dance will take on a very military aspect.

Captain Taylor Belcher, the organizer of the club, was among the first to join the colors, having gone to the first training camp at Plattsburg. It is whispered that Captain Belcher will exchange his two bars for a major's star very soon.

The others who have commissions are Lieutenant Will Noble, Lieutenant William E. Petersen, Lieutenant Walter S. Byrne, Lieutenant H. R. Hammond, jr., and Lieutenant Hird Stryker. Those who have enlisted and are in training are Karl Hopkins and Howard Dunham at the Great Lakes naval training station; T. K. McFayden, at Mare Island navy yard; George Flack and Herbert Smalls, in aviation at the Atlanta nonflying school; A. L. Laurance, at Camp Funston, in the national army; A. A. Abrahamson, at Camp Taylor with the ambulance company, and Joseph B. Johnson, in the third training camp at Funston. Grant McFayden has been accepted as sergeant in the base hospital No. 49, and Walter Hoye has applied and passed the examination for the balloon school.

Echoes from "Military Life."
While we are chatting about military things we must not forget "The Day of Military Life," which was such a great success. The officers and men alike are very much pleased over the affair and also about Omaha and Omahans.

"The spirit manifested by civilians is really astonishing to us military men," said one of the officers. "The manner in which the Omaha people simply leaped to help us made a most profound impression upon all the soldiers." Mr. M. C. Peters, whom the Fort Crook boys call their "god-father," threw himself so wholeheartedly into helping to make the carnival a success that he has won the everlasting gratitude of all men. The women of the Service league and Rev. T. J. Mackay are especially mentioned in the note of thanks.

McAllister-Bernard Wedding
A very pretty home wedding took place Thursday evening when Miss Mary Eugene Bernard, daughter of Mr. and Mrs. H. C. Bernard of East St. Louis, Ill., became the bride of Eugene D. McAllister. The ceremony took place at the home of the bride's aunt, Mrs. H. M. Hundley of this city. Rev. E. H. Jenks read the marriage lines.

American Beauty roses were used in profusion in the living room, while pink roses formed the decoration for the dining room.

The bride was charming in her white crepe gown made on simple lines. A shower bouquet of bride's roses was carried.

The bride's sister, Miss Elizabeth Bernard, was her only attendant. She was also in white, her gown being of white net, the pinks and blues of her bouquet of sweet peas giving a touch of color to the costume.

Following the ceremony a wedding supper was served for the members of the family who were the only guests at the wedding.

After a wedding trip the young couple will be at home at the Fairview apartments.

The rooms were decorated with red, white and blue streamers, and violets, yellow daffodils and white hyacinth, the fraternal colors, were used to adorn the tables.

The members and guests participated in singing "America" at the beginning of the games. Then followed a series of progressive games, the winners of which were given balloons of patriotic colors. "Bunco," a new game among the students, was the favorite of the evening.

Punch and fruit salad were served by the pledges of the fraternity. Mr. and Mrs. Campen, Mrs. W. H. Goodwin and Dean and Mrs. P. R. Stevenson were chaperones. Others present were:

The Reliable Family Remedy

PERUNA. Every woman should have at hand a reliable means of checking colds, coughs and grip. It is her duty to protect the members of the family, to prevent the development of catarrh, to overcome its frequent appearance, and to use a reliable family tonic whenever the appetite is irregular and the digestion weak. There are many thousand housewives in this country who have learned from experience the value of the old reliable Peruna in such cases. Many of them tell their experiences for your benefit.

For all Catarrhal Indications take Peruna.

Mrs. Wm. Hohmann, 2764 Lincoln Ave., Chicago, Ill., writes:

"I suffered with catarrh of bronchial tubes and had a terrible cough ever since a child.

"I would sit up in bed with pillows propped up behind me, but still the cough would not let me sleep.

"So reading the papers about Peruna I decided to try, without the least bit of hope that it would do me any good. But after taking three bottles I noticed a change. My appetite got better, so I kept on, never discouraged. Finally I seemed not to cough so much and the pains in my chest got better and I could rest at night.

"I am well now and cured of a chronic cough and sore throat. I cannot tell you how grateful I am, and I cannot thank Peruna enough.

TESTED FOR 44 YEARS

Mrs. Elin Malmgren, 133 Frederick St., West Manchester, N. H., writes:

"Every spring and fall for eleven years, I have been troubled with catarrh in my throat and nose and hoarseness, and I am very pleased to state that at last I found a medicine, Peruna, from which I received great benefit, and I will hereafter use and recommend it. I always keep it in my house in case of sickness. I recommend your medicine to all my friends and every sufferer, as an excellent medicine for colds and for building up strength.

We have many Swedish friends in Boston who use Peruna and think a great deal of it. If all the Swedish people in this country could know what an excellent family medicine your Peruna is I am sure they would keep it in the home."

Peruna may be obtained in tablet form for your convenience. Carry a box with you.
