

LIKELY TO KILL- RESOLUTION TO ANNUL GAME LAW

House Refers Matter to Fish and Game Committee, Which Is Not Disposed to Recommend It.

(From a Staff Correspondent.)
Lincoln, April 2.—(Special.)—Efforts to lay wide open the state game law so that the streams and lakes of Nebraska could be used by fishermen during the period of the war by suspension of the fish and game laws of the state was the principal subject for debate at the morning session of the house.

The resolution covering the matter was fathered by Fries of Howard and other representatives who felt that along lines of conservation the fish in the lakes could and should be utilized for food.

Those who opposed the resolution were of the opinion that to suspend the law would undo the work which the state for the past 20 years had spent so much time and money to perfect and the advantages to be gained would not compensate for the loss sustained.

The motion to refer the matter to the fish and game committee, where it will likely slumber and sleep past the time of the adjournment, was carried.

General Fund of State Reduced During Month

Lincoln, April 2.—(Special.)—The general fund sagged from \$139,304.31 the first day of March to \$92,081.44 on the last day of the month, according to the monthly report of State Treasurer Hall. Four funds were overdrawn, the overdrafts increasing from \$391,477.49 on March 1 to \$429,233.43 on March 31.

The funds overdrawn and the amounts of the overdraft are as follows:
Temporary university.....\$ 25,546.92
University activities.....108,214.52
State normal.....214,842.39
State aid bridge.....18,619.69
The report shows that the cash on hand is \$769,326.93; warrants held as cash, \$4,500; bonds on hand held as cash, \$74,217.83. An increase of more than \$75,000 is shown in trust funds invested, which aggregated \$304,339.746.36. The major portion of it is in the permanent school fund, which amounts to \$9,490,950.01.

Sargent Red Cross Sends Many Supplies

Sargent, Neb., April 2.—(Special.)—Sargent branch, Custer county chapter of the Red Cross has three work rooms in operation. A fourth is being fitted up by the Country club. One hundred dollars was voted to be sent for the Nebraska base hospital fund.

Five large boxes weighing 1,000 pounds and containing 83 pairs of shoes and 813 garments, were packed and shipped to the committee for Belgian relief. The patrons of the 20 rural telephone lines tributary to Sargent were notified of this hurry-up call and responded promptly and generously.

The monthly shipment from the work rooms weighed 210 pounds. The Red Cross sale on Saturday afternoon netted \$500.

John Rine Makes Maiden Speech in Lower House

(From a Staff Correspondent.)
Lincoln, April 2.—(Special.)—John Rine, the new member from Douglas county, appointed by Governor Neville to fill the vacancy caused by the resignation of Representative Hopkins, now in the service, received yesterday, made his maiden speech in the house this afternoon, opposing the Ainlay amendment to a section of the sedition bill, which would strike out the right of an alien teacher or preacher to go before the district court and apply for permission to teach or preach pending proceedings for alleged seditious utterances.

Mr. Rine said Mr. Coupland of the State Council of Defense was in favor of the amended bill as prepared by the judiciary and he was opposed to changing it.

Haynes and Holbin Elected Village Trustees at Eustis

Eustis, Neb., April 2.—(Special Telegram.)—J. D. Haynes and G. K. Holbin were elected village trustees at the election held here. Out of a total of 107 votes cast Haynes received 51; A. Taborsky, 48; G. K. Holbin, 64, and John Thumm, 40. Haynes and Taborsky were nominated at a caucus, but Holbin and Thumm were written in on the ballot. The initiative and referendum and recall carried by 65 to 4.

PETERSON MAKES PATRIOTIC SPEECH

Nebraska House Has Service Flag Bearing Three Stars, With Fifteen Smaller Stars for Sons.

(From a Staff Correspondent.)
Lincoln, Neb., April 2.—(Special.)—Representative C. Petrus Peterson of Lancaster addressed the house on the service flag which hangs on the wall. His remarks were repeatedly interrupted with rounds of applause and at the close, on motion of Ainlay of Nance, the speech was unanimously voted as a part of the record.

The service flag bears three large stars, one for each of the three members of the legislature now in the service, Burrows of Gage, Radke of Cedar and Hopkins of Douglas. Fifteen smaller stars appear on the flag for the sons of members now in the service. Neff of Knox has a son, Speaker Jackson one, Nesbit of Burt one, Schneider of Douglas, one, Dau of Dodge one, Tracewell of Cherry one, Cronin of Holt one, Waite of Lancaster one, Harris of Buffalo one, Gormley of Kearney two, Hoffmeister of Chase two and Anderson of Boyd two.

These members were called upon for speeches. Hoffmeister said that he was probably the only man in the house who was born in the country with which we are now at war who had sons fighting against the country from which their father came. He said the German people were intensely interested in winning the war, but he said America was going to whip them anyhow. His remarks were loudly cheered.

Secretary Cool Issues Many Motor Licenses

(From a Staff Correspondent.)
Lincoln, Neb., April 2.—(Special.)—Secretary of State Pool issued 31,400 automobile licenses during March, making a total for the first three months of the year of 141,950 paltes issued.

This is within about 7,000 of the total number issued in the entire year of 1917. It is predicted that more than 180,000 numbers will be issued during 1918.

During the past three months 1,900 motorcycle numbers were given out.

Six Cases of Smallpox In Orthopedic Hospital

(From a Staff Correspondent.)
Lincoln, April 2.—(Special.)—Six cases of smallpox at the Orthopedic hospital have resulted in the quarantine of one building, Commissioner Mayfield of the Board of Control announced Tuesday morning.

The cases did not originate at the hospital, but were brought in by children who were recently received for treatment. A baby is among the patients. The disease is in a mild form, the commissioner said.

Sloan Sends Filing For United States Senator

Lincoln, Neb., April 2.—The personal filing of Charles H. Sloan of Geneva as a candidate for the republican nomination for the United States senate was received Tuesday by Secretary of State Pool. Accompanying the filing was a receipt showing that the filing fee of \$50 had been paid.

Prosecute Milk Dealers.

(From a Staff Correspondent.)
Lincoln, April 2.—(Special.)—Two prosecutions have been brought against Lincoln milk dealers. Food Commissioner Otto Murschel said today. An inspector for the department arrested Ed Kouba and brought a complaint in justice court charging him with "watering" milk. He was fined \$10 and costs, amounting to \$15.60, on a charge of selling milk containing less than the legal percentage of butter fat.

Secretary's Receipts Heavy.

(From a Staff Correspondent.)
Lincoln, April 2.—(Special.)—Total cash receipts of \$7,548.64 in the office of Secretary of State Pool for March exceeded the receipts for the same period last year by \$2,528.44. The receipts totalled \$5,020.20 in the corresponding month last year. The greatest increase was in the fees for filing articles of incorporation.

Reserve Bank Officers Visit In Omaha; Open New Branch

J. Z. Miller, jr., governor of the Federal Reserve bank district of Kansas City, and Asa E. Ramsey, agent and chairman of the board of this district, stopped in Omaha for a few hours yesterday and visited with the officers of the Omaha branch of the Federal Reserve bank. They are en route home from Denver. The bank at Denver was only an agency up to April 1, when it became a full-fledged branch like the Omaha bank.

Young Deaf Woman To the Milford Home

Lincoln, April 2.—(Special.)—That a young woman, who has been attending the School for the Deaf at Omaha, was betrayed by a young soldier from Fort Crook, is the statement made by the Board of Control Tuesday. The names of the parties are withheld.

According to the announcement the girl, 22 years old, was visiting relatives in Omaha. She met the soldier in a department store last December. She was taken to a strange house, the report says.

At the time of the incident, the girl was not in the care of the school authorities, the board says.

SMALL CHANCE NOW TO RATIFY 'DRY' AMENDMENT

Lincoln, Neb., April 2.—The Nebraska state senate having voted yesterday to decline to consider the question of ratifying the national prohibition amendment at the present special session of the legislature, there apparently is little chance for the measure's consideration by the legislators until the regular legislative meeting next January.

Prohibition was not mentioned in the proclamation of Governor Keith Neville calling the present meeting and the upper house halted action on the federal amendment by passing a resolution limiting its business to the legislation specified in the governor's call. This action was taken shortly after the lower house had passed a joint resolution to ratify the federal amendment.

The senate has the right to reconsider its action declining consideration of the amendment, but this is not considered likely. On the other hand, if the governor should find occasion to call another special session between the close of the present meeting and January session the amendment could be considered again, but this, too, is not now considered probable.

DOUGLAS SENATORS MAKE HOWARD LATE

Give Lieutenant Governor Bum Steer on Time and He Arrives Late for Session.

(From a Staff Correspondent.)
Lincoln, April 2.—(Special.)—The Douglas county delegation in the senate being called to order late today, according to Lieutenant Governor Howard, who rushed to the big chair 10 minutes late and after calling the senate to order and listening to a prayer by the chaplain gave the following explanation for this tardiness: "It appears that some quasi-corporation has abducted the senate clock from the senate and therefore I had to rely upon the time piece of one of the Douglas county senators, in fact the time piece of all of the Douglas county senators. I was out with them last night until a late hour in an endeavor to try to make the world safe for democracy and so was obliged to take their time piece for it."

The senate after this explanation of the governor took up bills of the house on second reading and referred them to the several committees and then adjourned to give the committees a chance to report.

South Auburn Father Has Three Sons in the United States Army

C. G. Milan of South Auburn, Neb., is a proud father. Here are three splendid reasons: His three sons are wearing the khaki of Uncle Sam's fighting men. Mr. Milan is the only man in Nemaha county able to boast of three boys who have enlisted in the service.

Paul C. Milan was staking a claim in Montana when war was declared. He was selected for the first officers' training camp at Leon Springs.

The only one of the three now in France is Lewis H. Milan. He is with the 28th squadron of the aviation corps. Lawson Milan is a member of the 134th infantry stationed at Camp Cody, Deming, N. M. Glover Milan, the youngest son, is a carrier for The Bee.

Memorial Services Will Be Held for John M. Banister

Memorial services will be held for John M. Banister, oldest son of Colonel and Mrs. J. M. Banister, at the First Presbyterian church, Sunday morning. The address will be by Rev. E. H. Jenks, pastor, with a squad of Boy Scouts taking part in the services. One blue star on the church flag will be taken off and another of gold sewed in its place. This star will be placed on the flag in memory of young Banister, who lost his life fighting for the allies.

He was a member of the First Presbyterian church. He enlisted soon after war started, going to Canada, where he joined one of the dominion regiments. At the Sunday services there will be appropriate music. Invitations have been issued, asking the officers at Fort Omaha and Crook to attend the services.

Alaskan Railroad to Be Investigated by Senate

Washington, April 2.—Management of the Alaskan railroad will be investigated before the senate territories committee takes action on the nomination of Thomas Riggs, jr., to be governor of Alaska. Opponents of the nomination will appear. Riggs is a member of the Alaska engineering commission, under whose supervision the railroad is being constructed.

Bar German Language.

Geneva, Ill., April 2.—The German language has been barred from the public schools here. The school board, at a meeting yesterday, voted to discontinue the teaching of the German language and to substitute French.

FREE TO ASTHMA SUFFERERS

A New Home Cure That Anyone Can Use Without Discomfort or Loss of Time. We have a New Method that cures Asthma, and we want you to try it at our expense. No matter whether your case is of long standing or recent development whether it is present as occasional or chronic Asthma, you should send for a free trial of our method. No matter in what climate you live, no matter what your age or occupation, if you are troubled with asthma, our method should relieve you promptly.

We especially want to send it to those apparently hopeless cases, where all forms of inhalers, douches, opium preparations, fumigations, "patent smokes," have failed. We want to show everyone that our new method, that this new method is designed to end all difficult breathing, all wheezing, and all those terrible paroxysms at once and for all time.

This free offer is too important to neglect a single day. Write now and then begin the method at once. Send no money. Simply mail coupon below. Do It Today.

Dandruff Soon Ruins the Hair

Girls—if you want plenty of thick, beautiful glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most if not all of your dandruff will be gone, and three or four more applications will completely dissolve an entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.—Adv.

POLICE SERGEANT J. H. WARDEN NOW OUT WITH DETAILS

Popular Officer Says His Wife Gained Fifteen Pounds On Tanlac

Another wonderful endorsement for Tanlac that will be read with interest by thousands of people throughout this section was given by Sergeant J. H. Warden, who resides at 743 West Sixth South street, Salt Lake City, Utah, in an interview at police headquarters recently.

Sergeant Warden, who is one of the most popular and efficient members of the Salt Lake City police department, has been traffic officer there for the past two years and is known and respected by thousands of people throughout the city. In his statement regarding Mrs. Warden's remarkable increase in weight, health and strength by the use of Tanlac, Sergeant Warden said:

"Some time during last December my wife was taken down with a very severe case of gripe and for two weeks she was desperately sick. She lost twenty pounds in weight during the time and simply went all to pieces both in body and nerves. After getting up from her bed she continued to suffer greatly and was totally unable to look after her household duties. Even before she had gripe, her food would not digest. Gas would form after eating, causing severe pains in the stomach and shortness of breath. The bad condition of her system is no doubt what caused the gripe and what made it so hard for her to recover from its effects. She was extremely tired and nervous and had no strength. She slept very little and went down hill so rapidly that we were alarmed about her and nothing seemed to give her any relief or strength until she began taking Tanlac.

"It was about the first of January when I bought her first bottle of Tanlac. She did not show any improvement on this bottle, but after taking two bottles she began to build up rapidly. Her appetite got to be fine, the gas and pain all left her stomach and she was no longer troubled with shortness of breath. She has taken four bottles now and has already gained fifteen pounds of the twenty she had lost. She goes to bed at night now and sleeps like a child, eats just anything she wants and her nerves are in fine shape. Her color has improved and she is built up until she looks better and enjoys better health than she has in years. I'm going to get her two more bottles of Tanlac as a safeguard and I do not hesitate to recommend it to everybody."

Mrs. Warden's trouble was relieved by Tanlac simply because it toned up her vital organs and enabled her to digest her food properly. Gripe almost invariably leaves the body in a weakened condition, which, if too long neglected, develops into incurable afflictions. Tanlac is found to be the direct remedy in all such cases, for there is not a single portion of the body that is not benefited by its helpful action. It begins its work by strengthening the digestive and assimilative organs, thereby enriching the blood and invigorating the entire system. It enables the weak diseased stomach to digest its food properly and convert it into nourishment for blood, bone and muscle.

Tanlac is sold in Omaha by Sherman & McConnell Drug Company, corner 16th and Dodge streets; Owl Drug Co., 16th and Harney streets; Harvard Pharmacy, 24th and Farnam streets; Northeast corner 19th and Farnam streets, and West End Pharmacy, 49th and Dodge streets, under the personal direction of a special Tanlac representative.—Adv.
