**OUTLINE THEIR** 

**Boulevard System and** 

Scenic Drive.

One of the recommendations urged

tinuity in various places, and in particular afford no connection between

Hanscom park and Elmwood park."

boulevard link between Hanscom

and Elmwood parks by extending

Woolworth avenue through the

County Poor farm and thence in a

southwesterly direction to the inter-

section of Forty-fifth and Center

streets. From that point it is sug-

gested that Center street constitute

a boulevard to a point where it crosses the Missouri Pacific tracks. Thence the boulevard would follow

Saddle Creek in a southwesterly di-

rection to the junction of the Mis-

souri Pacific railroad and following the Little Papillion to its intersec-

tion with the Happy Holloy creek,

and thence northeasterly to Elmwood

Other boulevard recommendations

follow: A district boulevard connec-

tion between Bemis park and the be-

Thirty-eighth street. Florence boule-

vard, as its termination at Chicago

street, to be continued south on

Nineteenth street to Jackson street

at such time as the Dodge street hill

shall have been cut; then east on

Jackson street to its connection with Bellevue boulevard, thus connecting

two separate boulevards and avoiding

the confusion in pleasure traveling through the central part of the city. The intersection of Bellevue boule-

vard with Bancroft street at Eleventh

street should be made safe by ac-

quiring more property. "The improvements and new construction mentioned will, together with the present boulevards, give the city a complete inside boulevard sys-

. In addition to the completion of an

"One of the most interesting scenic

views of Omaha is to be found on the

slopes on the west side of the Mis-

souri river, extending from Dorcas street south to Cihlds' Point. At al-

most any point along the stetch of

four miles one views fertile farm

lands; a wide, interesting river, in

which the sky, the hills, the distance

are reflected, and around it all is the

sky-line of distant forest-clad hill-

slopes suitable for farming, but has

made them beautiful, and most of

them are still covered with forest.

Since this land has little commercial

value it could be acquired at slight

cost, and should be preserved in a

state of nature. Such a preservation

would have scientific value, both in

respect to forestry and to wild life.

But, above all, it would have priceless

Omaha. Within half an hour they

could pass from the bustle of the city

to the seclusion of the forest. The

route mentioned may be divided into

four distinct parts, as follows: Dorcas

street to Riverview park; Riverview

park to J street; J street to Mandan park; Mandan park to Child's Point.

Weaken Corn Market.

Chicago, Jan. 19.—Clearing up of the railroad blockade tended today to weaken the corn market. Prices closed heavy, January \$1.27% and May \$1.24%, with the finish as a whole unchanged to ½c down, compared with 24 hours before. Oats declined %c to %c net. In provi-sions, the outcome varied from a setback of 10s to 25c advance of winning the war was given in an order issued by President Wilson today creating the division of advertising of the committee on public information. It is believed that through this agency the patriotic services volunteered by advertising men through-

of 10e to 35c advance. of 10e to 35c advance. Faced by prospects of liberal receipts here Monday and Tuesday the corn market showed a downward slant almost uni-formly throughout the session. Notwithout the United States since the outbreak of the war may be rendered even more effective. standing that sovere winter temperatures still curbed the activities of the railroads, indications of substantial progress in the Through the division of advertising it is proposed to perfect publicity machinery which may be called into removal of traffic congestion were too plain

removal of traffic congestion were too plain to be ignore. Selling, however, was at no time agressive, although bearish sentiment was somewhat augmented by peace talk, especially in the last hour, during week end adjustment of trades. Oats sagged with corn. Hope of sales to the scaboard led to a temporary buge, which was more than counteracted when

New Railway Wage Board

which was more than counteracted when no business developed. Heavier receipts of hogs weakened pro-visions, but sharp reduction of the weekly total of hog packing led afterward to rai-General McAdoo's newly appointed railroad wage cmmission, headed by Secretary Lane, will meet Monday to take up labor questions pending be-

total of hog packing led afterward to ral-lies. The late upturns were partly due to the fact that shipments for the week were shown to have been greatly curtailed by traffic difficulties. Chicago, Jan. 19.—Corn: No. 2 and No. 3 yellow, nominal: No. 4 yellow, \$1.55.•Oats: No. 3 white, 80% @81% estandard, 81% @ 82c. Ryc: No. 2, nominal. Barley: \$1.40@ 8.58.
