BURGESS-NASH Choir Will Sing Saturday Noon, 12:15 and Again Vespers at 5:45

The Burgess-Nash choir will sing twice Saturday, as usual, at noon, 12:15, and they will also sing a Vesper service beginning at 5:45 and ending at 6 o'clock—the closing of the store.

Professor Ben Stanley, who is directing the choir, has changed the program for Saturday.

Master George Hruschka

the boy soprano will assist the choir as soloist.

A great deal of interest has been expressed in the choir, not only by the public at large, but musical critics who have given it great credit—the only organization of the kind in this part of the country.

Everybody is invited to come and enjoy this feature of our store.

The styles are unusually beautiful, even though simplicity of effect is most frequently aimed at.

In shapes, this diversity is more apparent than ever, in many cases the shape being so characteristic in itself, that trimming becomes an incidental consideration. Saturday a great collection of the newest ideas, expressing individuality and distinctiveness, will be ready for your inspection and selection.
