

Nebraska ATTORNEY FEES ARE ALLOWED IN BIG BANK CASE

After Twenty Years Litigation, Court Designates Amount Due Attorneys in Capital Na- tional Bank Case.

Seward, Neb., March 4.—(Special Telegram.)—At the afternoon session of the district court here today, Judge Good decided the Capital National bank case, that for 20 years has been in the courts. This decision involved the fees.

Attorney J. J. Thomas was one of the attorneys and was to receive \$33,000; L. C. Burr, of Lincoln, and R. S. Norval, of Seward, put in claims for attorneys fees. Mrs. George Lowley, widow of the late attorney Lowley, also filed a claim.

Judge Good allowed \$8,000 to Norval Bros.; \$8,000 to Burr; \$18,000 to Judge Thomas and \$1,200 to Mrs. George Lowley.

Attorneys Norval had assigned whatever fee they received to the Red Cross, and local Young Men's Christian association, if they would employ a lawyer to look after the case.

Captain Trimble Attends Funeral of His Brother

Lincoln, Neb., March 4.—(Special.)—Captain A. M. Trimble, assistant adjutant general of the Grand Army of the Republic left this afternoon for Princeton, Ill., where the funeral services of his brother, Harvey M. Trimble, past commander-in-chief of the Grand Army of the Republic will be held.

Mr. Trimble died last winter about the time of the big snow storms which tied up traffic and relatives were not able to reach Princeton for the funeral, so they were postponed until a later date.

Supreme Court Rules That Property Assessed at 100 Per Cent Valuation Must Pay Full Amount.

(From a Staff Correspondent.)
Lincoln, March 4.—(Special.)—According to a decision of the supreme court, the yearly "disturbance" between the state board of equalization and the railroad companies, will, to a certain extent, be eliminated. Each year the companies appear before the board and present a mass of figures tending to show that they are assessed too high in comparison to farm values and, as a general thing, their figures fall upon deaf ears.

The case before the state supreme court was one involving the Lincoln Telephone company which owns a number of plants in Johnson county. For the year 1915 the company returned the actual value of the property in the county for taxation purposes, the value being placed at \$173,000. Later it asked that the property be assessed at 75 per cent of that sum, holding that it was the custom of the assessors to assess all other property in the county at 75 per cent of its value. The board declined to look at it that way and the company appealed to the supreme court.

The court holds that there is no redress for the company in the way they ask and that the only thing they can do is to ask to have all other property assessed at full 100 per cent value. The law covering the matter is interpreted by the court as follows:

"Under a mandatory, unambiguous statute making the actual value the standard, for the purpose of taxation an owner of taxable property cannot require a board of equalization to value it at 75 per cent of its real value on the plea that tax officers generally conform to a custom to make such reduction."

Two Are Convicted for Violating Liquor Law

Grand Island, Neb., March 4.—(Special.)—The first "second offense" case of violation of the prohibition law has been prosecuted, and the county attorney and police and sheriff's offices still have 100 per cent of conviction. George Guenther, a sporting goods dealer, and Ted Niess, a cigar manufacturer, were arrested, the former for being intoxicated and the latter for having liquor in his possession.

Guenther's was the second offense and, though he is a business man, he was given a 45 days jail sentence. After he was found guilty and the sentence had been imposed he was given three hours in which to arrange his business affairs with his assistant, a brother.

The directors of the General hospital recently requested the resignation of Miss Lilley, superintendent. When the same took effect, all but one or two of the nurses walked out. A competent nurse from Providence, R. I., is in charge, and, after a few days for a thorough renovation, a full complement will again be engaged.

Knights of Columbus Partake of Big Banquet

North Platte, Neb., March 4.—(Special Telegram.)—The largest banquet ever held in this city was given last evening by the local Knights of Columbus, at the Lloyd opera house, in honor of 113 candidates who were taken into the order during the afternoon.

James T. Keefe acted as toastmaster, and talks were made by State Deputy Cochran, George F. Corcoran, Bishop James Duffy, of Grand Island; John E. Keefe, of Sioux City, and W. W. Griffith, of Lincoln.

Musical selections were given by Miss Zora Trovella, Messrs. Paul Harrington and Trevelyn Doucett. Plates were laid for 335.

Elliott Trial April 22.

Lincoln, March 4.—(Special.)—A message received at the office of the attorney general announces that the trial of John Elliott, cashier of the defunct Tecumseh bank will be started April 22. Eight counts stand against Elliott.

Merchants From All Parts of State Arrive for Market Week

Merchants' Market week is here. Morning trains brought in merchants from all parts of the state. They are here to look over the stocks of goods at the wholesale houses and buy stocks for spring and summer.

Merchants' Market week activities are staged twice a year, in the spring and fall. The wholesalers of Omaha have banded themselves together and pooled their interests to furnish high-class entertainments during Merchants' Market week.

Vaudeville and musical entertainments will be staged at the Chamber of Commerce tonight. Refreshments will be served and a dance will be given. A masked ball and prize contest is arranged for Tuesday night at the Auditorium.

Wednesday night there will be a buffet dinner, a theater party at the Orpheum and a midnight dance at the Hotel Rome.

The entertainment program of the week will reach its climax Thursday night, when "Jingling Bros." circus of home talent will be put on at the Auditorium.

High School Students Raise Large Service Flag

Aurora, Neb., March 4.—(Special.)—Hanging in the auditorium of the Aurora high school is a huge service flag with 91 stars, showing the enlistment of that many graduates and former students of the schools in the great world war. By reason of the splendid volunteers, Hamilton county has thus far escaped the draft. Not a man from this county has been drafted into the national service. No other county in the state has such a record.

The Aurora schools have also completed the contributions necessary to enroll every one of the 765 pupils as a member of the Junior Red Cross. The funds came from a school concert, a primary entertainment and voluntary subscriptions by the pupils and their friends.

All but 28 of the high school pupils have either father, brother, cousin, uncle or nephew in the national service. Forty-one high school pupils are members of the Senior Red Cross, 12 are knitting and 41 are sewing for the Red Cross. Forty-nine are buying thrift stamps, 26 have war savings certificates, and 23 are owners of Liberty bonds. The classes of the high school subscribed for \$300 of Liberty bonds, and they are about all paid for by the pupils.

In the department consisting of the sixth, seventh and eighth grades, Superintendent Doremus has found 21 pupils owning Liberty bonds, three with baby bonds, 28 with savings certificates, 65 with thrift stamps and 20 with membership in the Senior Red Cross. Altogether in the high school and the grades, about \$5,000 of government securities are held.

The teachers of the schools have also been busy with war activities. They provided for comfort bags for the boys who enlisted from the school. They have also been busy with knitting and sewing and in pushing the sale of thrift stamps and bonds. Their latest activity has been the card indexing of the questionnaires from the draft registrants of the county.

Chandler Obtains Writ And Foils St. Joe Officers

Lincoln, March 4.—(Special.)—After granting a requisition for the return of Charles Chandler, charged with assault with intent to kill an old couple in St. Joseph, the man was able to obtain a release by habeas corpus proceedings and he is now in the hands of Sheriff Simmons of Lancaster county pending a hearing.

Officers who were here from St. Joseph to take Chandler back with them were compelled to return this evening without their man.

Overland Tire Company Increases Capital Stock

Lincoln, March 4.—(Special.)—The state railway commission has granted an application of the Overland Tire and Rubber company of Omaha for an issue of stock, though cutting the amount at this time from \$2,500,000 to \$1,000,000.

Attorney George Tunison represented the company, which is officered by James H. Davis, president; J. R. Blowers, vice president and general manager, and Harry Hildreth, secretary-treasurer.

Hunters Without License Are Arrested and Fined

Beatrice, Neb., March 4.—(Special.)—Len Falden and a boy named Bullis were arrested here yesterday on the charge of hunting without a license. Falden was fined \$5 and costs and the case against Bullis was continued to Monday. Albert B. Conard of Kansas City and William Salmon of Blue Springs were arrested on similar charges and fined \$1 and costs by Judge Woolsey at Wymore. The complaints were filed by Deputy Game Warden Hentzelman of Fairbury, who has been working in this section of the state the last few days.

Miss Eva Ramklu, aged 31, died last evening at the home of her mother, Mrs. Julia Ramklu, in this city. She leaves a mother and one brother.

Soldiers' Home Notes

Grand Island, Neb., March 4.—(Special.)—The funeral of Charles Jones was held this afternoon at 2 o'clock at the Home chapel. Mrs. Martha Rhodes received the news of the death of her only brother, Peter Rusk, which occurred at Charles City, Ia. She left for Elgin, Ill., where the body will be interred.

James M. Smith has gone to Florence, Neb., where he will participate in a sort of family reunion to be given at the home of his daughter in celebration of his 75th birthday, and in honor of her son, who is home on furlough from Camp Funston, Kan.

Mr. and Mrs. Charles Suttill have gone to Lexington, Neb., for a three month's stay. The remains of John Ward, whose death occurred on February 27, were taken to Des Moines, yesterday, for interment.

Mrs. Jacob Evans has gone to Blair, Neb., to reside with a daughter during the absence of the latter's husband who is in the army.

Road Building Projects In U. S. May Soon Be Started

(From a Staff Correspondent.)
Lincoln, March 4.—(Special.)—A message from James C. Wonders of the United States Department of Agriculture in charge of the work of rural road building in this district, informs State Engineer George Johnson that the 19 projects which cover the 16 districts of Nebraska are substantially in accord with the policy of the government and that the state department may go ahead with the filings as far as these districts listed are concerned.

This means that the work of road building may be started as soon as possible and that the \$1,280,000 of federal and state aid will be the foundation to build on this year. In some counties the counties are making good appropriations to help along the work.

Newly Ordained Minister Will Leave for Brazil

Des Moines, Neb., March 4.—(Special.)—Albert, oldest son of Rev. William Cholcher, was ordained as a minister Sunday morning. Neighboring pastors were present as follows: Revs. Meyer, Eggers, Schabacker, Jagels, Becker and Graedner.

The young minister was recently graduated from the St. Louis Theological college, where his father completed his studies before coming to Des Moines, and has received an appointment as a missionary to Brazil.

The funeral of Mrs. John Rodenburg, who was stricken with paralysis and died Thursday morning of last week, took place Sunday afternoon. Mr. and Mrs. Rodenburg were pioneer settlers of Thayer county and have been identified with its best interests since its organization.

Defense Board Urges Employment of County Agents

(From a Staff Correspondent.)
Lincoln, March 4.—(Special.)—Vice Chairman Coupland of the State Council of Defense is spreading seed corn propaganda as fast as possible and today issues the following covering the matter:

The State Council of Defense urges the employment of and cooperation with the county agents of the state whenever possible. At the same time the announcement is made that C. E. Gannels, state leader of county agents, has now completed the organization in 40 counties of the state. Sixteen federal districts are being arranged to handle the work in the counties which have declined to employ agents. In general the sections of the state have employed agents while in the strip down the middle there has been reluctance to employ agents. These 50 odd counties are being divided into groups which will be looked after by the agents employed by the government.

The state council urges the counties which have not yet finally made decisions to choose an agent for the county alone if that is possible. It will in practically every case mean an expenditure of less than \$1,800 a year to the county and will insure an agent who will give his entire time to the agricultural interests of that county alone.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets
That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets, while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—a headache—torpid liver and are constipated, you'll find quick, sure and easy pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

Cocoanut Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle and is very harmful. Just plain muscified cocoanut oil (which is pure and entirely greaseless) is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get muscified cocoanut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.—Advertisement.

DRINK HOT WATER BEFORE BREAKFAST

Says you really feel clean, sweet and fresh inside, and are seldom ill.

If you are accustomed to wake up with a coated tongue, foul breath or a dull, dizzy headache; or, if your meals sour and turn into gas and acids, you have a real surprise awaiting you.

Tomorrow morning, immediately upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out your stomach, liver, kidneys and thirty feet of intestines all the indigestible waste, poisons, sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal.

Those subject to sick headaches, backache, bilious attacks, constipation or any form of stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying this morning inside-bath. It is said that men and women who try this become enthusiastic and keep it up daily.

Just as hot water and soap cleanse, purify and freshen the skin, so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phosphate is an inexpensive white powder and almost tasteless.—Adv.

OLD SOLDIER IS WOUNDED 4 TIMES BUT STILL IN LINE

Goes to Reunion and Marches Three Miles in Big Parade —Gains Thirteen Pounds.

"If it had not been for that Tanlac I couldn't have gone to the Reunion at Memphis on the 8th of October and marched afoot for nearly three miles in the big parade," said Frank B. Kendrick, who lives at 4800 Charlotte Avenue, Nashville, Tenn. Mr. Kendrick is one of Nashville's oldest and best known citizens.

As a member of Company I, Second Kentucky Cavalry, Basil Duke's Regiment, General John B. Gordon's command, Mr. Kendrick saw service throughout the Civil War and was wounded four different times.

"During the winter," said Mr. Kendrick, "I suffered intensely with rheumatism, and when springtime came I went all to pieces. I had just about made up my mind that my end was not very far off. I looked like I was on the verge of a general physical decline, and I had about despaired of ever walking again. I am 70 years of age, have fought a good fight and have proven my record, and was ready to go. But since I got hold of Tanlac I have set my head to round out ninety years, and from the way I feel now I believe I will do it. Before I began taking this medicine I was rapidly losing what little strength and flesh I had, and was so weak and debilitated it was all I could do to walk from the bed to a chair, and even that required great exertion. I had no appetite at all, couldn't sleep to do any good and was awfully nervous. My flesh seemed to dry and I suffered a great deal with headache. "I doctored and doctored, but did not show any sign of improvement. I attributed my failure to get relief to my old age and declining physical powers. But I made a bad guess, because after taking Tanlac two weeks I felt better and younger than I had felt in years. I am now on my ninth bottle and am actually thirteen pounds heavier than I was before I began taking Tanlac. My clothes were too large now they are too small, and I guess I will have to buy clothes that will fit me comfortably. To make a long story short—the medicine just seemed to fill me with new life and energy and put me right on my feet. I have a fine appetite now.

"As I told you before, I can now walk anywhere and have thrown my cane aside because I don't need it any more except for bad eyesight. I spent four days in Memphis at the Reunion, and just tramped around all over town with the boys. All around were men who gave out during the parade, but at the end I was right there, and didn't feel the least bit tired. I just got back a few days ago and am awfully glad to tell you what Tanlac has done for me. If I had the money I would buy every old soldier a bottle of Tanlac, because I believe it would add years to their lives."

Tanlac is sold in Omaha by Sherman & McConnell Drug company, corner 16th and Dodge streets; Owl Drug company, 16th and Farnam streets; Harvard Pharmacy, 24th and Farnam streets; Northeast Corner 19th and Farnam streets, and West End Pharmacy, 49th and Dodge streets, under the personal direction of a special Tanlac representative.—Advertisement.

Says Acid Stomach Causes Indigestion

Excess of hydrochloric acid sours the food and forms gases.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten soured in the stomach much like garbage soured in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we grumble at sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing, and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.—Advertisement.

EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES

To help strengthen her nerves and put color into her cheeks

There can be no beautiful, healthy, rosy-cheeked women without iron. The trouble with most women is that when a woman is iron deficient from their generally took ordinary iron, which often corroded the stomach and did more harm than good. I always insist that my patients take only organic iron—Nutri-iron. This particular form of iron is easily assimilated, does not blacken nor injure the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable women in ten days in many instances. I have used Nutri-iron with the most successful results.—Ferdinand King, M. D.
