

### LUTHERANS TO MAKE DRIVE FOR WAR WORK FUNDS

Omaha Headquarters of Western Territory in Campaign for \$750,000 for Soldiers and Sailors.

Omaha is headquarters of the western territory in the drive of the Lutheran church for \$750,000 for soldiers' and sailors' welfare work, which was decided upon at a meeting of the national Lutheran commission in Pittsburgh two weeks ago.

Rev. Luther M. Kuhns of Omaha has been appointed western director and will have charge of the drive in this territory, which comprises the states of Nebraska, South Dakota, Idaho, Colorado, Arizona, New Mexico, Oklahoma, Missouri and Kansas. The amount to be raised in Nebraska is \$19,000.

Drive Begins February 18. The campaign begins Monday, February 18, and continues one week, ending Tuesday, February 26.

The budget includes the following items: Equipment for chaplains, \$25,000; camp pastors' salaries and expenses, \$400,000; assistance to churches near camps, \$40,000; work in France, \$50,000; building of huts, \$125,000; song books and service books to be given soldiers and sailors, \$35,000; care of the wounded and emergency, \$25,000. This amount is the minimum required for 1918.

The members of the Nebraska committee and including the different Lutheran bodies in this state, with Rev. Mr. Kuhns, chairman, are represented as follows: The Augustana synod, by Rev. A. T. Lorimer, president of the home mission board of the Nebraska conference, and Rev. E. G. Chalmers, pastor of Immanuel church. Ninth and Cass streets; the general synod by Rev. Dr. Yerian, president of the Nebraska synod, and Rev. Dr. Swihart, pastor of Grace church, Omaha; the United Danish Lutheran church by Rev. I. Gertsen, vice president of that general body; Rev. M. T. Jensen, secretary of the Nebraska conference of the United Danish church, Fremont, and Rev. H. Berthelsen of the Pella Danish Lutheran church, Omaha; Rev. M. W. Halvorson, official representative of the Norwegian Lutheran church of America, Omaha; Rev. V. S. Jensen, official representative of the Danish Lutheran church in America; and Rev. Paul Buehring, president of Hebron academy, official representative of the joint synod of Ohio, Hebron, Neb.

Hold Special Services. On Sunday special services inaugurating the campaign will be held not only in the Lutheran churches of Omaha, but in the Lutheran churches throughout the United States. Already large gifts are reported in the east and the success of the campaign is assured.

Every Lutheran body in America is co-operating in this campaign. It is the biggest thing the Lutheran church has ever undertaken in this country. It has the endorsement of President Wilson, who writes: "I learn of the service planned by the Lutheran commission for soldiers' and sailors' welfare with a great deal of interest and need not assure you that it has my best wishes." Governor Neville of Nebraska says: "I assure you that it is indeed a pleasure to give my most hearty commendation to the work you are endeavoring to accomplish. I wish you every success."

### Auto Crash Results in Fines for Both Drivers

E. J. Brewer, proprietor of a garage at fourteenth and Grace streets, was fined \$7.50 and costs in police court on complaint of Billy Bullard, 700 North Fortieth street, who charged Brewer with reckless driving. Bullard's car and a car driven by Brewer collided at 2:30 Sunday morning at Eighteenth and Yates streets. Both cars were badly damaged. Bullard later identified the car Brewer was driving as the one which had been stolen from him December 13. Evidence showed that both cars were traveling at an excessive rate of speed and Judge Fitzgerald fined both Brewer and Arthur Bauer, driver of the Bullard car, \$7.50 and costs each.

### Rail Men Co-Operate to Make Farmers' Week Successful

Railroad men are co-operating with the food administration in an effort to make "Farmers' Repair Week" a success. They are sending word to all their Nebraska agents to get in touch with the farmers in their respective localities and urge them to devote the days of the week named to looking over their farm machinery and see that it is put in good condition for the work of the coming season. The food administration has designated the week, March 4-9, as a period when the farmers of the United States should overhaul their farm machinery and put it in perfect condition for use.

### Ice in Prime Condition for Skating; Rinks Crowded

The recent thaw, followed by freezing weather, has resulted in putting the ice in prime condition for skating. The ice on the lake in Miller park is as smooth and clean as a sheet of glass, and the same is true of Carter and most of the lakes within the city limits. Boys and girls are taking advantage of the improved condition of the ice fields and they are covered with skaters.

### Federal Officers Raid House and Find Morphine

Federal officers made a raid on a house at 1517 North Twenty-first street and arrested Marie Jeffries, colored, and Juanita Wilson, who says she is half Indian. They are charged with selling morphine. Officers say they captured plenty of evidence.

### Drop Charges Against Girl Who Threw Coffee on Rival

Charges of assault and battery, preferred against Mrs. Lena Turpin Alfreds, 2815 Dewey avenue, when she threw a pot of boiling coffee on Agatha Zimmerman at a dance on January 25, were dismissed in police court Friday for want of prosecution.

### STEEPLE JACK TRIES TO CLIMB EIFFEL TOWER

RALPH E. MONSON

Ralph E. Monson of York, Neb., famous throughout the United States for his daring as a steeple jack, recently received his commission in the United States flying corps. Mr. Monson boasted to a friend that if he passed the examination for the flying corps he would climb the Eiffel tower in Paris as soon as he arrived there. Arriving in Paris, he immediately set about to fulfill his boast and was quite a way up the tower when he was promptly stopped by the excited gendarmes and sentinels, who thought he had taken leave of his senses.

### Snow Fall Ceases and Wind Dies Down; Goodby Blizzard

The blizzard was short lived, according to morning weather reports to the railroads. Out in the state the snow ceased falling early Thursday night and the wind died down. Railroad reports indicate temperatures of 20 degrees above in the southwestern portion of Nebraska to 6 below in the northwest, Chadron being the coldest.

In South Dakota it is frigid, Winter reporting 12 degrees below, with 6 to 8 degrees below all through the Black Hills country.

Out in Wyoming it is warmer, reports indicating temperatures of 16 to 32 degrees above zero.

Railroad men estimate the snowfall over Nebraska during the last two days at four to six inches. There was enough rainfall with it to hold it in place and for this reason there was not enough drifting to interfere with the operation of trains.

### Chamber of Commerce Seeks Membership Total of 2,500

The Omaha Chamber of Commerce wants 2,500 members. It now has 2,150. A campaign to increase the membership to the desired mark will start February 25. J. T. Dysart is chairman of the membership committee. More than 100 members have volunteered to work in teams to hustle in the new members. A list of 1,500 prospects has been compiled and the hustling teams will solicit each of these.

The chamber has found that other cities have larger memberships in proportion to population than Omaha, and the local organization has determined it shall lag no longer.

### Alien Enemies Will Have to Call for Registration Cards

Alien enemies will have to call in person at the council chamber in the city hall to receive their registration cards. The cards will be ready February 20 and may be obtained from that time until February 28. All registrants must appear at this time and obtain their cards, as the office will be closed after that time. The office will be open from 11 a. m. to 8 p. m. No cards will be delivered before February 20 and under no circumstance will cards be mailed to registrants.

### Elmer Beddeo Returns From Buying Trip in East

Elmer Beddeo of the Beddeo Clothing company returned Thursday from a three weeks' buying trip in New York and other markets. Mr. Beddeo placed large orders for new spring apparel for his credit clothing store and will have a more comprehensive stock this year than in any previous season.

### Rev. Luther Kuhns to Speak at Iowa Patriotic Meeting

Rev. Luther M. Kuhns, director of the western territory in the national drive of the Lutheran church for \$750,000 for work among soldiers and sailors, will go to Stanford, Ia., where he will deliver the principal address at a big patriotic meeting in the Lutheran church Sunday night.

### Six-Hour Sentence for Failure to Register

Georgé Leonard of Grand Island was sentenced to six hours in jail by Federal Judge Woodrough on the charge of failing to register. He showed that, according to his mother's statement of his birth, he was a year younger than he actually was and therefore thought himself under draft age.

### Muny Guards Attend School of Instruction

More than 30 members of the Muny Guards are attending officers' school in the city hall each night in an endeavor to obtain commissions in the muny army, which will mobilize during the summer. Captain Richard Wood of the high school cadets is instructor.

### Audubon Society to Hold Annual Meeting Saturday

Members of the Audubon society will meet at the public library Saturday night for the annual election of officers. Miles Greenleaf will describe some new birds he has found in his wanderings. Dr. Solon R. Towne, president of the Audubons, will preside.

Friday, February 15, 1918.
