Washington, April 9.—Secretary Baker today cabled the War department to resume issuing casualty lists of the American expeditionary forces. All the lists which have accumulated since publication was stopped were made public tonight.

Four hundred and forty-seven names appear on casualty lists for April 1 to 8, inclusive, made public tonight by the war department. On April 5, 124 names were reported.

Draft Boards Urged To Speed Classification

Des Moines, April 9.—(Special Telegram.)—In addition to a message received by Governor Harding today from Provost Marshal General Crowder urging that local draft boards who have not yet sent in their classification cards be requested to do so, a wire also was received by the Council of Defense requesting that county councils be asked to bring pressure to bear on draft board to hurry these cards as raising of an army is being delayed by these boards.
