BURGESS-NASH COMPANY.
The Christmas Store for Everybody

The Cricket Room

Is a restful place and a very convenient one, too, where you may be served with a well-cooked luncheon or dinner. Supper from 5 to 8:30, or dainty, appetizing refreshments at all hours of the day.

Scatter Christmas Cheer Everywhere

To the unfortunate children of the poor. To little boys and girls lying on beds of pain in hospitals and orphans in institutions.

We will send your purchases for these little ones direct with your card, on which is written any bright message you leave with us. Or we will send them just from Santa Claus.

Perhaps you would prefer to have them sent to you, so as to give yourself the joy of personal distribution.

The Toy Store is brimful of suggestions for gifts to these poor children.

Last Call to Gift Buyers

"Oh, how the boarders yell, when they hear the dinner bell," runs an old song. Oh, how the shoppers will scurry in Monday when they realize that only a few fleeting hours remain in which to complete all necessary Christmas buying. To those who have put off buying Christmas gifts until now, we announce that

A GREAT MARK DOWN OF PRICES
Has Been Made on All Kinds of Holiday Merchandise and These Goods Are Gathered Into Lots for Quick and Convenient Clearaway Monday

In making these reductions before, instead of after Christmas, we can clear stocks effectually and shift from holiday to regular merchandise with much greater facility than we could were we to hold out for profits to the last hour. The advantage of the belated shoppers is evident, for there are hosts of cases where the purchasing power of the customer's money is doubled. All kinds of gift goods are subject to this scaling of profits.

STORE OPEN MONDAY EVENING UNTIL 9 O'CLOCK
