WEBSTER ARGUES ANTI-SUFFS HAVE NO LAW STANDING

Omaha Attorney Declares Petition to Submit Statute to Referendum Vote Must Be Filed by State.

Saturday morning to argue the demurrer asking for a dismissal of the suit brought in the district court of Lancaster county by Edna M. Barkley, and others to enjoin Secretary of vote of the people.

The other plaintiffs are: Gertrude Hardy, Katherine Sumney, Ida Rob-bins, Grace Richardson, Margrita financial end. The Commissioned Of-Grace Richardson, Margrita Dietrich, Grace M. Wheeler, Ella ficers' club is directing the show. Brower, Ellen Ackerman, Henrietta Smith, Inez Philbrick, Harriett M. Stewart, Mary Smith-Hayward, Mamie Claffin, Margaret T. Sheldon, Alice Howell, Ellen Gere, Eliza Ann Doyle and Katherine McGeer. In support of his contention that

the suit should be dismissed Attorney Webster said No Standing in Court.

"The women who brought the suit to enjoin the secretary of state from submitting the woman suffrage statute to a referendum vote have no standing in court in an action of this court. The purpose of the suit relates to all the women of the state and whose interest is not distinct from that of all other women, If the women who brought the suit should be deprived of the right of vote they would not suffer any special injury or any public wrong other or different from that which would attach to that

state and not to an individual citizen, either man or woman. Cases which relate only to a public right as distinct from a property right must be

"It is elementary law that when one state adopts a statute from another state, it accepts it with the interpretation put upon it by the supreme court of the state from which it is borrowed. Applying that elementary prin Nebraska referendum statute must be construed as forbidding such a suit being prosecuted except it be done in the name of the

To Be Decided Wednesday.
"It is a well settled law that, in all political matters of a public nature which do not involve property or other civil rights, individuals cannot maintain an injunction suit. This has been settled in similar cases in Iowa, Kansas, Arkansas, Oklahoma, South Dakota, and by the supreme court of the United States." The case will be decided Wednes-

Bishop Asks for Special Prayers During Big Crisis

London, March 24-The archbishop of Canterbury today issued the following:

"It is obvious that in these days of anxiety special prayers ought to be offered in all our churches on behalf of the army, and the righteous cause for which we are fighting." Washington, March 24.-Prayers

for the troops of the United States and the allies were called for today by the Right Rev. Alfred Harding, Episcopal bishop of Washington, in a communication to the clergy throughout the diocese. Efforts are being made to have similar observance in Episcopal churches throughout the country.

St. Louis, March 24 .- Rev. Daniel S. Tuttle, presiding bishop of the Protestant Episcopal church America, tonight sent a prayer to all affiliated churches as follows:

"News leads me humbly to ask leave to bid to penitence and prayer in homes and churches all who may head and heed me in this critical time in Flanders, earnestly beseeching God to descend and crown the right.'

DELIGHTED WITH RESULT, HE SAYS

Engineer Had Rheumatism So Bad Could Hardly Raise Hand to His Head.

"I am feeling better today, by long odds, than I have in several years past, and I just want to tell the people, it's all because of what this Tanlac has done for me," said B. F. Cummins, who resides at 1938 R street, Lincoln, in a statement made at the Harley Drug Company's store recently. Mr. Cummins is a railroad engineer. He has been running out of Lincoln for a number of years and is undoubtedly one of the best known railroad men in this section.

"For a long time," Mr. Cummins continued, "I have suffered from rheumatism, and while I tried many remedies that were recommended for this trouble, nothing ever gave me more than a little temporary relief. I suffered mainly with my arms, and the pain annoyed me so much that I had become very nervous and restless. I couldn't raise my hands to my head without considerable pain and all the time, while running my engine, I was more or less in misery. I had tried so many things in vain that it just seemed I would never get rid of my trouble.

"Then Tanlac came along and it just filled the bill. I bought it because I saw it so highly recommended and to say I am delighted is putting it lightly. It was not long after I began taking it until I commenced to improve, and I have been getting better right along ever since. I'm already in so much better shape than have been that I hardly feel like the same man. I have certainly improved rapidly under the Tanlac treatment, and I cheerfully recommend it for the wonderful good it has done

Rheumatism is not only one of the most prevalent, but one of the most painful and difficult to treat of all present day diseases. When the digestive organs and bowels are not working properly and the kidneys become clogged up the whole system becomes deranged and saturated with uric acid poisons and other impurities which accumulate in the joints and other parts of the body and produce the condition known as rheumatism. Tanlac is a powerful reconstructive

onic and quickly overcomes this condition by acting directly on the vital organs, toning them up and enabling hem to perform their proper funcions, so that the impurities are soon eliminated from the system in a natural way. Liniments and external applications, as a general thing, only afford temporary relief. Tanlac is a constitutional treatment and gets right at the root of the trouble by removing
