Stocks were slightly irregular at the out-set but immediately rallied, only to lose more than their initial advantage before midday.

Rails, shipping, representative industrials and miscellaneous issues shared in the gradual decline, which became most pro-

mounced in the final hour.

War shares, which should benefit in the logical course of events by the further enormous wastage of arms and ammunition now proceeding along the French front, were reactionary with so-called "peace"

In the case of several equipments, reasons for comparative backwardness were well defined. Bethlehem Steel's report for 1917 disclosed a net decline of more than \$7,700,000. Allied industrials were under intermittent restraint, pending announcement of Wash-ington's new peace schedule and oils, also

arry price revision, fortified receding session. Shippings so displayed greatest weak-re close. Sales amounted to

CHICAGO GRAIN AND PROVISIONS.

CHICAGO GRAIN AND PROVISIONS,
Senate's Action on Wheat Guarantee Has Buillish Effect.

Chicage, March 22—Action of the United States senate in favor of a higher guaranteed price for the 1918 wheat crop had a hullish effect today on the value of coarse grain. Chiefly as a result, corn finished and figures to a decline of 22c.

3.6. In provisions the outcome varied from unchanged figures to a decline of 22c.

3.6. In provisions the outcome varied from unchanged figures to a decline of 22c.

3.6. In provisions the outcome varied from unchanged figures to a decline of 22c.

3.6. It was evident from the outset that the corff market had been declidedly stimulated by passing of the Gore resolution to lift the wheat guarantee to \$2.50 from \$2.20.

4.6. In provisions the outcome varied from unchanged figures to a decline of 22c.

3.6. It was evident from the outset that the corff market had been declidedly stimulated by passing of the Gore resolution to lift the wheat guarantee to \$2.50 from \$2.20.

4.6. In provisions the outcome varied from unchanged figures to a decline of 22c.
