Chicago, Feb. 4.-Enliarged receipts at the leading Missouri markets did a good deal to ease corn prices (oday after some gains had been scored as a result of severe low temperatures and owing to a dearth of peace at a. The market closed steady at the same as Saturday's finish to a shade lower, with March 41.37 and May 81.24%. The outcome in dats was also virtually un-changed, but for provisions varied from Sc decline to a rise of 7c. Although Arctic conditions in Illinois and eastward greatly hindered delivery of corn. conditions elsewhere, especially in Missouri and Iowa, were fairly good. As a conse-quence, primary receipts taken as a whole exceeded to a material extent the corre-sponding total of a year ago. Before this fact was known, however, bulls had an ad-vantage, as receipts here ware disappointhave filed objections to the adjournment of the February term of the discalves, 35.00@16.00. Coal Shortage and Burning Bridge Delay Railroad Trains

Grand Island, Neb., Feb. 4.—(Spe cial.)—Trains on the Ord branch of the Union Pacific are again running-more regularly and the Burlington is also having less trouble in the north country. West of Ashton one train was snowbound during the weekfrom 8 o'clock in the evening until 11 o'clock the next morning. Several of the men on board went to a farm house nearby for breakfast. When the snow plow finally came to relieve the train the coal supply had been reduced to a single ton and a half. This

train was also delayed on account of the burning of a bridge near Palmer.
