Riverton-Wyoming Refining Co.

We want the public to watch the progress of Riverton-Wyoming Refining. It has been astonishing up to this time and it is going to be more so hereafter.

The refinery materials are now beginning to arrive on the ground at Riverton and will keep on moving up there until the whole plant of

3,000 Barrels Capacity

war listed is being assembled ready for the after golden, wealth-producing "juice" to flow through it. ntary

The contracts recently made for war the drilling of ten wells in the Plunffices kett Field and on other holdings of ldier the company and for oil from another producing company, and the bringing in of other wells in the Pilot Butte and Maverick Spring Domes; also the large amount of development work notor in the various domes near Riverton, mon- all these assure in greater measure r in- the success and ultimate triumph of oying this great project.

We have tried to make it very plain that stock of Riverton-Wyoming Refining secures to the stockholder his pro rata interest in all branches of the wonderful oil business, intried cluding

Oil Royalties

To these are added the tank cars and the large holdings of lands that are growing more and more valuable. These elements of certainty and the fact that every stockholder can count on the earnings from all of these departments of the business, make this stock more attractive than almost any other that is now available to the public.

The present allotment of stock is offered at

One Dollar a Share

The books will remain open on this allotment for about another two or three weeks, after which it is doubtful if any more of this stock can be had under \$1.50 a share. We believe it will go to \$2.50 by the time the Refinery is in operation and to \$10.00 by January, 1919. Orders should be hurried to us promptly if it is to be had before the next advance or the withdrawal of this fine invest-

ment security. Further information on request, but we urge very prompt action to assure getting the stock at \$1.00. Make all remittances to
