About 160 acres in cultivation, 80 acres pasture. Good 5-room house on good foundation, well built barn for 18 horses with good hay mow, granary, chicken house and hog house. CHICAGO GRAIN AND PROVISIONS

Prices Close Unsettled, Waiting for Much Talked of Increase in Receipts.

Chicago, Nov. 28.—Waiting for the much talked of increase of receipts tended to hold the corn market today inside of narrow limits, prices closed unsettled, $1.20⅞ to$1.21 January, and $1.18⅞ to $1.19 May with the final range as a whole, ⅛ off to half cent up, compared with 24 hours before. Oats showed no change. Provisions advanced 32c to 90c net, except November lard, which declined 20 cents.

Only a slight improvement in the number of railway cars available was yet noticeable, and primary receipts and shipments of corn continued to be well under last year's figures. Besides, country offerings remained light. Under such circumstances, the prospect that enlarged arrivals of corn would result from government orders giving precedence to railway shipments of all cereals did not weaken prices in a lasting manner. After an initial sag, the market hardened on account of evening up for tomorrow's holiday and because of a temporary sharp bulge in the value of oats.

Unconfirmed reports that Baltimore was re-selling oats wiped out an advance in the market here. The upturn had been based chiefly on reports of a continued demand from the seaboard.

Provisions jumped to record-breaking high levels owing to talk of immense government contracts having been placed. Pork coined holders $50 a barrel flat.

Corn: No. 2 yellow, No. 3 yellow, No. 4 yellow, all nominal. Oats: No. 2 white, 75¼c; standard, nominal. Rye: No. 2, nominal. Barley: Nominal. Seeds: Timothy, $5.00@7.50; clover, $20.00@26.00. Provisions: Pork, nominal; lard, $26.80@26.90; ribs, $27.50.

Coffee Market.

New York, Nov. 28.—The moderate rally of yesterday was more than lost in the market for coffee futures today as a result of renewed liquidation and scattered trade selling. The opening was at a decline of four to eight points on reports of an easier tone in Brazil with December selling off to 6.85c and May to 7.30c during the afternoon or about 8 to 11 points lower. Last prices were at practically the low point of the day, showing a net loss of 8 to 12 points. December, 6.85c; January, 6.92c; May, 7.30c; July, 7.46c; September, 7.62c.

Spot coffee quiet; Rio 7s, 7½c; Santos 4s, 9½c. More firm offers were reported in the coast and freight market including Santos 4s at 9.10c and Rio 7s at 7.30c, London credits.

The official cables showed a decline of 50 reis in the Rio market. The Santos spot market was unchanged, but futures were unchanged to 50 reis lower. Rio exchange on London was 3-32d higher.

Evaporated Apples and Dried Fruits.

New York, Nov. 28.—Evaporated apples, steadier; choice, 16@17c; prime, 14½@15c.
Prunes, quiet; Californias, 8¾@13½c; Oregons, 12½@14c.
Apricots, steady; fancy, 20c.
Peaches, firm; standard, 12c; choice, 12½c; fancy, 13½c.
Raisins, quiet; loose muscatels, 7½@9c; choice to fancy seeded, 10½@11c; seedless, 10@10½c; London layers, $1.80.

Cattle—Packers took hold of a light pre-holiday run in very good shape and cleared up the bulk of the beef steers and fat cows and heifers in good season at fully steady prices. Values were not quite as high as at the best time yesterday, but were a good deal better than in yesterday's close. Nothing very choice was here. Feeder offerings were generally of common quality and the market was another extremely draggy affair. Some outside buyers picked up a few bunches at steady prices, but there was no local demand worth mentioning, and up to a late hour bulk of the offerings was still unsold.

NEW YORK STOCKS AND BONDS.

Market Opens Heavy With Standard Issues Tending Downward.

New York, Nov. 28.—The impending holiday and the yet more drastic regulations adopted by the stock exchange against professional trading were in themselves sufficient to effect a decided diminnition of operation in today's market.

Liberty issues contributed largely to the irregular bond market, the fours selling at 97.92 to 98 and the 3½ at 98.96 to 99.12. Total sales of bonds, par value, aggregated $3,325,0000. United States bonds, old issues, were unchanged on call.

GRAIN AND PRODUCE

Receipts Light on Omaha Market; Grains to Have Preference as Freight Hereafter.

Omaha, November 28, 1917.

Arrivals of grain today were extremely light, only 87 cars showing up, which included 25 of wheat, 20 of corn, 34 of oats, six of rye and two cars of barley.

The order issued by Julius Barnes, president of the food administration grain corporation, for the railroads to give grains preference in the movement over all other freight and widening the territory of operation to cover all grain states, confirms the reports the trade has had for two weeks that grains were to be preference freight. It has created the impression that the effect of this order should be noticed in a few days with a much freer movement of all grains.

Trade in corn continues to be slow, buyers taking only what they can dispose of quickly. A few cars of old cor
