Hogs—Another heavy run of hogs was en hand this morning and shippers commenced business early, buying a few loads at prices that were for the most part 15c lower than the best time resterday. The best price paid was \$17.15, 15c lower than the top figure yesterday, while the bulk of the offerings moved at \$16.90 @17.10. Only a small bunch of the hogs had been sold well after midforencon. # Get Your Cadillac NOW--You Will Save Our Profit

More than \$85,000 worth of Cadillac automobiles-including the very latest models and styles—going to users in this district at just what they have cost us.

Don't let this opportunity slip by. Come tomorrow; select the car you want before it's too late.

In order to devote our time exclusively to the Peerless Eight motor car, which we now handle in this territory, we wish to dispose quickly of our large stock of Cadillacs. Therefore every Cadillac we have has been put on sale at a sacrifice of our entire profit

This means that by purchasing a Cadillac from us NOW you can save from \$200 to \$350, depending upon the style you choose!

No such opportunity in the automobile line has ever been offered before in Omaha, and it would be almost a miracle if another like it should come

The Cadillac motor car needs no introduction. It has repeatedly proven itself one of the best cars built. Its very name is a guarantee of quality.

We are selling at greatly reduced prices the famous Style 57-1918 models. We have touring cars, phaetons, victorias, brougham and roadsters. Nine carloads of these 1918 models arrived from the factory only a short time ago. In addition, we have a number of slightly used cars, most of them practically as good as new.

Every one of these Cadillacs, brand new or slightly used, go at cost to us.

We also have a large stock of Cadillac parts. The same reduction is being made on these parts.

You undoubtedly want a Cadillac. Now is your chance to get it at a price you would pay for a much cheaper and inferior car! Come and see these Cadillacs. They're an "Auto Show" in themselves. Order the one you want before your neighbor gets it.
