NEW FARM OPPORTUNITY IN ONE OF THE GREATEST STATES IN THE UNION. A new line of the Santa Fe is tapping a rich and fertile prairie section of northwest Texas, near the Oklaboma line, where already many farmers have MADE GOOD with wheat, hogs and live stock. Here, if you ACT NOW, you can get first choice—get in on the ground floor of a great opportunity. Tou can get in AHEAD of the railway and the people whom the railway will bring. This is the chance of a lifetime for a man of moderate means. A certain number of thrifty, far-seeing farmers can acquire good land at an astonishing low figure and on long, easy terms. Why say goodbye to good rent money every year when same money invested here will pay big returns and make you OWNER of a fine big farm? If you have confidence that a great railroad like the Santa Fe would only recommand what it canaiders a good thing and because it wants to see new territory developed and wants newcomers to PROSPER and PRODUCE—then write me TODAY for particulars about this district. Climate is pleasant, rainfall comes in the growing season, winters are mild, stock can run in open year around. Schools, churches, telephones, good roads, Everything here but enough men with their families. The farmer's BEST CHANCE is on good low-priced land raising products that bring big returns. Will you be one of the fortunate first comers to reap the advantages of a section that has been inspected by a Santa Fe agricultural agent and pronounced RIGHT. Twenty-dollar-an-acre land here has made 26 per cent yearly on investment, compared with 5 per cent of farmers now here and results they have achieved in short time and on small captal, C. L. HERE'S WHERE THE MONEY-18.

Meatless day, the highest prices ever known for cattle and hogs indicate an unprecedented shortage. The various thoroughbred stock sales further emphasise this view. For instance, at the Mousel cattle sale at Cambridge, Nebraska, last January, 35 buils brought on the average \$315 each, while 27 females brought \$770 each. At the Vail, Iowa, Duroc-Jersey hog sale last October, 43 head brought on the average \$335 each, ranging in price from \$65 to \$1,380. No need to argue further that thoroughbred cattle and hog raising is enormously profitable.

ranging in price from \$65 to \$1,360. No need to argue further that theroughbred cattle and hog raising is enormously profitable.

It is also apparent that it will take years for preduction to catch up with consumption and leave a surplus. So that now is the very best time ever known to embark in this business.

The Superior Land and Live Stock company of Hughes county, South Dakota, owns a 1,320-acre ranch with improvements adapted to theroughbred hog and cattle raising. It is 12 miles east of Pierre, the capital, and two miles from the C. W. W. Ry. station. Has two-story, eight-room house, two barns, various sheds and corrais, three wells, one an everflowing artesian with the best of wanter piped to the house, barns, feed lots and pasture. Ninety per cent of this iand is steam plow land and, balance, though broken, affords good pasture and shelter. About 200 acres in cultivation, 450 in native hay and balance pasture.

The president and general manager of this company, Mr. E. A. Montank, has been associated with his father for many years, carrying on a great diversified stock and grain farm near Milford, so that he knows the hog and cattle business "from the ground up." Anybody in the vicinity will vouch for his ability and reliability.

The directors of this company have decided to offer a limited amount of the 7 per cent preferred shares of stock that will also participate in all dividends in excess of 7 per cent, to buy thoroughbred stock and otherwise carry on a general farming and live stock business. This gives the small investor an enormous profit that it is sure to yield.

Here's an opportunity to become a part owner in this great enterprise and make a big dividend on your money. We are glad to answer any questions you may want to ask, and on request will send you free our lilustrated circular, which gives you more of the details. Address E. A.
