 yellow and mixed.

Oats were in good demand, and this 1.248 article was quoted unchanged to a half cent off, the bulk going at Saturday's figures. The export inquiry was rather light.

but local buyers took the greater part of the offerings. No. 1 white sold at 65 %c and 66c.

The commercial grade of 5 white went at 65 %c and 65 %c while the sample white class owing to the excessive amount plete stagnation of the year.

In the morning and during the intermediate session the only noteworthy features were of a depressing or negative nature. Delawars & Hudson drooped 4% 65%c and 65%c while the sample white base and sample white brought 65%c.

Rye was also in good demand and sold at figures a cent to a cent and a half lower. No. 1 rye sold at \$1.73 and the No. 2 at \$1.72 \( \) and \$1.73. Barley was quoted unchanged to a cent up, the No. 3 selling at \$1.21 and the No. 1 feed at \$1.17 and 11.18. Both of these articles sold well, the local inquiry absorbing everything offered.

Enlargement of Supplies and Better Quality

Has Bearish Effect on Loan. Chicage, Nov. 12.—Enlargement of supplies, together with improvement in the quality of arrivals, had a bearish effect to-day on the corn market. Prices, although steady at the close, were %c to %c net lower, with January \$1.16% @1.16%, and May \$1.15% @1.15%. Oats finished un-changed to %c higher and provisions up 2%c to 10c. Receipts of corn here showed a liberal

total for the first time in a long while, the aggregate being 417 car loads of which 270 were new corn. Besides the United States visible supply began to display an increase, having gained in the last week 437,000 bushels. Betterment in condition of spot offerings here was of a notable character, especially as to moisture content. other decided handicap to the bulls lay in a special government report which seemed to imply that the latest federal crop esti-mate, 3.191,000,000 did not include the worst damaged corn and therefore meant a larger percentage of good corn than traders gen-erally had figured upon.

Some renewal of seaboard demand strengthened the oats market in the last

hour. Previously, corn weakness had acted as a drag.

Provisions prices were swayed by changes in the value of hogs. Most of the buying

tically all of the samles of corn were of the new, with the exception of six or eight cars of old, but up to this time none of these were sold, sellers asking a good price for the buying, which naturally included considerable short covering, suggested early and favorable news in the railroad rate

The turnover in the last 30 minutes ag-gregated almost 25 per cent of the day's total. Between 11 and 2 o'clock dealings barely reachd 100,000 shares, the three periods being marked by the most com-

points, to \$7. Its minimum of many years. Pennsylvania's fractional recession to 48% represented the lowest quotation for that stock in over a generation. Italian exchange stock in over a generation. Italian exchange recorded a further collapse and Liberty is fell to a discount of 3 per cent.

These adverse conditions were largely relieved in the rally at the close, although the bond market shared only slightly in the improvement manifested elsewhere. Sales amounted to 420,000 shares.

Liberty is veried from 98.24 to 97, clossing at \$7.50. The 31-s ranged from 98.80 to 99.02, closing at 92.02. Total bond sales, par value, aggregated \$4,425,000. United States bonds, old issue, weer unchanged on call.

# STOCKS FOLEY MADE GOOD **VOW FOR REVENGE**

Declared He Was Jobbed at Time of Divorce and Promised Friends to Find "Another Way."

"I have no other recourse, since the law has defeated me. I will not allow my wife to go out with other men, thereby setting a bad example to my children," stated Patrick Foley, shortly after the decree of divorce was rendered against him several weeks ago. Foley made good his threat Saturday night when he attempted to kill his wife and himself committed suicide. Mrs. Foley is said to have a fighting chance for recovery.

"You see, we lived together, my steel raised to a certain extent in wife, the children and I, and we were happy. It's true, I am only a common laboring man. But I made enough

### Queen Liliuokalini

Buried With Medieval Pomp Honolulu, Nov. 19 .- With all the pomp and ceremony of the ancient Hawaiian funeral ritual, befitting the departure of the last monarch of the islands who had held tenaciously to the traditions of her former domain, Queen Liliuokalimi was buried yesterday in the Nuuana cemetery. The en-tire population of the city lined the route from the throne room where the funeral services were held to the burial ground, while the procession

containing 5;000 persons passed. The magnificent catafalque was drawn by 210 native Hawaiians-surrounded by 60 Kahili bearers attired in the primitive feather cloaks of the time of King Kamehameha. Prince and Princess Kalanianaole were the chief mourners.

The body of the monarch was enclosed in a rich koa casket, upon which lay a wreath sent by President Wilson.

Look for Agreement. Washington, Nov. 18.-Confidence that negotiations looking to the exchange of American steel for Japanese tonnage will be concluded successfully was expressed by officials here tonight, despite Japan's apparent refusal to sell its ships at the price

The Japanese asked for 300,000 tons of steel, agreeing to charter to the United States an unnamed number of merchant ships. In a counter proposal the United States agreed to reease 100,000 tons of steel and offered to purchase outright whatever amount of ship tonnage the Japanese were willing to spare.
