THRIFT STAMPS ON SALE NEXT MONDAY

Every Bank in Country Has Been Created Agent for the New Form of U. S. Investment.

Thrift stamps will be placed on sale at all local banks and postoffice stations Monday morning.

Later the war savings committee, headed by Ward Burgess, chairman, expects to place war stamp agencies in practically every business house in the city, including department stores, cigar stores and grocery stores, in order to have them continually before the public as an encouragement in war saving.

Many state towns will probably not receive their shipments of war stamps in time to begin the sale on Monday.

Instructions have been mailed to every bank in the country on how to handle the "baby" securities. Every bank in the country has been automatically created as agent for both the first and second class bonds. County committeemen and their organizations have taken an interest in the work which has greatly encouraged Chairman Burgess.

Frank C. Buitta, publicity manager for the Nebraska Telephone company, has been selected as press agent for the war savings committee and will keep every weekly and daily paper in the state posted on the progress of the campaign.

Women Must Look Young!

A Duty—Not Vanity

THE desire of womanly women to "look their best" is as old as time itself. From time immemorial, beautiful, bewitching hair has been woman's most subtle attraction—indeed, without it the most perfect features, the most fascinating personality become uninteresting and unattractive.

"Give Kiddies a Chance" Is Slogan in Fund Drive

MRS. CHARLES LESLIE

"Give the kiddies a chance!" This is the slogan for dental dispensary day, Saturday, December 8. A drive for \$10,000 to carry on the work of free dentistry for Omaha school children who need it will be made on that day.

Mrs. Charles Leslie heads a women's committee, including Mrs. H. O. Edwards, Mrs. T. J. Mackay and Mrs. H. C. Sumney, which will assist local dentists interested in the work, in launching the campaign for funds. Miss Ritza Freeman, Chicago social worker, who came here to help institute the dispensary in February, will arrive Monday to help in the new drive.

Fifty dentists have named an equal number of women to captain teams of 10 women each. Each dentist, too, will captain a team and local school teachers will be asked to help. A meeting to organize is called for Tuesday evening in the council chamber.

A call for women volunteers to gather funds is issued by Dr. F. F. Whitcomb, president of the dispensary. Miss Charlotte Townsend, superintendent of school nurses, will take the names at her room, 501 city hall.

Lavender crosses with the inscription, "Clean Teeth, Good Health," emblems of dental hygiene, will flood the city this week in preparation for the big drive on Saturday.

Ten thousand children in Omaha need to have their teeth filled and can't pay for it, Omaha dentists say. Headed by Dr. F. F. Whitcomb, they instituted the Free Dental dispensary in room 758 of the Brandeis building, February 14, of the present year. Up to date 95 dentists who donate at least one-half day each month, some of them as much time as this each week, have finished 2,183 cases, with an average of seven visits for each case. Each dentist donates an average of \$150 a year in service.

The dentists raised \$5,287.48 last spring to equip and carry on the work, donating \$1,000 in cash besides their services. On October 17, only \$390.62

was left in the treasury.

"If some one were to audit our books this minute, we'd have to go out of business," said Dr. P. T. Barber at a meeting Friday morning. "The need for funds is most urgent."

Five chairs are kept in operation every day with two nurses and a secretary in attendance. Enlargement of the work necessitated by local needs, is planned by the dentists interested in the project, if the campaign for funds is successful.

"Our Civic Pride," a movie written by Dr. Whitcomb, was shown in local theaters for the past month to acquaint the Omahans with the work of the free dispensary.

Officers of the dispensary are: President, Dr. F. F. Whitcomb; first

vice president, Dr. E. H. Bruening; second vice president, Dr. W. A. Cox; secretary, Dr. M. H. Dunham; treasurer, B. A. Wilcox; legal adviser, Edward L. Bradley. Board of trustees, T. J.
