Testimony already heard at the stockyards wage case showed that the present average pay received by unskilled laborers is \$800 a year.

SENATE KILLS

U. S. RAILWAY

(By Associated Press.) Washington, Feb. 22.-Champion in the senate for an indefinite federal control of the railroads after the war. An amendment to the administration railroad bill, offered by Senator Johnson of South Dakota, providing that government control should continue until congress otherwise ordered, was defeated, 61 to 10.

Determined contests over disputed sections upset plans for passing the bill today in both houses of congress, but the senate disposed of all important amendment and will reach a final vote tomorrow. Discussion continued in the house where, under an agreement to close general debate at 6 o'clock tomorrow night the leaders expect to pass the measure early next week.

LIMIT SENATE DEBATE.

Senate debate was limited after 2 o'clock to 10 minutes and tomorrow it proceeds under a five-minute rule. The first test of strength upon the efforts of the so-called radicals to amend the compromise draft brought out by the senate interstate commerce committee, came on an amendment by Senator Cummins of Iowa, designed to reduce by about \$173,000,000 compensation to be paid the railroads. It was beaten, 52 to 23. In effect Senator Cumn.ins proposed that government compensation to the railroads should cover only normal dividends paid during the last three years, and that earnings above dividends should be retained.

The 10 senators supporting the proposal to reinsert the original administration provision for indefinite government operation were:

Norris for Unlimited Control. Democrats: Ashurst, Johnson, South Dakota; Kirby and Phelan; republicans: Gronna, Johnson, California; Jones, Washington; Kenyon, Norris and Poindexter. The vote was accepted as decisive. Senator Johnson of California, who

led advocates of government owner-ship, said tonight that he did not expect to renew his effort. Senators supporting the Cummins amendment were:

Democrats: Ashurst, Gore, Hard-wick, Henderson, Hitchcock, Hollis, Johnson, South Dakota; Kendrick, SIX FOR THEFTS Johnson, South Dakota; Kendrick, King, Kirby, Thomas, Trammell and Vardaman.

Republicans: Cummins, Gronna, Employes of Stock Yards Are Johnson, California; Jones, Washing-Held for Alleged Connection ton; Kenyon, McNary, Sutherland and Townsend. An amendment by Senator Robbins of Arkansas to eliminate a provision

granting carriers an additional allowance, aggregating about \$6,500,000 Six employes of the Union Stock annually for money spent on improvements last year, was adopted, 44 On a viva voce vote, the senate rejected Senator Cummins' amendment

investigation in connection with the to place government control after the alleged theft of hogs from the stock war in a board of five men. Mr. Cummins said he would seek a record vote on the proposal tomorrow. An amendment offered by Senator

Frelinghuysen of New Jersey and adopted, provides that the new law shall not interfere with states' taxation of railroads. In the final contest tomorrow in

the senate the provision allowing the president to initiate rates, subject to the approval of the Interstate Commerce commission, is expected to be the principal controversy. Late today Senator Poindexter introduced an amendment providing that the commission's authority shall not be interfered with except that the president, if necessary, may supercede the commission's orders.
