BUSINESS CHANCES OPPORTUNITY

I am now offering at par \$100 per share a limited amount of the Guaranteed Preferred Participating Stock of the SKINNER PACKING COMPANY of Oma-

This company is backed by some of the leading business men of Omaha and is under the personal management of the Skinner Brothers, who operate the Skinner Manufacturing company, the world's largest manufacturers and distributors of macaroni products, and the specialty lines of the SKINNER PACKING COMPANY will be marketed under the present na tionally known SKINNER quality trade mark through the present national sales organization of the Skinner Manufacturing

The SKINNER PACKING COMPANY is organized on a high grade basis and there is not a dollar of promotion stock.

THIS IS YOUR OPPORTUNITY TO PARTICIPATE IN THE PROFITS OF THE PACKING BUSINESS. Morris & Co., this year, paid over 180 per cent on

While the preferred stock of the SKIN-NER PACKING COMPANY calls for only an 8 per cent dividend, the best authorities estimate that their plant will carn an annual dividend on their entire capitalization of over 30 per cent and as each share of the stock in the company participates equally in the profits, this stock should be on a 30 per cent dividend paying basis within a very short time. Entire capital-

isation only \$2,500,000. Omaha is the world's second largest live stock market; \$192,000,000 of - meat products were packed here last year which represented but 60 per cent of live stock

shipped to this market. The operating by the SKINNER PACK-ING COMPANY of Omaha's Daylight Snow ident Packing Plant will retard the trans-shipment of live stock at this point, which will mean a great economic saving.
