

### Nebraska REEDS APPLY TO BOARD FOR PAROLE

**Men Convicted of Murder Ask for Clemency; Now Acting as Trustees About State Institutions.**

(From a Staff Correspondent.)

Lincoln, Nov. 24.—(Special.)—George and Alva Reed, serving terms in the penitentiary for murder, have applied to the State Parole board for pardons. Heath, who was implicated with them in the crime, has also applied for a pardon, but his application came in late for consideration of the board at the present session.

The men with Kenneth Murphy, who was paroled and later pardoned, were given sentences for the murder of Charles Sellers in Cherry county five or six years ago.

The Reed brothers have been trustees for a couple of years, working around at state institutions whenever their services were needed. Heath has been working at the Grand Island Soldiers' home.

### Nebraska Four-Minute Men in Many Cities

Lincoln, Nov. 24.—(Special.)—The division of four-minute men of the United States committee of public information is now organized in 118 Nebraska cities and towns, where some 875 accredited speakers for the government are ready to bring to the people, in four-minute addresses to theater audiences, authoritative messages of information concerning the war.

Eleven more local chairmen have been appointed by the Nebraska head of the division, Prof. M. M. Fogel of the University of Nebraska. They are: R. L. McNow, Bloomfield; Raymond H. Atwood, Chester; D. D. Little, Clark; F. H. Young, Genoa; F. E. Slusser, Grand Island; Harry Vaughan, Guide Rock; A. J. Jenison, Harvard; D. R. Mounts, Long Pine; W. C. Hartman, Staplehurst; Aubrey A. Smith, St. Edward; E. E. Stanton, Stromsburg.

### Governor Neville Explains Cause of Row in Seventh

Lincoln, Neb., Nov. 24.—(Special.)—Governor Neville has given out a statement on the Seventh regiment squabble in Omaha. He said that the first physical inspection of the Omaha battalion was too lax and that another inspection was decided upon. Captain McGlone refused to give up the muster rolls so the men could be inspected again, Governor Neville declared. Captain McGlone's resignation is in the hands of the governor but has not been acted upon.

### Son of Congressman Promoted to Be Colonel

(From a Staff Correspondent.)

Lincoln, Neb., Nov. 24.—(Special.)—The promotion of General Pershing to general has resulted in the promotion of a well known Nebraska man, Captain Martin C. Shallenberger, who went to France as an aide on the staff of General Pershing. According to the information received here Captain Shallenberger, who is a son of Congressman A. C. Shallenberger of the Fifth Nebraska district, has been promoted to colonel.

### Serious Charge Preferred Against Lancaster Man

(From a Staff Correspondent.)

Lincoln, Nov. 24.—(Special.)—Henry Wigenjost, the oldest employe at the Lancaster county court house in point of service, having assisted in the erection of the present building 30 years ago, is in jail for alleged mistreatment of three girls, one of 16 years of age and the others 11 years. The last two were not harmed.

Before entering the service of the county he was an engineer on the Burlington and has been secretary of the brotherhood for many years.

### Nebraska Boy in France Is Word Sent to Father

(From a Staff Correspondent.)

Lincoln, Nov. 24.—(Special.)—A card received by Assistant Attorney General G. W. Ayers from his son, Donald T. Ayers, who is in the United States service in Company H, 167th infantry, conveys the following information this morning: "When you get this I will be in France. Merry Christmas."

### Bar Dances at State Uni; Smallpox Scare

Lincoln, Nov. 24.—Discovery of eight cases of smallpox among girl students at the University of Nebraska today resulted in the issuance of an order by Chancellor Avery that all students and faculty members who have not been vaccinated recently must now take that precaution.

A number of students are under quarantine and an order probably will be issued today, it is said, barring all student dances until the extent of the epidemic is ascertained.

Chancellor Avery and Executive Dean Engberg today submitted to vaccination in order to set an example for the student body and faculty members.

### Bomb in Police Station Explodes; Seven Killed

Milwaukee, Nov. 24.—Seven patrolmen and city detectives were killed and many are missing as the result of a bomb explosion in central police station tonight.

A detective had arrested an Italian with a black box in his arms and when the Italian had been taken into the lieutenant's office, the bomb, which had been left on a table in the waiting room, practically wrecking the building.

### Amazing Power of Bon-Opto To Make Weak Eyes Strong

Doctor Says It Strengthens Eyesight 50 per cent. in One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home.

Victims of eye strain and other eye weaknesses and those who wear glasses, will be glad to know that according to Dr. Lewis there is real hope and help for them. Many whose eyes were failing say they have had their eyes restored by the use of Bon-Opto prescription and many who once wore glasses say they have thrown them away. One man says, after using it: "I was almost blind. Could not see to read at all. Now I can read everything without my glasses, and my eyes do not hurt any more. At night they would pain dreadfully. Now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can read even fine print without glasses." Another who used it says: "I was bothered with eye strain caused by overworked, tired eyes, which induced fierce headaches. I have worn glasses for several years, both for distance and work, and without them I could not read my own name on an envelope or the typewriting on the machine before me. I can do both now and have discarded my long distance glasses altogether. I can count the fluttering leaves on the trees across the street now, which for several years I could not see like a dim green blur to me. I cannot express my joy at what it has done for me."

It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by the use of this prescription at home. Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and let it dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start, and inflammation and redness will quickly disappear. If your eyes bother you even a little it is your duty to take steps to save them now before it is too late. Many hopelessly blind might have saved their sight if they had cared for their eyes in time.

Note: Another prominent physician to whom the article was submitted, said: "Yes, the Bon-Opto prescription is truly a wonderful eye remedy. Its constituent ingredients are well known to optometrists and specialists and widely prescribed by them. I have used it myself in my own practice on patients whose eyes were strained through overwork or who had been injured in some way. In cases of weak, watery, itching, smarting, itching, burning eyes, and lids, blurred vision or feeble eyes inflamed from exposure to smoke, sun, dust or wind, it is one of the very few preparations I feel should be kept in every home. It is a safe, reliable, and effective remedy. Bon-Opto, referred to above, is not a patent medicine. It is a simple, natural preparation of the finest quality. It is guaranteed to strengthen eyesight 50 per cent. in one week's time in many instances or return the money. It can be obtained from any good druggist and is sold in this city by Sherman & McConnell, C. A. Meicher and other druggists.—Advertisement.

### marine. If this were true, it was pointed out, the vessel undoubtedly was one of the largest of the cruiser type known authentically to be operated by the Germans.

**Neat Piece of Work.**

Base of the American Flotilla in British Waters, Nov. 24.—The American destroyers which were responsible for the latest sinking of a German submarine have returned to their base with flags flying. This victory over the U-boat was one of the cleanest, neatest and quickest pieces of anti-submarine work yet recorded by the American squadron.

The submarine was disabled by a depth charge, rose to the surface three minutes after the charge was fired, hung hesitatingly at the surface for a moment and then sank to the final place of lodgment at the bottom of the sea.

The pressure of water at the 200-foot or so depth at which it sank soon completed the work of destruction on the strained plates of the submarine's

hull. For a long time bubbles and oil continued to rise in great gulps from the grave where it lay and then the Americans made assurance complete in a manner of which it is unnecessary to go into detail.

It was daylight, with good visibility when the periscope was sighted by the lookout of a destroyer, which, with a sister craft, was engaged in its customary duties. The submarine commander was just preparing to fire a torpedo, either at one of the destroyers or at a merchantman nearby.

Preparing to Fire.

"Periscope two points off the starboard bow," sang out a lookout in a voice which could be heard from end to end of the craft. Instantly an alarm to general quarters was sounded and the helm thrown hard over.

Signal flags were swung out notifying the sister ship of the exact location of the enemy. At the same time the heliograph began its staccato flashing of orders for a combined attack.

A scant 18 inches of periscope had

shown above the surface of the sea 400 yards distant for a few instants and then vanished. In less time than it takes to tell, the destroyer under the impetus of suddenly opened throttles had fairly leaped into the track where the periscope had disappeared.
