

### MUSIC TEACHERS DISCUSS PLAN TO UNIFY TEACHING

#### Lincoln Man Elected President of Nebraska Music Teachers' Association; Convention to Capital City.

Final day's session of the Nebraska State Music Teachers' association opened at the Hotel Fontenelle Wednesday morning with a round table discussion of the proposed plan to standardize the system of instruction of music throughout the state. It is intended that the new system will make it possible for all music students to gain credit for their previous work upon entering the university. The report of the committee was adopted.

Officers for the coming year were elected as follows: Sidney Silber, Lincoln, president; Henry G. Cox, vice president; Carl Beutel, dean Wesleyan conservatory, secretary; Cecil W. Beryman, Omaha, treasurer.

A spirited contest between the members favoring Lincoln and those partial to Omaha for next year's convention was held. Lincoln was finally elected, with a vote of 28 against 10 for Omaha. The time of the 1919 convention was not decided on.

#### Frysinger in Organ Recital.

An organ recital was given in the evening by J. Frank Frysinger, F. J. G. C. M., head of the organ department of the University School of Music at Lincoln. This was given at the First Presbyterian church, and the new organ there again responded with resultant satisfaction to the touch of a visiting organist.

Mr. Frysinger's reputation had preceded him, and it was not in any way exaggerated. He is an excellent organist, with a fine sense of tone color, and with an abundant technique. His musical taste was clearly evidenced by his many and varied registrations and his use of the different combinations and contrasts in solo effect and accompaniment, was interesting and enjoyable. He presented a sonata by Woelstenholme, which proved a splendid organ number, containing a most effective and beautiful Largo among its different movements. Three numbers by Bach, "Air from Orchestral Suite in D," "Air from Anna's Fugue" and a charming choral prelude, "My Heart's Desire," manifested that Mr. Frysinger knew well and authoritatively the music of this great master.

Other numbers of special interest were "Sketches from the City," by Gordon Baleh Nevin, a brilliant Scherzo by Hoyte, "Meditation" by Federlem, and two numbers by Mr. Frysinger, "Gethsemane," a most religious and beautiful number, with its dramatic moments, and "Liberty March," which was played here recently by Mr. Eddy.

Mrs. Louise Jansen Wylie sang with much tonal beauty a group of four soprano songs, in which the suitable and effective accompaniments by Mrs. E. R. Zabriske at the organ also deserve mention. The excellent quartet of this church, which contains Mr. George Johnston, Mrs. Wylie, Mrs. Verne Miller and Mr. A. L. Hobbs, gave an added pleasure to the program by their singing of "By the Waters of Babylon," by Vincent. H. M. R.

### SIX DEAD, SCORES INJURED IN BIG MISSOURI STORM

St. Louis, Mo., April 3.—Six persons are known to be dead, scores were injured and property damage totaling many thousands of dollars was done by tornadoes last night in Missouri, according to reports received here today.

A tornado struck Hunterville and Grayridge, two small towns in Stoddard county, in the southeastern part of the state, killing three persons, two of them at Hunterville and one at Grayridge. In both places many persons were injured, some severely, and property damage was extensive. Farmers living nearby reported barns and other outbuildings swept away.

At New Florence, in Montgomery county, 85 miles west of here, two persons were killed, and at Mineola, also in Montgomery county, one was killed.

#### Former Omaha Officer Promoted to Colonel

F. C. Bolles, the first commanding officer of the Omaha quartermasters' depot, Twenty-second and Hickory streets, when it was made an independent depot in 1910, has been promoted to colonel of the 39th Infantry and is now stationed at Fort Shafter, Hawaii.

Colonel Bolles changed the Omaha depot from a "corral" to the well-kept place it is at present. During the civil war government mules were shipped to the place, which was low and muddy, and the soldiers nicknamed it "the corral." Colonel Bolles installed drainage and paving and replaced the wooden fence with an iron railing.

#### Railroad Men Continue to Wrestle With Yard Problem

Railroad superintendents are still in session in Omaha laboring with the terminal switching problem. The superintendents hope to work out a system that will speed up shipments of freight through terminals. With the railroads all under government control and business pooled, there is a disposition to use terminals in common, permitting the engines and switching crews of the yards to handle the stuff regardless of ownership of the properties.

#### Local Freight Offices Close on Liberty Day

The local freight offices will remain closed all day Saturday, the day of the Liberty loan parade. This decision of the Local Freight Agents' association was announced today by H. L. Cook, secretary of the association.

### DISTRIBUTION OF ANTHRACITE COAL

#### Details Announced by United States Fuel Administrator; Figures Soon Available for All Communities.

The United States fuel administration announces a plan for the distribution of domestic anthracite coal from the mines to the retail dealers for the coming year. The details of this distribution will be supervised by J. B. Dickson, S. D. Warriner and W. J. Richards, who have been appointed district representatives for the Pennsylvania anthracite producing fields for the United States fuel administration under the general direction of J. D. A. Morrow, manager of distribution.

These district representatives, acting as a committee, will confer with the state fuel administrators, as to the needs of the respective states and will meet these requirements as far as possible. The committee will have at hand data showing the amount of coal furnished to all communities in the past and this data will be available for the state fuel administrators.

Comprehensive figures have been compiled, which show the tonnage by sizes sent into the various states during the coal year, April 1, 1916, to April 1, 1917, and during the coal year, April 1, 1917 to date. The season of 1916-17 the last normal year, will be used as a basis of distribution for the coming year beginning April 1.

#### Tonnage Subdivided.

The tonnage shipped into each state has been subdivided into the amounts shipped into the various communities in each state, and the figures for all communities will eventually be available. Prior to April 1, this information will be given to the state fuel administrators, who will advise various county and city chairmen. From them each dealer may learn the total tonnage allotted and ample opportunity will be given for necessary adjustment. The figures as above described will be of assistance in the broad and equitable distribution of anthracite coal during the coming months.

Retail dealers will place their orders in the regular way with the ordinary sources of supply, which they patronized in the winter of 1916-17.

#### Cut Tonnage in West.

Because of the greatly increased needs of the territory adjacent to the Atlantic seaboard and the large increase there in population and industrial activity due to the war, and because of the transportation features involved, it may be necessary to reduce somewhat the normal tonnage to the west and northwest.

Except for such changes each operator will distribute his tonnage as during 1916-17. In case there is need of diversion from the normal lines, to meet changed conditions, such as providing for movement during open navigation, or in order that distribution may be more equitable, this will be done. The district representatives named above have the figures as to the tonnage sent into each state and community, and will notify the various state fuel administrators.

#### Federal Reserve Bank Officers Visit in Omaha

J. Z. Miller, jr., governor of the federal reserve bank district of Kansas City, and Asa E. Ramsey, agent and chairman of the board of this district, stopped in Omaha for a few hours Tuesday and visited with the officers of the Omaha branch of the federal reserve bank. They are en route home from Denver. The bank at Denver was only an agency up to April 1, when it became a full-fledged branch like the Omaha bank.

#### Omaha Exceeds Quota for Smileage Books by \$176

Omaha exceeded her quota in the smileage book campaign by \$176. The Omaha quota was \$3,000, but figures issued Wednesday morning show that on March 31, the day the campaign closed, \$3,176 had been subscribed to this fund.

The entire state exceeded the Nebraska apportionment by \$2,350.

### New ARROW COLLARS FOR SPRING

Cluett, Peabody & Co. Inc. Makers

### SAGE TEA DANDY TO DARKEN HAIR

Look years younger! Use the old-time Sage Tea and Sulphur and nobody will know.

You can turn gray, faded hair beautifully dark and lustrous almost over night if you'll get a bottle of Wyeth's Sage and Sulphur Compound at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease. —Advertisement.

#### TODAY'S BEAUTY HELP

We find you can bring out the beauty of your hair to its very best advantage by washing it with Cantorox. It makes a very simple, inexpensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff, dirt and excess oil, leaving a wonderfully clean, wholesome feeling. After rinsing, you will find that the hair dries quickly and evenly; is never streaked in appearance and is always bright, soft and fluffy; so fluffy, in fact, that it looks more abundant than it is, and so soft that arranging it becomes a pleasure. Just use a teaspoonful of Cantorox, which you can get from any good druggist, dissolve it in a cup of hot water; this makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head. —Advertisement.

Try Kondon's for the baby's cold (at no charge to you)  
KONDON'S CATARRHAL JELLY  
A neglected cold in a child's head often leads to chronic catarrh and catarrhal deafness—stunting children's mental growth, making them appear stupid.

It will benefit you 100% times more than 10¢ cost, or we pay money back. For retail, see free write to: KONDON MFG. CO., MINNEAPOLIS, MINN.

INFLAMED ECZEMA HEALED BY CUTICURA  
On Face and Arms. Spread Rapidly. Lost Sleep.  
"Eczema broke out on my face and arms and spread rapidly. At first it was only in little red spots, but later it took the form of sore eruptions. These blotches caused a burning sensation and my skin was inflamed and sore. The eruption caused itching, and I lost sleep.  
"This trouble lasted about three weeks. Then I wrote for a free sample of Cuticura Soap and Ointment. I felt so much better that I bought a cake of Cuticura Soap and a box of Ointment and after using them a short time I was completely healed." (Signed) Miss Almata Ecker, 513-20th Ave. N., Minneapolis, Minn., June 23, 1917.  
Most skin troubles might be prevented by using Cuticura Soap and Ointment for every-day toilet purposes.  
Sample Each Free by Mail. Address post-card: "Cuticura, Dept. H, Boston." Sold everywhere. Soap 25c. Ointment 25 and 50c.

SAFE, GENTLE REMEDY CLEANSSES YOUR KIDNEYS  
For centuries GOLD MEDAL Hairlem Oil has been a standard household remedy for kidney, liver, bladder and stomach trouble, and all diseases connected with the urinary organs. The kidneys and bladder are the most important organs of the body. They are the filters, the purifiers of your blood. If the poisons which enter your system through the blood and stomach are not entirely thrown out by the kidneys and bladder, you are doomed.  
Weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, headache, pain in loins and lower abdomen, gravel, stones, difficulty when urinating, cloudy and bloody urine, rheumatism, sciatica and lumbago, all warn you to look after your kidneys and bladder. GOLD MEDAL Hairlem Oil Capsules are what you need. They are not a "patent medicine" nor a "new discovery." For 200 years they have been a standard household remedy. They are the pure, original imported Hairlem Oil you great-grandmother used, and are perfectly harmless. The healing, soothing oil soaks into the cells and lining of the kidneys and through the bladder, driving out the poisonous germs. New life, fresh strength and health will come as you continue the treatment. When completely restored to your usual vigor, continue taking a capsule or two each day; they will keep you in condition and prevent a return of the disease.  
Do not delay a minute. Delays are especially dangerous in kidney and bladder trouble. All druggists sell GOLD MEDAL Hairlem Oil Capsules. They will refund the money if not as represented. In these cities, sealed packages: Ask for the original imported GOLD MEDAL. Accept no substitutes.—Adv.
