SOCIETY

By MELLIFICIA—Feb. 22.

"The Day We Celebrate."
Hatches and cherries, powdered
hair and patches, will hold sway to-
day at all the affairs given by differ-
ent societies and clubs in the city.

A George Washington party was
given by the members of the Central
Congregational church Thursday eve-
ning. A number of the young girls
looked particularly charming in their
Martha Washington costumes. Miss
Hazel Updike's gown was of pale
green silk made with the pannels on
the hips and a wide bertia around
the shoulders. With her hair pow-
dered and a coquettish little patch on
one cheek Miss Updike was as pretty
a Martha Washington as one could
wish for. Miss Elizabeth Mitchell
was dressed in a gown of long ago.
A tight basque of black satin trimmed
in jet with a full skirt of bright blue
transformed the 1918 miss into a
revolutionary war maid.

Flags and streamers of red, white
and blue will decorate the Scottish
Rite cathedral this evening when the
Scottish Rite women of Omaha will
give a dancing party and reception.
Sojourning members at Fort Crook
and Fort Omaha have been invited
so that the affair will take on a very
military air.

There seems to be a new signifi-
cance in the birthday of the father
of our country this year, for the
patriots of '76 seem to stretch their
shadowy hands across the years to
the young patriots of the twentieth
century in a silent benediction in these
turbulent times.

Announcement Party.
Miss Margaret Lewis will entertain
at her home this evening in honor of
Miss Gertrude Casey, formerly of
Omaha, now living at Atlantic, Ia.
The affair will be an announcement
party, as the engagement of Miss Casey
to Mr. H. Boyd Holmes of Vivian,

S. D., will be announced this even-
ing. The wedding will not take place
until after the war.

Engagements Announced.
Mr. and Mrs. H. E. Ostrom en-
tertained Tuesday evening at their
home in honor of their son, Robert,
who is now in the signal service at
Fort Omaha but expects to be trans-
ferred to some other point soon.

The occasion was one of double
significance, as the engagements of
both their son, Robert, to Miss Helen
Knecht of this city, and that of their
daughter, Lois, to Mr. H. H. Kane of
Omaha, were announced. Those pres-
ent were Misses Helen Knecht, Lois
Ostrom, Louise Wegner, Marie Woid-
does, Terris Singer, Miss Cook, Lola
Marsh, Margaret Ericson, Jennie
Christensen, Augusta Koeppe, Ella
Cassel, Amelia Probst, Marie Ring,
Beatrice Swanson, Messrs. Robert
Ostrom, Herman Kane, Thomas Ev-
ans, Joseph Spillane, George Saafeld,
J. Cook, O. Anderson, Harry Unitt,
Paul Carlson and Mr. and Mrs. John
Brennan.

Shower for Bride-to-Be.
The Benson senior class of the high
school gave a kitchen shower Thurs-
day evening at the home of Miss
Edith Calvert in honor of Miss Lella
Hilligas, a member of the class, whose
wedding takes place next month. The
color scheme in decorating was red
and white. With the luncheon served
each guest received a piece of cake,
some containing "prospective" arti-
cles. Miss Hester Hilligas drew the
ring. The guests were Misses Meta
Brewster, Nellie Timperly, Edith
Chantry, Elizabeth Snow, Eva
Phelan, Sophia Voss, Edith Calvert,
Della and Hester Hilligas, Mary Mc-
Namara; Messrs. Charles Barnum,
Manley Jacobson, Elden Benson, Earl
Young and Richard Haver.

Birthday Dinner.
Mr. and Mrs. Ralph Towl will give
a family dinner tonight in honor of

Celebrated Golden Wedding

Mr. and Mrs. William Hughes

An interesting event of the week
was the golden wedding celebration
of Mr. and Mrs. William Hughes,
which took place at their home Sun-

day. Many friends called during the
afternoon to extend their good wishes
to the couple, who are well known
in Omaha, having made their home
here for the last thirty years.

Mr. and Mrs. E. B. Towl, the occa-
sion being Mrs. E. B. Towl's birth-
day. The elder Towls have returned
from a year's absence in southern
Kansas and are contemplating an-
other trip to Mexico or California.

Captain Grant Transferred.
Captain Bruce Grant, son of Colonel
and Mrs. F. A. Grant of this city, has
recently returned from Manila, P. I.,
as he has been transferred from that
point to San Diego, Cal. Captain
Grant is in the quartermaster's de-
partment.

De Pauw Alumni Election.
Mrs. Charles H. Wright was re-
elected president of the De Pauw
Alumni club at the annual meeting
held at the Blackstone Friday eve-
ning. Mr. Joseph Crow is the vice
president; Miss Mary Failing, sec-
retary, and Miss Minnie Pratt, treas-
urer.

Winter Dancing Club.
Pictures of the men in the treat-
ure who are members of the Winter Dan-
cing club will be displayed at the clos-
ing party to be given March 2 at Hart
hall. Unusual and novel features are
being planned for the dance.

Dancing Party.
Mr. and Mrs. A. J. Stuben will en-
tertain at a dancing party at their
home Saturday evening in honor of
Miss Josephine Stuben and Mr. Clif-
ford Stuben. Red, white and blue will
form the color scheme for the decor-
ations and a buffet supper will be
served. About 45 of the younger set
will attend the affair.

Entertains Bridge Club.
Miss Freda Lang will entertain the
members of the Saturday Bridge club
at her home Saturday afternoon.
Three tables will be placed for the
game.

For the Future.
Mrs. Moshier Colpetzer will enter-
tain the members of the Original
Cooking club at her home on Thurs-
day.

The Flowered Bag
One thousand cretonne bags were
made by women in North Carolina
and presented to the soldiers at the
base hospital at Camp Nathaniel
Green. These are intended to be hung
on the beds and used for the personal
belongings of the soldiers.

Five French War Orphans Will Be Adopted By the Central High—Money Came From Pupils

Five French war orphans will be
adopted by the Central High school
with the money contributed by the
pupils at the close of Prof. Fling's
appeal yesterday to the pupils of the
school. In addition to the \$81.50
given by the pupils, half of the cadet
regiment's Liberty bond was turned
over to be used to provide for an
orphan for a year, and Miss Caro-
line E. Stringer, head of the natural
science department, promised to sup-
port an orphan for a year.

Prof. Fling, who was brought to
Omaha by the Commissioned Offi-
cers' club, spoke on "The Road to
France."

"The road that led to France a
hundred years ago leads back," said
Prof. Fling. "When we were strugg-
ling under George Washington to
achieve independence, that road led
Lafayette over here."

Four Orphans Last Year.
Four orphans were cared for last
year with funds given at the close of

a lecture to the pupils by Dr. Fling.
The Junior Red Cross subscriptions
taken Wednesday and Thursday
"went over the top" with \$455. The
Senior Red Cross memberships taken
recently by members of the school
totaled \$910. About \$600 has been
given through other sources such as
boxes, concerts, and sales of waste
paper. On the basis of the Junior
Red Cross, 25 cents for each pupil,
the total of \$2,130 given for war
work makes the school 473 per cent
perfect.

The remaining \$50 of the \$100 Lib-
erty bond bought by the cadet regi-
ment was donated to the Junior Red
Cross.

Informal Reception.
Following the lecture, an informal
reception was held for Prof. Fling
in the east hall to enable the pupils
to become acquainted with him. Two
huge American flags were stretched
across the entrance. The huge serv-
ice flag was displayed on the plat-
form during the talk.

Former Omaha Woman

Practical patriotism is the aim of
the food production department of
the woman's committee of the Ne-
braska State Council for Defense, as
conducted by Mrs. Fred M. Dewese
of Hilaire farm, Dawson. Mrs. De-
wese, who is herself a farm woman
and producer, has found that the
patriotic response of producers to last
year's requests to utilize all space and
"produce and can all you can" caused
a great deal of waste, which she
hopes may be avoided this year.

"Our aim in food production is
to stimulate the production of all
food that can possibly be utilized,"
said Mrs. Dewese. "We do not urge
indiscriminate production of perish-
ables or such articles as are not pur-
chable on the general market until
there is a solution in sight of some
of the present problems of labor,
market and transportation. As soon
as there is a definite prospect of so-
lution of any of these difficulties we
will enlarge the program.

Recommendations.
"We wish to urge far more than
the former usual consumption of gar-
den produce, honey, poultry and
cheese. Our recommendations are
for the greatest possible consumption
of these, substituting them to the
fullest extent for meat, cane sugar
and other articles which are best
adapted to be shipped abroad."

The following program of produc-
tion is announced by Mrs. Dewese,
endorsed by G. W. Wattles, state
food administrator; Prof. C. W.
Pugsley, head of the extension depart-
ment of the state university, and
George Coupland, chairman of the
Council for Defense:

All families produce to their full
ability such food as is purchasable on
the general market. This includes
general crops and stock, poultry,

Mrs. Fred M. Dewese

some of dairy products, honey and
some garden products such as dried
beans, etc.

Get Together.
"Get-together" meetings should be
held in every locality to urge in-
creased production, investigate local
labor and market conditions and fur-
ther definite arrangements between
producers and consumers.

Mrs. Dewese is the daughter of
Dr. S. R. Towne of Omaha and was
before her marriage head of the
physical training department of the
University of Nebraska.

is an ideal remedy for consti-
pation. It is a combination of
simple laxative herbs with pepsin that

Miss Nellie G. Calvia has resigned as
state superintendent of surgical dressings,
owing to poor health. Mrs. J. O. Goodwin,
acting superintendent during Miss Calvia's
absence of two months in the east, has been
appointed to take her place. Miss Calvia

sistant superintendent, with headquarters in

temple has been given over to her in-
struction classes.

Nebraska's total Red Cross membership
is now 43,281, according to figures issued
today by Frank W. Judson, state director.
This represents 37 per cent of the total pop-
ulation of the state and ranks this state as
first in the union in percentage standing.
Twenty-two per cent is the average in other
states.

Salem, Easton and Shickley schools are

"We pledge our service to the Junior Red

Another Triumph For the Woman Farmer

"Once again," says Woman's
Century, "the adaptability and skill
of women have confounded the critics
—those incredulous critics, the farm-
ers. They admit that in the recent
efficiency tests at Maidstone (Eng-
land) a very high standard has been
reached. In the milking competition
more than one-fourth gained over 90
marks. Two women thatchers, who
had only been at the work for five
weeks, secured the highest possible
rating. The competitions were ar-
ranged by the Kent women's agricul-
tural committee. Mrs. F. Heron-Max-
well, chairman of the organizing com-
mittee, said there were 9,000 women
registered as land workers in Kent,
also 300,400 members of the "women's
land army."

department of work. The girls visited the
state inspection warehouse today.

Mrs. Howard Baldrige announces the
following chairmen for each day in the
week at the warehouse, each woman to en-
list a large number of workers for the day:
Mrs. T. L. Davis, Mr. John L. Kennedy, Mrs.
John T. Yates, Mrs. Y. B. Reynolds, Mrs.
Harry Doerly and Mrs. B. B. Davis.

Mrs. Clement Chase, field agent, spoke in
Kearyne Thursday to normal school stu-
dents, the Commercial club and school-
children. She is in Lexington today and
Saturday will speak in North Platte, urg-
ing greater activity in the women's service.

Mrs. C. M. Withelm leaves tonight for
Chicago on business in connection with Red
Cross civilian relief.
