During the last four weeks we have done a tremendous business.

We have lived up to our slogan, "Christmas as usual," and we have offered discount prices at every sale without any thought of profits above our actual running expenses.

General Profits, Major Profits and Private Profits—they have all been conscripted to hold the trench around the good old Christmas spirit so closely associated with Jewelry.

We still have a large Christmas stock on hand. In former years we did not mind taking a chance on a left-over stock, because legitimate profits protected us against loss upon our investments. This year we have no such protection. We do not want any left-over stock—we can not afford it! We will instead put the clock ahead and start our **Sacrifice Sale** the last week before Christmas.

Our Big Season Sacrifice Sale Starts Monday Morning

As far as possible we are making still further reductions on our entire and comprehensive Christmas stock—our chief interest will be to take in money enough to pay our creditors.

To the many new customers we have gained this season we wish to repeat: **WE SELL NOTHING BUT THE LEADING STANDARD AMERICAN MANUFACTURES!** Our Watches are the Howard, Hamilton, Elgin, Hampden and Illinois; we handle the Gorham Sterling Silver, the Sheffield Silver Hollow ware, Rogers Bros. 147 (standard of the world), James & Adwards, United Community Silver Flatware; Fairpoint, finest make of Cut Glass, Seth Thomas, Session and Yew Haven Clocks, etc.

IN NO INSTANCE DO WE TAX OUR CUSTOMERS EXTRA ON ACCOUNT OF A TRADEMARK!
