

### POLITICS BUZZ AS RIVAL CAMPS SEND OUT DEF.

#### Dahlmanites Say Jacksonian Club is Real Sponsor of "Citizens Patriotic" Banquet Saturday Night.

It is generally understood among politicians that one of the features of the "citizens patriotic" banquet to be held Saturday night at the Paxton Hotel will be the projection of the candidacy of Ed P. Smith for city commissioner.

The event will be in charge of men of all political affiliations, but the Dahlmanites charge that the Jacksonian club is the real sponsor of the "meeting." This brings up in a way a long-standing rivalry between the Jims and the Jacks, whose estrangement dates back some years and who have engaged in bitter political contests.

In view of the fact that Thomas B. Murray and H. L. Mossman are interested in the sale of tickets for this banquet, the Jims allege that there is no frantic desire on the part of the Jacks to have the Jims attend their party.

#### Jacks Feel "Cut Up."

"Never mind, we will have a party of our own before April 9 and then the Jacks can look in through the window and watch us eat," stated one of the leaders of the Jims. At the last state democratic convention the Jacks and the Jims had a scrimmage which started in Omaha over sending delegates to the convention and the matter was adjudicated beneath the shade of trees outside of the convention hall by a committee appointed from the convention. The Jacks lost and they felt "all cut up" over that affair. The Jims have since contended that there are only 13 members left in the ranks of the Jacks, a statistical statement which is challenged by the Jacks.

In connection with the "coming out" of Ed P. Smith it is remembered that he came out for mayor 12 years ago, but withdrew before the ballots were printed. It is now understood that Mr. Smith may be groomed to lead a combination with the understanding that he will be mayor if his crowd should win.

Henry W. Dunn, chief of police, continues to be mentioned in connection with the city commission. Superintendent Kugel of the police department states he has received no word from Mr. Dunn regarding his prospective resignation as chief of police, but friends of the chief aver that he is seriously considering making the race and in all probability will resign within the next few weeks.

#### Druesedow to Run.

"Bob" Druesedow, former state legislator, has confided the information that he is thinking of getting into the city commission race. "It's the fun of making the race rather than getting the office itself, that appeals to me. I like meeting men in a political campaign," said Mr. Druesedow.

"Mickey" Mullen, whose address is recorded with the election commissioner as Midland hotel, has told his friends that he filed because he wants a "vindication." Just what vindication he seeks is not exactly explained.

The name of H. B. Zimman is looming up again politically. He made an almost winning fight three years ago, but declares he was the victim of political misfortune. He believes that conditions are more propitious this time.

#### Orkin Goes East to Buy New Stock for New Store

J. L. Orkin left Wednesday for the eastern markets where he will buy a complete new stock of ladies' wearing apparel for the new Orkin Bros. store, which will be ready in a short time.

"We wish to apologize to our customers for the delay in opening our new store," said Mr. Orkin before departure, "but owing to building materials and various reasons the building has been considerably delayed. This has been a great disappointment to us as the stock for the new store was purchased for February deliveries and has been arriving daily. And rather than to hold this merchandise for the opening of our new store we are selling it at our present location for much less than regular prices, so we will be able to go into our new store with new apparel right from the markets."

#### Slate Food Body Will Investigate Sugar Profits

The cost of producing sugar beets, the cost of manufacturing them into sugar, the profit to the farmer and the profit to the sugar refiner, are all to be investigated in Nebraska by a committee to report definite facts to Administrator Wattles.

Mr. Wattles has received authority from Washington to appoint such a committee to report definite facts as to cost of operation, and what would constitute a fair price of sugar to insure reasonable profits, and, at the same time, bring about the encouragement of the industry.

#### Funeral Services for Jake Klein to Be Held Friday

Funeral services for Jake Klein, 52 years old, who died Monday in Hot Springs, Ark., following an attack of pneumonia, will be held at the home, 137 South Thirty-fifth street, at 2 p. m. Friday. Rabbi Frederick Cohn will officiate.

Mr. Klein was a resident of Omaha for 31 years. He is survived by his widow, three sons, one daughter and four brothers. The sons are Harold, Benedict and Jay. Mrs. Simon Burger is the daughter. Dave, Isaac, Sol and Meyer are brothers.

#### Human Wardrobe Trunk is Held for Trial by Uncle Sam

Stephen Shindskin gave \$500 bond for his appearance in federal court to answer the charge of violating the Reed amendment. He was fined \$200 in the state court. Shindskin had 20 pints of liquor distributed over his person on hooks attached inside his clothing. Hooks were inside his coat and pants and attached to his vest when he was arrested. George Codrig also gave \$500 bond to answer the same charge.

#### Lione is Charged With Two Holdups Same Night

John Lione, Reno hotel, was arraigned in police court Thursday morning on two charges of robbery, both alleged to have been perpetrated Wednesday night. Walter Peterson testified that a young man who resembled Lione held him up at Seventeenth

and California streets and took his watch and \$34. Clarence Anderson, 424 Park avenue, identified Lione as one of the men who robbed him of his watch and check book at Twenty-seventh and Farnam streets. Anderson's watch was found on Lione. Lione testified he bought the watch of a stranger in a pool hall. The cases were continued.

#### Judge Waxes Humorous as He Sings 100 and Costs

W. H. Parish, Wahoo, and Edwin Pearson, Colin, were arrested Thursday morning at the Union station by the morals squad, charged with illegal possession and transportation of booze from St. Joseph. Arraigned in police court Judge Fitzgerald was

confused as to their names. "Are you Parish?" he asked one of the men. "I should say not, I'm Swedish," was the indignant reply. "H'm, you thought I said Irish, didn't you. \$100 and costs," retorted "his honor." Pearson was fined a like amount.

#### Government May Take Over All Wool Required by Army

Boston, Feb. 28.—The Boston Wool Trade association was advised today by George W. Goethals, acting quartermaster general, that the government had decided to exercise an option granted it by applicants for wool import licenses under which it was

permitted to take over such wool as might be required. Under this agreement, General Goethals said, arrangements would be made for acquiring certain grades suitable either for worsteds or woollens or both.
