CHICAGO GRAIN AND PROVISIONS

Corn Prices Take Downward Swing In Absence of Stimulus From East.

Chicago, Dec. 21 .-- Corn prices took

downward swing todor, owing largely to reports that the lifting of the railroad em-bargo cast of Chicago had failed to atimu-New York, Dec. 21.—Bradatreet's tomor-row will eas: Increasingly important governmental re-quirements, quickened retail trade, due to cold weather and holiday buying, difficulty in operating leading industrial plants, ow-

in the corn market as a practical certainty after yesterday's extraordinary upturn. Spevific grounds, too, for selling pressure were ifte grounds, teo, for selling pressure were one apparent, notably advices that east-rn roads had been ordered to return to he west a total of 17,000 empty box cars, out that 2,700 of the cars had been de-cired in the last three days. Clear, cold ceather likely to improve the quality of the rop tended also to ease off the market.

us flowing from shortage of cars, lack f fuel, insufficient supplies and inclement eather. At the same time the season for The greatest handicap for the bulls, how ever, proved to be disappointment, which increased as the day wore on that no sub-stantial expansion of eastern demand re-sulted from the cancelling of the railroad eventorying as well as the continuous shift-ing from non-essential outputs has resulted a derive of oulet in industries that are not favored with war orders. Of course,

obargo between here and the board. Oats like corn were bearishly aft Oats like corn were bearishly affected in the absence of atimulus from the east. coliday buying has enlarged all retail trade and cold weather and deep snow have stimulated demand for heavy weight wear-ing apparel and footwear. Withal reserva-Strength in the hog market lifted proand cold weather and deep snow have stimulated demand for heavy weight wear-tions apparel and footwear. Withal reserva tions must be made in recard to the trend of Christmas trade, reports regarding which tack uniformity. Indeed, some sections dis-close a record business and buying of high grades of mechanshise, but on the whole a spirit of economy seems to dominate, and there a record business and buying of high grades of nurchandise, but on the whole a spirit of economy seems to dominate, and though the fluxi rush may bring the turn-over up to a high level it is likely that numerous markets will show losses from last

New York General Market.

numerous markets will show losses from last year. Weekly tank clearings, \$5,424,578,000. Coffee Market. \$10.15

Coffee Market. New York, Dec. 21.—Coffee—The market for coffee futures was more active today but orders seemed to be pretty well divided and the price movement was narrow. Prices opened at a decline of 1 to 2 points under scattered realizing, attracted by the recent advance, and thus also seemed to be some trade solling during the day, par-ticularly from New Orleans sources. As a larger bushness was reported in the cost and the market closed net, one point billie to one point lower. March fluctuat-ed batween 7.35c and 7.91c. December and anuary closed 7.36c; March, 7.46c; Mark 7.64c; July, 7.78c; September, 7.94c; Oc-Spot coffee was reported in better demand, with prices firm at Tage for Rise and 8%c.
