

LITHUANIANS ASK COUNTRY'S INDEPENDENCE

In Mass Meeting on South Side Adopt Resolutions Which Are Sent to Congress.

Lithuanians of Greater Omaha held a mass meeting on Wednesday and after listening to addresses by Rev. George F. Jonaitis, Joseph P. Uvick and others on the subject of the political independence of their native country, adopted resolutions expressive of the sentiment of their fellow countrymen who live in Greater Omaha and vicinity, which were forwarded last night to the senators representing Nebraska in congress.

The resolutions are as follows: Whereas, The aggression and outrages of the autocracy against the liberty of the people forced the United States to take arms to defend the people's rights on land and sea;

Whereas, The United States, being morally, physically and materially one of the most powerful countries, is able of accomplishing great things in this undertaking;

Whereas, During the war, small nations in Europe have suffered the most and some of the countries have been entirely devastated by ruthless militarism;

Whereas, Lithuania on the eastern battlefield has for three years served as a battlefield, having contributed also half a million or her sons for the allied armies, and the Lithuanians of American their proportionate share to the United States army, taking thereby an active part in the war for liberty and justice;

Whereas, The much appreciated words of President Wilson in the recent note to Russia and also the proclaimed principle of nationalities by the allies, assure restoration of political liberty to the smaller nations;

Whereas, The claim of the nations could be considered as just only when they are presented to the peace congress by the authorized representative of those nations; therefore be it

Resolved, That we the Lithuanians of the state of Nebraska, having migrated from our native land of Lithuania to this land of liberty and ever pledging our loyalty to this, our adopted country, sincerely believing in and living up to the principles of the United States of America, being nevertheless in sympathy with our brethren in Lithuania bearing the heavy yoke of autocracy;

1. We appeal to the congress of the United States through the representatives of our state, that the congress of the United States in discussing peace terms include the demand for the restoration of the political independence of Lithuania;

2. That the government of the United States support the rights of all nations participating or affected in this war, be they large or small;

3. That these rights can only be satisfactorily supported by considering just claims when presented by the representatives of such nations.

Commissioners Visit Site Of Proposed New Street

City commissioners Saturday morning visited the site of the proposed opening of Douglas street, Twenty-fourth street to Twenty-fifth avenue, which will be discussed by the city council committee of the whole meeting Monday morning.

Appraisers reported total damages of \$85,325 on a 60-foot opening and \$108,657 on an 80-foot opening. In view of the provisions of a law which fixes a maximum of \$100,000 for an improvement of this nature, unless approved by a vote of the people, it is not probable that the 80-foot proposal will be adopted. If the 60-foot opening should be approved, the amount of damages will be obtained by assessing a special tax over an area which will be determined by city council and engineering department.

Woman Files Slander Suit Against Her Neighbor

Nellie Reynolds, 2003 Burt street, has filed suit for \$5,000 damages in district court against Mrs. Martha E. Bierbower of the same flat, alleging "she entered the Reynolds apartment January 7 and slandered Mrs. Reynolds to her husband and the neighbors within hearing."

Mrs. Reynolds says the statements were untrue and made with the "malicious intent of blackening her character in her husband's eyes."

Judge Woodrough Will Return to Omaha Monday

Federal Judge Woodrough will return Monday from Oklahoma, where he has been presiding in federal court several weeks. It is expected he will call a grand jury to meet in Omaha January 28. The regular time for the next grand jury is not until April, but the extra jury will be called because of the large number of federal prisoners, including 4 Industrial Workers of the World, now in the county jail.
