YOUR OWN RAILROAD

The man who owns a *Bethlehem Truck* is president of a perfectly equipped freight and express system. One which is not subject to traffic delays, embargoes, or lost-freight cars.

Transportation has become a problem that we have all got to help solve.

"*Bethlehem*" Trucks are proving of great value to farmers and merchants as

they "deliver the goods" on time and at a small expense. Every progressive farmer and merchant needs a "*Bethlehem*." Better buy now so you will have the truck when you need it.
