Third Floor

## An Immense Christmas Tree Is Set Up on This Third Floor

Brilliantly lighted with hundreds of electric lamps and one of the biggest Christmas Trees you have ever seen—30 feet high and with a 14-foot spread to the branches, it is a sight that neither old nor young should miss.

The whole store is real Christmasy, from Basement to Third Floor.

**Santa Claus** holds forth in the Basement in Toyland and is having photographs taken with little boys and girls in his arms.

The **Christmas Gift Aisle** on the Main Floor is attracting hundreds and hundreds of gift seekers each day—and a special booth for soldiers makes it easy for those who are remembering the "Sammies" to pick and choose.

Well chosen and complete stocks at moderate prices give you widest range for choice.

## Will There Be a Victrola In Your Home This Christmas?

That is a vital question, because it means either giving or not giving to your family, unlimited musical enjoyment for years and years to come.

And you should decide right now, because the demand this year has passed all records and to be sure of delivery you should buy now.

The world's best music is brought right into your home with the Victrola, and every member of your family can enjoy the best that the world knows in all kinds of music.

A wonderful Musical Instrument, in a very beautiful case—an ornament to your home.
