As a result Lewis has called off the match with Londos at Cedar Rapids and has dropped negotiations for several events he was contemplating.

Over Two First Sackers Roger Bresnahan of the Toledo club seems to be in a mixup over a first baseman. First he announced he would sign Vic Saier, in spite of the fact that he belongs to Pittsburgh. Now Roger says he will claim George Beall, who is with Memphis. The Toledo Duke's argument is that he only loaned Beall to Memphis last season and that the Southern league club has no right to retain the player.
