

MILITARY HONORS ACCORDED YOUNG STANLEY MACKAY

Friends Gather at the Bier of Omaha Boy Who Gave His Life in the Cause of Freedom.

A military funeral was held Sunday afternoon at 2:30 o'clock at All Saints' Episcopal church for Stanley Mackay, who died last Tuesday of pneumonia, in an army hospital in Jacksonville, Fla.

The services were conducted by Bishop A. L. Williams, assisted by Rev. Charles H. McKnight. The chapel of the church where the services were held was inadequate to care for the many friends who attended to pay their last respects to the young Nebraska soldier who had gone "over the top."

Sergeant at Deming. Stanley Mackay enlisted in the Sixth Nebraska machine gun company early last spring and accompanied his regiment to Deming, N. M. He ranked as a sergeant until the breaking up of the regiment when he was reduced to a private until he had finished a course of training at the quartermaster school at Jacksonville, where he was assigned. At the completion of the school course he was again given a rank of sergeant. He was 22 years old and a great favorite among the younger set of Omaha and with his comrades in the Sixth regiment.

The Episcopal funeral service was read at the church with hymns by the vested All Saints' choir. The casket draped with a large American flag, in the military custom, stood with a background of flowers as a testimonial of the high esteem in which the dead soldier was held. With the exception of the set pieces the flowers were given to local hospitals after the service.

Give Military Salute. Burial was private in Forest Lawn, where after the services a firing squad of soldiers from Fort Crook fired a military salute of three volleys. Bugler Wendt blew "taps" after which the body was placed in a vault.

Colonel Settle, in command at Fort Crook, detailed a detachment in command of Sergeant Cash to act as a firing squad consisting of Privates Walsh, Mathews, Everding, Anderson, Kuezin, Weimar, Craig, Lake, Jones, Abbott, Jennison, Zernan, Callahan and Farron.

The active pallbearers were Sergeants Hitchcock, Gavin, Ordell, Esenblen, Dobler and Jordat. Honorary pallbearers were G. W. Wuttles, Judge Redick, Dr. LeRoy Crummer, C. H. Pickets, John T. Yates, E. L. Barker, M. C. Peters, C. S. Montgomery, F. A. Ewing, John S. Brady and George T. Morton.

The entire command was in charge of Lieutenant Hammond of Fort Crook. The funeral was attended by many officers and enlisted men stationed at the Omaha forts.

Besides his father, Rev. T. J. Mackay, rector of All Saints' church and his mother, Stanley is survived by three brothers, Ordin C. Mackay, Ralph L. Mackay and Robert M. Mackay, and a sister, Mrs. Austin Gailley of New York and Washington.

Congress Pleased With Navy Ordnance Quiz

Washington, D. C., Jan. 14.—Complete satisfaction with the work of the navy's ordnance bureau and its preparedness for war and general efficiency is expressed by Representative Oliver of Alabama, chairman of the house naval investigation subcommittee in a statement tonight summarizing for his colleagues results of the ordnance phase of the inquiry.

"The testimony convinced the committee," says the statement, "that the prevalent belief and opinion as to the navy's readiness are well founded." The statement says more than 1,100 merchant ships have been equipped with guns and ammunition by the navy since March 14 last, and that appreciable quantities of guns, large and small, with ammunition for them, have been furnished to England, France and Italy. Many merchantmen of the allies in addition to virtually the whole American fleet have been armed to fight submarines.

Police Holding Chauffeur On Aiding and Abetting Charge

Police are holding Crawford Allan, recently a chauffeur for a prominent Omaha family, on a charge of aiding and abetting the delinquency of a 16 year old girl. Parents of the girl, who is a student at Central High school, swore out a warrant for Allan's arrest following the girl's confession of her intimacy with Allan.

Detectives say that Allan was in the habit of meeting the girl after school hours and taking her riding in the automobile which he was driving. He said he lived at 3223 Leavenworth street.

Railroad Heads Want To Limit U. S. Control

New York, Jan. 14.—Railroad executives representing roads and 90 per cent of the mileage in the United States, at a conference held here today to consider plans for safeguarding the interests they represent while under federal management, decided to ask congress to limit government control to the period of the war.

JUST PICKED THE RIGHT HAT AT WRONG TIME

With the mercury at 23 below last Friday night, a well dressed man entered the Muse theater and approached the ticket window. "One, downstairs, please," he ordered. The girl at the window glanced at him and gasped. He wore a straw hat! The girl rubbed her eyes and called for help. Several gallants responded, but stopped in awe when they spied the cause of her fright. "Call the wagon," said one.

Meanwhile the recipient of all the attention was apparently as puzzled as the others were dumbfounded. He gave himself the once over, and finally removed his hat. One glance sufficed. "Good Lord, it's a straw." Explanations followed. He is a prominent man in auto row, and, having an hour to spare, decided to attend the movie. Having several old hats, he grasped the first one he came to and, planting it firmly on his head, hurried out into the cold.

"But I'm going back bare-headed," and, slipping the Panama under his coat, he fled into the night.

Regan Funeral Held, But Interment Postponed

Thomas F. Regan, 28-year-old switchman who was killed in an accident at the railroad yards in South Side Tuesday night and for whom funeral services were held Saturday morning, will be buried in St. Mary's cemetery Monday morning. The body was held at the Larkin Undertaking parlor awaiting the arrival of Private Cornelius Regan, brother of the deceased, who came from Houston, Tex. where he is stationed, to be present for the funeral services.

The storm delayed train service so that the young soldier did not arrive in time for the services. Saturday morning. Short services will be held again at Larkin's chapel at 9 o'clock Monday morning.

DELICATESSEN SHOP SLIGHTLY DAMAGED BY FIRE

Fire of unknown origin started in the basement of the White & Peltz delicatessen, 414 North Sixteenth street, and at midnight for a while threatened the whole business block with destruction. Damage from smoke and water amounted to several hundred dollars.

Firemen centered their efforts to the flames in the basement of the building before the blaze could spread to adjoining rooms.

Smoke filled the second story which is occupied by roomers and drove the occupants to the street.

A large stock of groceries and meats in the delicatessen was partly damaged by smoke and water.

CITY WINS FIGHT TO CUT BILLS OF WORLD-HERALD

Newspaper Revises Its Charge for City Legal Advertising, Saving City \$216; Admits Overcharges.

Omaha has won its fight against the World-Herald, whose bills for official city advertising, October, November and December, were rejected on account of alleged overcharges.

The World-Herald recalled bills which totaled \$1,835.20 and submitted revised bills to the total amount of \$1,519.10. These figures were given out by the bill clerk in the city controller's office and the deputy city clerk, who is checking over the new bills. The difference is \$316.20, according to the city officials.

Revises Charge Basis. The basis on which the World-Herald proposed to require the city to pay for official advertising is explained in this manner:

If an advertisement was 4.3 squares the city was charged for five squares and in every instance any fraction was counted as a full square. Under the new method of rendering bills the overcharge has been remedied by submitting bills according to actual space used; namely, 4.3 squares.

When the overcharge in the old bills was discovered the matter was brought to the attention of the World-Herald, whose advertising department contended that its action was proper.

Assistant City Attorney TePeel gave an opinion to the city controller that under the contract between the city and the World-Herald for official advertising there was no provision for charging other than on basis of actual space used and that a fraction of a square could not be charged for as a whole square.

Acknowledges Overcharges. The World-Herald replied that the matter would be discussed between its legal department and the city legal department.

Meanwhile The Bee Publishing company entered written objection to the World-Herald's violation of its contract agreement and also called attention of the mayor and city council to the narrower columns which have been charged for on same basis as the seven-column width.

The action of the World-Herald in filing the revised bills without comment is regarded by city officials as an acknowledgment of overcharge.

A Fight for Life!

It has been fight or die for many of us in the past and the lucky people are those who have suffered, but who are now well because they heeded nature's warning signal in time to correct their trouble with this wonderful new discovery of Dr. Pierce's, called "Anurie." You should promptly heed these warnings, some of which are dizzy spells, headache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as Bright's disease, diabetes or stone in the bladder.

To overcome these distressing conditions take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water and at each meal take Doctor Pierce's Anurie Tablets (double strength). You will, in a short time, find that you are one of the firm indorsers of Anurie, as are thousands of your neighbors throughout the state of Nebraska.

Hastings, Neb.—"Dr. Pierce's remedies have been used in my home for many years and always with most satisfactory results. Last summer I learned of Anurie and at that time I was suffering greatly with headache, scalding water and bladder weakness. One package of Anurie gave me such relief that it was months before I found it necessary to take any medicine. Then recently I had a recurrence of the same trouble and took Anurie again. This time I had equally as good results in much shorter time. I can honestly praise Anurie and consider it on a par with all Dr. Pierce's other remedies."—Mrs. Alice Parks, 1421 W. 5th St.

Step into the drug store and ask for Anurie, or send Dr. Pierce of the Surgical Institute, Buffalo, N. Y., 10c for trial pkg. Anurie—many times more potent than lithia, eliminates uric acid so hot water melts sugar.
