(By Associated Press.)

A French Port, Nov. 26 .- Suffer ing from cold, exhaustion and hunger, three American naval airmen were picked in by a French patrol boat last night, after having been lost at sea for nearly 66 hours.

The three men, in a huge triplane hydro-airplane, left a French base Thursday morning in search of four enemy submarines which were re-

practically nothing but kiin dried corn for safety. No old corn was sold here today, these samples being very scarce, while buyers offer a good premium for any variety. A few cars of new corn were disposed of later on and sold at \$1.40 for the No. 5 white and a couple cars of No. 5 yellow brought \$1.55.

Receipts of oats were fairly good and the demand for this article guite active. Shot

patrol boat saw the missing machine drifting helplessly several miles out at sea. A boat's crew rescued the three men, who included Ensign Kenneth Smith, a former Yale student. who was the pilot; Frank J. Brady of Newark, N. J., observer and gunner, and I. F. Wilkenson, mechanician.

The three men were virtually exhausted when picked up. They were given first aid treatment on the boat. which rushed them to this port, where the men were transferred to a relief hospital.
