Cincoam club dancing party at Scottish Rite cathedral.

**Friday**—  
Party for Miss Margaret English, Miss Philomena Gorman, hostess.

## MRS. BRANDEIS IN HER OWN MOVIE

With Her Company of Little Players Mrs. Brandeis Directs Film Making

Something entirely different in the way of motion picture play will be given on Thursday, January 3, at the Brandeis theater, when Mrs. E. John Brandeis will stage her privately produced film, "The Little Poet" (the scenario for which was written by herself), and will have as her guests at this matinee performance about 30 children from the Creche. The regular ticket of admission to the Brandeis Stock company show will entitle the bearer to witness this first performance of "The Little Poet."

An expert who viewed the film the other day, expressed himself in this wise: "It is worthy of the best efforts of a professional troupe and the scenes are very beautiful and charming."

Mrs. Brandeis has devoted many months to perfecting her company of little players for this work. A rabbit, a dove and a dog each play important roles in the different

scenes and were supplied by Geister, the animal and bird man.

The five principals in this little company are:  
Leads—Doris Secord and Tommy Sutphen.  
Heavy Villain—George Perlman.  
Villainess—Josephine Thomas.  
Comedienne—Ann Amsden.

The January 3 performance is the first of a series which will be given during the winter—all proceeds to go to different charities and the war fund. A duplicate film is to be sent to Mrs. Brandeis' mother, Mrs. Albert Frank, in San Francisco, who will use it to give benefit performances in the Golden Gate city.

Mrs. John A. Kuhn and Miss Marion Kuhn arrived home from New York Sunday, but leave tomorrow for Pasadena to spend the winter in California.

Mrs. G. W. Loomis and daughter, Miss Margaret Loomis, returned last week from the east, where the latter has been in a hospital recovering from an operation for appendicitis. Miss Margaret was at Wellesley college when she was taken with ap-

pendicitis, but she will not be able to return to college this winter.

Edgar Ernst, who has been spending a few days with his parents, Rev. and Mrs. A. S. Ernst, returned to Camp Funston today.

John Daugherty returned Friday to Greeley, having spent the week here with his parents, Mr. and Mrs. J. M.

Daugherty. His wife and children will remain until next week.

George Brandeis returned Friday from Chicago, where he and his wife spent Christmas with her mother, Mrs. Rogers. Mrs. Brandeis will not return for several weeks.

Mrs. E. L. Burke and son, Edward, went to Castle Rock, Ariz., last week.

and were joined for Christmas by Mr. Burke, Mr. and Mrs. Burke will return after New Year's, leaving Edward with his aunt, Dr. Burke, at Castle Rock for the winter to complete his recovery from his shooting accident of last September.

Mr. and Mrs. A. L. Reed have closed their home at Benson and have taken the home of Mr. Reed's mother, Mrs. Mary B. Reed, on Thirty-sixth and Dewey avenue, for the winter. Madame Reed is at the Blackstone until her departure January 17 for Hot Springs, Ark.

Mr. and Mrs. J. Wesley Vos of Kingsley, Ia., will arrive Monday evening to spend New Year's with the parents of Mrs. Vos, Mr. and Mrs. D. W. Dudgeon.

Mr. and Mrs. Robert McClelland and Miss Myra McClelland are leaving for Florida, to be gone until the first of April.

Mr. and Mrs. C. A. Sweet and son, Lieutenant Sweet, spent Christmas at Fort Crook with their daughter, Mrs. Whiting, and Captain Carlyle Whiting.

Mr. and Mrs. Justus Lowe and son, John, spent Christmas here with Mrs. Lowe's parents, Mr. and Mrs.

Charles Harding. Mr. Lowe returned Wednesday to Minneapolis and Mrs. Lowe and son remained a few days longer.

Mr. and Mrs. C. B. Tate of Fremont have been the guests of Mr. and Mrs. W. G. Stearn for the last week.

Mr. and Mrs. Vail Purdy of Sioux City and Mrs. Merritt L. White of Ida Grove, Ia., spent the holidays with relatives in Omaha.

The Merry Makers' Dancing club will give a dancing party Wednesday evening at Keep's academy.

## New Year's Eve Announcement..

The management of Hotel Fontenelle has delayed making public the plans for New Year's Eve because it first wished to learn the sentiment of patrons.

It seems that while no one is unmindful of the war, the general feeling is that to forego the time-honored observance of New Year's Eve is unnecessary.

The management, therefore, wishes to announce that there will be the usual festivities as in former years.

Supper de Luxe will be served from 10 P. M. until midnight, in both restaurant and ball room.

Dancing in the Lobby with music by Christian's Fontenelle Orchestra of twenty pieces.

Make reservations at once.

## Physicians Warn Public Against Taking Substitutes for Nuxated Iron

Say That Ordinary Metallic Iron Preparations Cannot Possibly Give the Same

### STRENGTH, POWER AND ENDURANCE

Besides, they may upset the digestion, disturb the secretions and thereby do far more harm than good, and that Health Officials and Physicians everywhere should caution the public against accepting these inferior products.

Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital, New York, and Dr. A. J. Newman, former Police Surgeon of Chicago, Dr. Ferdinand King, New York Physician and Medical Author, Dr. E. Sauer, Boston Physician and Medical Author, Dr. Ferdinand King, New York Physician and Medical Author.

iron under the delusion that it is Nuxated Iron, or at least something as good as Nuxated Iron. In regard to the value of Nuxated Iron, Dr. Sullivan says: "In my talks to physicians I have strongly emphasized the great necessity of their making blood examinations of their weak, anemic, run-down patients. Thousands of persons go on suffering year after year, doctoring themselves for all kinds of ills, when the real and true cause underlying their condition is simply a lack of sufficient iron in the red blood corpuscles to enable nature to transform the food they eat into brain, muscle tissue and brain. Without iron in your blood your food merely passes through the body, something like corn through an old mill with rollers so wide apart that the mill can grind."

Dr. Ferdinand King says: "Doctors should prescribe more organic iron—Nuxated Iron—for their nervous, run-down, weak, haggard-looking patients. Failure means anemia. The skin of the anemic man or woman is pale, the flesh flabby, the muscles lack tone, the brain is a mass of jelly, memory fails, and often they become weak, nervous, irritable, despondent and melancholy. When the iron goes from the blood of women, the roses go from their cheeks."

Careful investigation by physicians among druggists and patients has revealed the fact that there are thousands of people taking iron who do not distinguish between organic iron and metallic iron, and that such persons often fail to obtain the vital energy, strength and endurance which they seek, simply because they have taken the wrong form of iron. They seem to think iron is iron on the same theory that a potato would be a potato whether cooked or raw, entirely ignoring the important cellular changes in the potato that renders it far more easy of assimilation by the blood and tissues. No one would hardly expect to derive the same strength from eating cooked potatoes, yet according to the opinion of physicians who have made a careful study of the subject, taking raw, unprepared, metallic iron is a good deal like eating raw potatoes.

Therefore, physicians advise those who feel the need of a strength and blood builder to consult their family doctors and other distinguished men of letters who have made a careful study of the subject, taking raw, unprepared, metallic iron is a good deal like eating raw potatoes.

Dr. E. Sauer, a Boston Physician, studied both in this country and in great European Medical Institutions, and said: "Nuxated Iron is a wonderful remedy. Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of twenty, and as full of vigor, vim and vitality as a young man. In fact, a young man he really was, notwithstanding his age. The secret, he said, was taking iron—Nuxated Iron had filled him up with renewed life. At 30 he was in had health, at 45 he was careworn and nearly all in—now at 50, after taking Nuxated iron, a miracle of vitality and his face beaming with the buoyancy of youth."

Dr. H. B. Vail, formerly Physician in the Baltimore Hospital, and a Medical Examiner, says: "Throughout my experience on Howells Park Hospital, and as Medical Examiner, I have had hundreds of patients who have vainly doctoring for various run-down states, when in reality their delicate, feeble, and generally debilitated were really in need of a strength and blood builder. I took Nuxated Iron myself to build me up after a serious case of nervous exhaustion. The effects were apparent after a few days and within three weeks it had virtually revitalized my whole system and put me in a superb physical condition."

Dr. A. J. Newman, former Police Surgeon of Chicago, and former House Surgeon, Jefferson Park Hospital, Chicago, says: "It has been my particular duty during the past six years to assist in keeping Chicago's five thousand bluecoats in good health and perfect fighting trim, so that they would be especially equipped to withstand all manner of storms and ravages of nature's elements. Recently I was prompted through an endorsement of St. Elizabeth's Hospital, New York, to give it a trial. It remedied me and through my own tests it to excel any preparation I have ever used for creating red blood, building up the

If people would only take Nuxated Iron when they feel weak or run-down, instead of doing themselves with habit-forming drugs, stomachics and cathartics, it would be a conviction that in this way they could ward off disease, preventing it becoming chronic in thousands of cases, and thereby the lives of thousands might be saved who now die every year from pneumonia, grippe, kidney, liver, heart trouble and other dangerous maladies. The real and true cause which started their disease was nothing more or less than a weakened condition brought on by a lack of iron in the blood. Thousands of people suffer from iron deficiency and do not know it. If you are not strong or feel you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained.

Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital, Out-door Dept., Baltimore Hospital, and a Medical Examiner, Dr. Ferdinand King, New York Physician and Medical Author, and others, so that the public may be informed on this subject and protected from the use of metallic

Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital, Out-door Dept., Baltimore Hospital, and a Medical Examiner, Dr. Ferdinand King, New York Physician and Medical Author, and others, so that the public may be informed on this subject and protected from the use of metallic

NOTE—Nuxated Iron, which is prescribed and recommended above by physicians in such a great number of cases is not a patent medicine nor secret remedy, and one which is well known to druggists everywhere. Unlike the other inferior iron products, it is easily assimilated and does not injure the teeth, make them black nor upset the stomach; on the contrary, it is a safe patent remedy in nearly all forms of indigestion as well as for nervous, run-down conditions. The manufacturer has taken two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained.

## PERSONAL

Mr. and Mrs. Jack Webster moved Thursday to their new home at 413 South Forty-first street.

Miss Martha Noble, who is in her junior year at Oberlin, is spending her holidays in New York with Miss Helen Bicknell, formerly of this city. Oberlin has had to extend the holiday vacation until January 16, owing to the coal shortage.

Mr. and Mrs. D. C. Bradford leave today for 10 days in New York and Boston, and upon their return they will go to Coronado Beach, Cal., for the winter.

Mrs. William Fitzgerald of Troy, N. Y., and her little son arrived Saturday to visit her parents, Mr. and Mrs. T. C. Byrne.

Mrs. Miriam Patterson Boyce leaves next week for New York to continue her musical studies with Harry Rowe Shelly, with whom she studied last winter. Her daughter, Jane, will remain in Chicago with the grandparents, Mr. and Mrs. Boyce.

Mrs. Estabrook and Mr. and Mrs. Karl Roehling, who accompanied the body of Henry D. Estabrook from New York for burial here, returned east Thursday night. Mrs. Bigelow of Chicago, a cousin of Mr. Estabrook, who also came for the funeral, returned Thursday.

Lieutenant Randall Curtis, who is stationed at Camp Dodge, is spending the holidays with his parents.

Mrs. Frank Blotky of Des Moines is visiting at the home of Mrs. Fred Hasphausen, 3607 North Twenty-ninth street.

Mr. and Mrs. Herbert Gannett and children arrived last week from Buffalo to make their home again in Omaha. They are with her parents, Mr. and Mrs. C. T. Taylor.

Mr. and Mrs. George Myers and children, Barbeau, Estler and Mary Myers, who came over from Dubuque to spend Christmas with Mrs. Myers' mother, Mrs. E. W. Nash, returned home Wednesday evening.

Sergeant Cyril J. Flannigan has returned to Camp Funston after spending the holidays with his parents, Mr. and Mrs. T. J. Flannigan.

Mr. H. Y. Cook left Christmas night for Buffalo to visit his sister.

## SWAMP-ROOT FOR KIDNEY AILMENTS

There is only one medicine that really stands out pre-eminent as a medicine for curable ailments of the kidneys, liver and bladder.

Dr. Kilmer's Swamp-Root stands the highest for the reason that it has proven to be just the remedy needed in thousands upon thousands of distressing cases. Swamp-Root, a physician's prescription for special diseases, makes friends quickly because its mild and immediate effect is soon realized in most cases. It is a gentle, healing vegetable compound. Start treatment at once. Sold at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention The Omaha Sunday Bee.—Advertisement

**Hotel Clark**  
LOS ANGELES CALIFORNIA  
Logical Nebraska headquarters, 555 rooms—each with private bath. Every desired luxury, refinement and convenience. Free to hotel of 500. Daily breakfast to all places of interest. Absolute freedom. **Green Gables**  
DR. BALDUFF'S  
SANATORIUM  
Lynch, Neb.  
This institution is the only one in the central west with separate buildings situated in their own ample grounds, yet entirely distinct, and rendering it possible to classify cases. The one building being fitted for and devoted to the treatment of non-contagious and non-mental diseases, no others being admitted; the other Rest Cottage being designed for and devoted to the exclusive treatment of select mental cases requiring for a time watchful care and special nursing.

## To the People of Omaha

I have for you a very delightful surprise. As most of you know, I have for many, many years been maker of the finest candies. I have for one, two, three generations catered to your most discriminating tastes. I have pleased you all. Now I have for you something better—a new creation of chocolates richly designed—a candy even more delectable, more satisfying. My Egyptian Chocolates.

You have called me the master confectioner. You have pronounced my candies the most delectable.

Until you try my new Egyptian Chocolates, you will not know how completely exquisite candy may be.

Egyptian Chocolates are unlike any other chocolates. In appearance, large, irregular, each a satisfying morsel. In taste, rich, yet not the richness that quickly palls; a delicacy of flavor and an appealing deliciousness with which no other can compare—par avance.

To my host of former patrons and friends I only say: They are good; I cannot make chocolates finer.

To you who have never tasted Balduff candies, I invite you to try my Egyptian Chocolates. They will delight you.

Egyptian Chocolates are prepared in pound boxes only. A delicious assortment of walnut, maple, cherry, pineapple, currant and other flavors in each box. They are at many good dealers. I urge you to try them.

**BALDUFF**
