"BIG THREE" OF MOVIE WORLD TO APPEAR IN OMAHA

Some of the greatest movie stars of the country will be in Omaha next Wednesday. They are Charley Chaplin, Mary Pickford and Douglas Fairbanks. They will speak in behalf of the third Liberty loan.

The time and place for the meetings has not yet been definitely announced. The Liberty loan committee will make an effort to hold these three movie stars in Omaha an extra day for further meetings.

Liberty Loan Notes.
A speakers' reception quartet has been appointed, consisting of Frank Gaines, W. F. Gurley, H. H. Baldrige and F. A. Brogan. These gentlemen will take turns in welcoming the visiting Liberty loan speakers and accompanying them during their stay in the city.

Dr. Robert McNutt McIlroy, who speaks in Omaha Monday, April 1, has been granted a year's leave from Princeton university, to take charge of a nation-wide campaign of patriotism through education, which is being conducted by the National Security league. Two years ago Dr. McIlroy made a tour of China as an American exchange professor. All of the leading universities have released professors to co-operate in the movement. Dr. McIlroy appears in Omaha under the auspices of the Nebraska Liberty loan committee and the Nebraska branch of the National Security league.

Miss Kathleen Burke, who appears in Omaha April 1 with Dr. McIlroy, is a Scottish nurse who has made four separate tours of the western fighting fronts and wears the decorations of Serbia, France and Russia. She was the first woman admitted to the British front line trenches.

William P. Byrne, chairman of the theater publicity committee, has announced the selection of the following slogans, which will be used in the picture houses of Omaha during the first week of the campaign:

"Get in the Liberty parade, Saturday, April 6. All real Americans will be there."

"Fight! Or buy bonds of the third Liberty loan."

"Bonds or blood? Who will hesitate to loan his money to the government when our boys are bleeding in the trenches?"

"Bonds or bondage? Buy a third Liberty loan bond. Your money will be refunded to you—German indemnities are never refunded."

Private Peat, who appears in Omaha April 8, has been invited by Gould Dietz to advance the date of his arrival in Omaha so that he may march in the patriotic parade on April 6.

Colonel Pickering Assigned To Command at Fort Crook

Colonel Abner Pickering has been assigned to the Forty-first infantry at Fort Crook and will arrive in Omaha soon to take charge of his new duties, according to orders received from the War department in Washington.

Colonel Settle, who was formerly commanding officer at Fort Crook, was assigned recently to a southern camp and left Omaha last week.

At present Major Severson is in charge.

You're Not Exempt
There is no Age Limit in the Home Guard
If you're not serving with the Colors, you MUST serve with your DOLLARS.
As a member of the Home Guard you must SAVE AND LEND TO YOUR GOVERNMENT every dollar not needed for your actual necessities.
Mr. McAdoo does not ask you to GIVE (yet)—but Uncle Sam MAY if you do NOT LEND him all he needs to back up the boys in the trenches.
You are not asked to stint, but to avoid waste; not asked to sacrifice, but to conserve. Be thankful you can help so much by doing so little.
The money you save by having your Dental Work done here should be used in buying Thrift Stamps, War Savings Stamps or Liberty Bonds.
When it is an ACTUAL FACT that I am giving the public Dentistry second to none, for half what the high-priced private dentists charge for work in no way superior, IT IS UNPATRIOTIC AND UNWISE TO PAY MORE.
It is no longer your privilege to pay for red tape, imaginary reputation, social prestige, or OTHER LUXURIES. This is a "brass tacks" war, and will become a "GOLD TAX" war unless you, and you, and all of us, cease paying tribute to autocracy and fight the battle with guns and dollars for world-wide democracy.
Bring me the "estimate" given you by any first-class, reputable dentist for the dental work you require, and I will guarantee to give you a good or better work in every way—and save you the price of a Thrift Stamp, War Saving Stamp, or Liberty Bond—according to the extent of the work to be done.
