CREIGHTON TEAM SET FOR MINERS ON TURKEY DAY

Entire Squad in Pink of Condition for Final Fray of Season With Strong Colorado School.

Coach Mills has been giving his blue and white foot ball charges stiff workouts all week, in preparation for the turkey day battle with the Colorado School of Mines. Several of the men were rather battered in the stiff game with Haskell on last Saturday, but the Creighton mentor asserts that his squad will be in the pink of condition for the final conflict of the season on Creighton field.

Emery is having trouble with a balky leg and Mullholland injured his knee slightly. Leahy's broken hand is mending rapidly, and in all probability Jones, stellar right guard, will be in condition for the closing battle. Jones broke his hand in the South Dakota game and has been out since that time, but it is now practically healed.

Back Field Strong.

Harmon has been polishing up in his new position at quarterback until now he has the varsity squad on their toes all the time. He gets off the signals with snap and speed. The back field, with the exception of Mullholland, who will round into shape in a day or two, is working together in fine shape. Mills has had Shevlin, a new man, out all week, practicing at a halfback position. Shevlin failed to come out earlier in the season, but he has all the earmarks of a gridiron star, and the Creighton mentor thinks he will probably be used in the fray with the Miners.

Last Game to Be Home Coming Day at Creighton

Creighton foot ball enthusiasts are preparing to make a big home-coming day out of the Thanksgiving day game with the Colorado School of Mines. Under the direction of Rev. Thomas Wallace, plans are being completed for the "biggest rally" ever recorded in the annals of the school. The big affair will be held in the Creighton gymnasium on Saturday night.

Every one of the students of the university has promised to be present, in addition to several hundred local alumni, who have signified their eagerness to attend once more a "pep" rally.

The president of the university, the deans of each department, members of the varsity eleven, Mayor Dahlman, and other prominent Omaha alumni will give short talks and reminiscences of past years in Creighton history. The Creighton university band will enliven the evening with music. At this rally plans will be completed for boosting the last foot ball game of the season.

Several boxes have already been reserved for this game, and it is anticipated that they will all be sold before the game.

Philly Nationals Put War Clause in Contracts

Philadelphia, Nov. 23.—Next year's contracts of the Philadelphia National Base Ball club probably will contain a clause providing for revision or cancellation should the war interfere with the playing out of the season, or cause a lack of attendance, according to W. H. Baker, president of the club. Mr. Baker said he believed the form of contract adopted by the National league will contain a clause similar to that proposed by the Phillies and that all clubs will subscribe to it.

Jimmy Dunn Instructs Army Lads in Ring Tactics

Jimmy Dunn, for 10 years a professional boxer and for years manager of prize fighters, has taken up his duties at Camp Zachary Taylor as boxing instructor to a considerable portion of the 30,000 selected men from Indiana, Kentucky and southern Illinois. At present Dunn is attached as a civilian under the committee on training camp activities. Dunn sponsored Johnny Kilbane,

Dunn's work at the camp is with the infantry school of arms, and in it he teaches especially capable men the art of self defense and they, in turn, will act as instructors for their companies. Army officers say that boxing teaches men to take punishment and increases their self-confidence.

York High School Eleven Trims Grand Island, 14-9

Grand Island, Neb., Nov. 23.—(Special Telegram.)—In a well contested game the York high school foot ball team defeated Grand Island High 14 to 9. Grand Island kicked to York who without losing possession of the ball marched down the field for a touchdown and a goal using the aerial game. Grand Island received and marched down the field for a touchdown in line plunges. The goal was missed. After the first 10 minutes of play neither team scored until the third quarter when Odum, Grand Island's fullback, drop-kicked from the 35-yard line. Score: Grand Island 9, York, 7.

Turk Logan Back at Half For Local High School Team

The Central High school foot ball warriors are in fine condition and are expecting a victory over Norfolk High tomorrow. The same lineup will be used as in the Sioux Falls game, with the exception that Turk Logan will be back at his position at left half.

The Norfolk combination is not to be underestimated. Rosenthal at half is reported to be quite a player, and an all-state tackle fills a hole in the line. The Norfolk boys are determined not to let the purple and white roll up its usual big score, although they do not expect to win.

Superintendent Showalter Will Send the Following Players: Beaton, Shively, Winters and Best, ends; Zubrig and Willey, tackles; Riggett, Schram and Koenigstein, guards; Kreuch, center; Weber, quarter; Rosenthal and Simkins, halves, and Ballantyne, full.

HOTEL ROMES SHOOT INTO FOURTH PLACE

Omaha Bowlers, With Total of 2,716, Make Bid for Money in Midwest Bowling Tournament.

Des Moines, Ia., Nov. 23.—(Special Telegram.)—The red, green and yellow of the Hotel Rome five of Omaha shot into fourth place in the Midwest bowling tournament last night with a total of 2,716 pins, taking with them into fifth place the Morrison Taxicab team of Des Moines, their shooting partners. The taxi's threw the clutch into high and came within two pins of the Omaha sharks, getting a 2,714 total.

The Omaha boys had a total of 1,850 at the end of the second game and then fell down to a 866 count the final appearance, when it looked like a cinch for second place. Here's how the Hotel Rome went into fourth place:

William Learn.....	1st.	54.	98
Frank Snodgrass.....	2d.	174.	286
W. R. Huntington.....	3d.	174.	182
A. Warshaw.....	4th.	159.	177
K. Seiple.....	5th.	209.	151
Totals.....	920	950	866

"Dad" Right There.

Sciples hook ball was working fine in the first two games, but the last engagement he came back with two blows, a cherry and a split. "Dad" Huntington had the crowd with him all night and shot just about the prettiest ball of the evening. A close look at the score sheet shows Learn with 10 strikes, 17 spares, two splits and one cherry. Simodynes with 11 strikes, 10 spares, five splits and four blows. Huntington with 13 strikes, 11 spares, four splits and three blows. Warshaw with eight strikes, 15 splits and one blow. Seiple with 13 strikes, 12 spares, three splits and three blows. Simodynes shot a peculiar game in the second round. He started out with a split, came back with a turkey, another split, another strike, then a blow, strike, blow, strike and nine on the count.

No Other Changes.

There were no other changes in any of the standings of the various events, the Hotel Rome and Morrison Taxi being the only teams of the eight on the alleys to get into the first 10 monies.

Other scores made tonight are: Gypsum City, Fort Dodge, Ia., 3,619; George Star, Des Moines, 3,574; Norfolk, Sioux City, 3,512; Highlands, Ia., 3,408; Manning, Boone, Ia., 3,238; Casino Hotel, Des Moines, 2,712.

The Omaha team fell down in their last game on the alleys, five and six, the same alleys on which the Garry Hermann's of Cincinnati fell down in their last game and fell short of first place. It looked easy to third place, with a chance for second, and a possible first when the Nebraskans took the drives in the last encounter of the evening, but the alleys proved the jinx.

THANKSGIVING TURK SOARS TO HIGH PRICE ON LINCOLN MARKET

(From a Staff Correspondent.) Lincoln, Neb., Nov. 23.—(Special.)—According to Lincoln dealers, Mr. Turkey will be more of an aristocratic personage than ever this year and will demand a price for his services on the Thanksgiving table corresponding to other things which the high cost of living has hit.

Last year turkeys retailed at from 28 to 30 cents a pound, but this year people who use the bird will have to pay 5 cents a pound more. It is not necessary to go back to the "oldest inhabitant" to get the information that at one time turkeys sold as low as 8 cents per pound and a man could supply his table with a mighty nice bird for from \$1 to \$1.25. Now one must pay for the same size around \$3 to \$3.50 for his Thanksgiving bird.

Failure of Sarpy to Act Bars Purchase of Bridge

(From a Staff Correspondent.) Lincoln, Neb., Nov. 23.—(Special Telegram.)—The failure of Sarpy county to act with Saunders county in applying to the State Board of Highways for the right to buy the Ashland toll bridge over the Platte river, prohibits the purchase of the bridge with state funds, according to an opinion handed down by Attorney General Reed this afternoon. Until that county joins in the application the bridge cannot be bought by the state unless the legislature should take action and make an appropriation.

The stopping places included Lyons and Rome and the total distance covered was nearly 2,000 miles.

The machine was actually in the air 31 hours. This is believed to be a world's record for a cross-country journey and for the weight carried.

CENTRAL HIGH WILL MEET NORFOLK TODAY

Locals See Visions of a Victory on the Gridiron, Enabling Them to Win Championship.

A big crowd is expected at the Central High-Norfolk high foot ball game today on Creighton field. It will be Central High's last home game this season and the brand of foot ball that it exhibits may be taken as a basis of how the team will play at St. Joseph next Thursday, when it winds up its season.

Although Norfolk is not expected to seriously affect Central High's vision of the Missouri valley championship, it is expected to play a game that will keep Central on the go. Norfolk will be outwitted by the locals by at least 10 pounds to the man. Students of Central High are ready for the whistle this afternoon at 2:30 o'clock. Coach Mulligan has an empty hospital list, although he wishes that a couple of his players would exhibit the same style of brain work in the class rooms that they do on the grid. The line will be the same as in the Lincoln game.

The Central reserves will play a curtain raiser with a Dundee combination managed by D. Dox. Several players who work Saturdays will have their places filled by substitutes. Noble De France is coaching the team. Herbert Welsh, the captain, is said to play a good game at half. The game will start at 1:30 o'clock.

MINISTER'S FATE WILL SOON BE IN HANDS OF JURY

Arguments Nearly Finished in Trial of Kelly, Charged With Villisca Ax Murders.

Red Oak, Ia., Nov. 23.—(Special Telegram.)—The fate of Rev. Lyn G. J. Kelly, accused of committing the Villisca ax murders, will be in the hands of the jury tomorrow afternoon, attorneys in the case stated late today.

J. J. Hess opened the state's argument to the jury this morning, speaking nearly two hours. Judge Sutton, who spoke until 3 o'clock this afternoon, declared that if Kelly committed the murder he was insane at the time. Shirley Gilliland in his argument, took occasion to fire several broadside shots at Detective Wilkerson, who sat at the counsel table.

T. J. Hysham spoke until court adjourned this evening in giving the second argument for the defense. He argued that the Villisca crime was not committed by one man alone, and that the murderers must have been secreted in the Moore home when the family returned from church.

Senator Norris is as earnest as ever for the development of power at Great Falls, situated on the Potomac 15 miles above Washington. He is apprehensive, however, that in view of the stress for war legislation, it will not be possible to get the subject seriously considered this session. "I will do what I can to get action on the Great Falls plan if there is any opportunity," said Senator Norris. "I realize that it will be difficult to get action, because of pressure of other matters."

Flaming Mass of Pimples On Face and Neck Itching Burning Terrible. Cuticura Healed.

"I had eczema on my face and neck. The skin at first grew very red and after a time broke out into a flaming mass of pimples which caused disfigurement. The pimples were in patches all over my face, itching and burning terribly especially on very warm days, and when I scratched I felt as if the skin were being punctured with needles. I could scarcely get any rest at night. Then I began using Cuticura Soap and Ointment. They gave almost immediate relief, and after using one box of Cuticura Ointment and three bars of Cuticura Soap I was entirely healed." (Signed) Miss Bessie Geddes, Viola, Wis., Feb. 19, 1917. It is so easy to prevent skin and scalp troubles by using Cuticura Soap and no other, for all toilet purposes, assisted now and then by touches of Cuticura Ointment to first signs of pimples, rashes, glandular irritation.
