

BIG GAP TORN IN BRITISH LINE BY FIERCE DRIVE

Germans Advance Nearly Three Miles Toward Arrmentieres; Maurice Admits Situation There Is Critical.

(By Associated Press.) London, April 11.—"On the Messines from the enemy's attack today was repulsed," Major General F. B. Maurice, chief director of military operations at the war office, announced this afternoon.

"The enemy has obtained no footing on the high ground anywhere." "In this morning's attack the enemy entered the British first line trenches between Lys and Doube rivers," said General Maurice.

"The attack extended from Arrmentieres to Messines. British in Tight Place. "The German gains today," continued General Maurice, "in conjunction with the results of his attack yesterday, have placed Arrmentieres in an awkward salient."

"The Germans captured a considerable part of Ploegsteert wood. "In the fighting yesterday the enemy advanced in the center to a depth of 5,500 yards. It is quite certain we lost some guns. In an advance of such a depth, considerable Portuguese artillery must have been lost and probably a number of prisoners."

"In the retirement of the French to the line of the Ailette river, two French battalions were cut off, and the Germans took about 2,000 prisoners. "Arrmentieres Heap of Ruins. "Arrmentieres," General Maurice went on, "is now little more than a heap of ruins and its loss would not be a vital matter. It is not lost yet and we hope it will not be, but it may be."

"Great importance attaches to the fighting around Givency, because this is one of the few rises and is an important gateway on the road to Bethune. Its recovery by the British is therefore highly important."

U. S. TROOPS KILL THREE MEXICANS IN BORDER DUEL

Fort Hancock, Tex., April 11.—American cavalry and Mexican federal troops face each other tonight across the Rio Grande at the San Juan Mine ford, eight miles southeast of here, and the challenges of the Mexican outposts maybe heard from the American side. The Mexicans are entrenched opposite here. They fired on an American patrol last night.

Three Mexican federal cavalrymen were known to have been killed today when a machine gun detachment of American cavalry opened fire on the Mexican force opposite here after the Mexicans had fired approximately 100 shots at an American patrol at the ford. After two bursts of bullets were fired from the machine gun the Mexicans retired from the river and were not seen again.

Metcalf Says Washington Looks Forward to Long War "The general feeling in Washington and the east generally, is that this is not going to be a short war. Official Washington is looking forward to a long war," said R. L. Metcalf, member of the Nebraska State Council of Defense, on his return from Washington, where he has been in attendance at some important meetings.

"The first meeting we attended was the Americanization meeting called by Secretary of the Interior Lane. It was gratifying to us cornhuskers to see the general meeting take the same view which had already been taken in Nebraska in regard to teaching German in the grade schools.

"The second meeting we attended was the general defense meeting with Secretary of the Navy Daniels. The feeling has fast gained ground that we must not be so lenient with those found guilty of treason. It is too much of a joke for any man to be able to commit the worst kind of an offense and to know all the time that the worst that will be done to him will be to be interned for the duration of the war."

Service Flag Unveiled at Jennings Methodist Church A service flag with three stars was unveiled by the Epworth league chapter of the Jennings Methodist church at the regular church hour last Sunday night.

The stars were for the three young men, Albert E. Dowling, with the signal corps in France; Albert Claggett, with the heavy artillery, Fort Barry, Cal., and Wilmer R. Blackett at the army building in Omaha.

Bert Clayton, ex-trumpeter of the United States regular cavalry, who saw service in the Philippines, gave several army bugle calls and reminiscences of his stay in the islands. Mrs. H. G. Claggett, mother of Albert Claggett, told of some of the experiences of her son while in the army, and E. E. Dowling told of the experiences of his son in France.

U-BOAT TOLLS LOWEST ON RECORD SAVE ONE WEEK

Four Large British Vessels Sunk by Kaiser's Submarines; French Lose Two; Only One Other Week Since Campaign Started Shows Fewer Sinkings From Activities of Divers.

(By Associated Press.) London, April 11.—The sinking of British merchantmen by mines or submarines last week reached the next lowest level of any week since Germany began its intensive submarine campaign early in 1917. Four vessels of more than 1,600 tons, two of less than 1,600 tons and two fishing boats were sent to the bottom.

MANY ATTACKS UNSUCCESSFUL. The admiralty statement adds: "Vessels unsuccessfully attacked, 11, including two previously. Arrivals, 2,534; sailings, 2,495. Both fishermen reported today were sunk during the week ending March 30.

TWO FRENCH SHIPS HIT. Paris, April 10.—Only two French merchantmen over 1,600 tons were sunk by mines or submarines during the week ending April 6. One vessel was unsuccessfully attacked.

ONLY ONE WEEK LOWER. The low record in sinkings for any week since Germany began its intensive submarine campaign was, in the aggregate weight of tonnage sunk, the week of November 11, last. Then only one vessel of over 1,600 tons and five vessels of less than 1,600 tons were destroyed.

NEBRASKA GIRLS CANDIDATES FOR CANTEEN DUTIES

Mrs. Cudahy to Make Selection of Volunteers Who Are to Go to the French War Front.

Of the 200 patriotic Nebraska women who volunteered their services for canteen work in France to Mrs. Joseph Cudahy, who spent Wednesday in Omaha to make a selection, Miss Lucile C. Stewart, York, was designated as one of the most likely candidates.

The Red Cross chapter of York wants to send Miss Stewart as one of their offerings to the cause. They are financing her and believe that her qualifications are so numerous that no one will be preferred before her. She was accompanied to Omaha by A. E. Mead, chairman of the York Red Cross chapter who reports that the townspeople believe that sending Miss Stewart to represent them will be the best incentive to patriotic work at home.

Another likely candidate for the work is Miss Anna M. Sweeney, who formerly owned a hair dressing establishment in Omaha. She is being financed by a prominent Omaha woman who made her acquaintance while patronizing her shampoo parlors and who became interested in her, when she expressed the desire to go to France to do Red Cross work. Her benefactor does not wish her name to be made public.

The Misses Clara and Marguerite Schneider, Fremont, are able to finance the venture themselves, are among others who are favorably considered by Mrs. Cudahy. She was not able to give an opinion on the most suitable ones, but took the application blanks with her to Chicago and will soon make her decision.

Mrs. C. T. Kountze accompanied Mrs. Cudahy when she left for her home. Denman Kountze, her son, who is enrolled at the University school in Cleveland will meet her in Chicago.

BIG CLOTHING STORE JOINS IN EARLY CLOSING

"In spite of the fact that it is nationwide custom for clothing firms as large as the Nebraska Clothing company to keep their stores open Saturday nights until 9 o'clock, we have decided to join the early closing movement recently inaugurated in Omaha," says John A. Swanson, president of the Nebraska Clothing company.

"Dry goods and department stores have been closing early Saturdays in all the larger cities for many years, but even now the large clothing stores of Chicago, Kansas City, Minneapolis, St. Paul, Detroit and other centers are open till 9, in some instances 10 o'clock, Saturdays.

"After a thorough canvass of the situation we find that with shorter hours in the trades we will be able to curtail our Saturday store hours. With the exception of large numbers of South Omaha, Florence, Council Bluffs and Benson customers who find it inconvenient to shop before 6 and in deference to them this store will remain open Saturday nights until 7 o'clock.

Railroad Live Stock Men Will Hold Their Old Jobs Live stock agents of the western railroads are to continue in their positions, according to instructions received at Omaha offices from Washington. The live stock men, however, are not to resume solicitation of business, but only to continue to visit the cattle and sheep men, furnish information on market conditions, shipping directions and methods for improvement of the stock.

Fort Crook Military Men Honor Memory of Mackay "In memory of Stanley Brooks Mackay, who gave his life for his country January 8, 1918. Aged 22 years. By officers and men of the 41st United States Infantry." The above inscription is on a brass tablet which has been placed in the walls of All Saints' church by the officers and men of the 41st regiment, United States infantry, stationed at Fort Crook.

SOUTH SIDE PACKING HOUSE MEN ARE TO BUY LIBERTY BONDS

Back Pay Allowed by Judge Altschuler to Be Used in Helping Uncle Sam Win the War.

The 8,000 or more employees of Omaha's four big packing plants will be urged by their employers to buy Liberty bonds with a part of the back pay which they will soon receive as a result of the recent ruling of Judge Samuel Altschuler, packing house arbitrator of Chicago, granting the wage increases and shorter work hours.

The decision of the court was retroactive, making the wage increase effective from January 14, 1918. Most of the employees will receive from \$30 to \$50 back pay each. "I just received a letter from the head office in Chicago concerning the back pay the employees are to receive," said Manager Murphy of the Cudahy Packing company. "We are going to post notices throughout the plant, urging the employees to buy bonds. If the employees will make an initial payment, say \$10 or \$20, we will arrange to finance them for the balance, deducting a small amount from their weekly pay. I hope every man will take advantage of this opportunity."

Manager R. C. Howe of the Armour company said: "We employ 2,400 people, and expect to have a 100 per cent subscription list in a short time. We will have the bonds for sale here at the office, and have arranged for easy weekly payments, so that every employe may invest."

Similar plans are reported at Swift's and the Morris company. Washington, April 11.—Discharge from the federal service of Brigadier General Frederick E. Resche of Minnesota, a German-born officer commanding a brigade of the 34th National Guard division at Camp Cody, N. M., was announced today in army orders.

Failure to maintain his command on an efficient footing is the cause of his discharge. Certain remarks attributed to him, however, have drawn attention to the question of his loyalty. His utterance is being investigated.

The primary desire of the War department, it was said, at the department today, was to get out of the service an officer of high rank who was shown by the reports of inspectors to be lacking in zeal and enterprise in preparing his command for conflict with the German army. For that reason he was discharged and the question of his loyalty left to be passed upon by the civil branch of the government.

The discharge makes a civilian of General Resche. Had he been a regular army officer the War department's course would have been different. The 34th division is composed of troops from Iowa, Minnesota, North Dakota and Nebraska. General Resche's successor has not yet been selected.

Chicago Enemy Alien Colony to Be Interned Chicago, April 11.—The colony of enemy aliens mobilized here for further disposition, has grown so large that a special train will be used to transport them and their guards to Fort Oglethorpe, Ga., where they are to be interned in a few days.

In the contingent will be dangerous aliens from Topeka, Kansas City, Sioux Falls, St. Paul, Detroit, Fort Wayne, Ind.; Indianapolis, Cleveland, Cincinnati, Louisville and Milwaukee. Milwaukee, April 10.—Federal officials today in an opening drive for the rounding up of some 350 aliens accused of violating the enemy alien act, in various ways, gathered in about 200 who failed to comply with the regulations.

Thief Steals Stamp Machine From Confectionery Store A sneak thief snatched a stamp machine from the counter of the Rogers confectionery store, Twenty-fourth and Farnam streets, Tuesday night, in sight of many people and escaped. The machine contained \$3 worth of stamps and a small amount of change. Several pedestrians pursued the thief, who outran them in the darkness.

Army Orders. Washington, April 10.—(Special Telegram.)—The appointment of George Walter Adams as second lieutenant in the aviation section, signal reserve corps and his assignment to duty at Fort Omaha, announced. First Lieutenant M. Boehler, dental reserve corps, is assigned to duty at Fort Des Moines.

U. S. Surgical Team Under Heavy Fire (By Associated Press.) London, April 10.—"During the recent fighting and retirement on the western front," says an official statement issued this evening by the war office, "a surgical team, which very generously had been sent to one of our casualty clearing stations by a Philadelphia hospital, was heavily bombed and two officers and one nurse were wounded."

Philadelphia, April 10.—It is believed here that the two officers and the nurse mentioned in the London dispatch as wounded are Dr. Edward B. Hodge, Dr. Henry Dillard, jr., and Miss Isabella Stambaugh, all attached to a base hospital unit sent out by a local hospital. The names of Captain Hodge and Miss Stambaugh were included in the casualty lists issued by the War department last night. Dr. Dillard was only slightly wounded.

South Side Priest to Enter Chaplains' Training School

Rev. George F. Jonaitis of St. Anthony's Lithuanian church, South Side, is the first priest of the Omaha diocese to be named for the army chaplains' training school at Camp Taylor, Louisville, Ky. Father Jonaitis received his orders Wednesday to report April 20 at Camp Taylor for a five weeks' training course.

Rev. A. Tamoulunas will assume the priest's place in the South Side church. Father Jonaitis was in charge of this parish since he was ordained nine years ago. "I am glad to give up my home and my affairs to serve my adopted country," said Father Jonaitis, "but I hate to leave the children of my parish whom I have taught for nine years."

Father Jonaitis is beloved by packing house employes families, among whom he has done social work.

McGuire Suffered Twenty Long Years—Tanlac Overcomes Trouble

"I have actually gained eight pounds during the past three or four weeks, and I certainly wish I had words to express my thanks for the wonderful good Tanlac has done me," said John W. McGuire, in an interview at his residence, 2112 Lincoln street, Ogden Utah, recently. Mr. McGuire is a well-known railroad man, employed at the freight depot of the Southern Pacific.

"For twenty years," Mr. McGuire continued, "my stomach has been in a bad condition, and I have suffered untold misery on account of it. What little I did manage to eat would soon ferment and I was constantly belching up sour gas and undigested food. I was all the time taking something for constipation and I had the worst headaches a person could have. I hardly ever went through a week without having a spell of headache and sometimes they were so severe I would actually become unconscious for a time. I had terrible pains in my back, my liver was in bad shape and my nerves were simply shattered to pieces. I could get no sound sleep scarcely and would get up in the mornings so tired and worn out it was just a drag for me to get down to my work. In fact, I lost weight and got into such a weak, run-down condition that I just felt like giving up altogether. I kept on trying one thing and another, in hopes of getting something to help me, but I got worse all the time, and for the life of me I don't see how I managed to hold out under all the pain and suffering I had to endure so long."

"I tell you I was just playing out right along when I saw what others said Tanlac was doing for them, and got me a bottle. In just a few days I began feeling better and knew I had at last found the right medicine for my case. I finished my second bottle feeling a great change in every way, and when my third bottle was gone I had complete relief and my weight was increased eight pounds. My nerves are calm and steady now, I sleep fine and get up in the mornings thoroughly refreshed and full of energy. I eat just anything I want and feel good afterward and don't know what it is to have headaches any more. With all my suffering relieved and my strength renewed, I feel like a brand new man, and it's the first time in years I have really felt like work. Tanlac has been a Godsend to me, and I feel like I ought to make this statement for the benefit of others."

Tanlac is sold in Omaha by Sherman & McConnell Drug Company, corner 16th and Dodge streets; Owl Drug Co., 16th and Harney streets; Harvard Pharmacy, 24th and Farnam streets; Northeast corner 19th and Farnam streets, and West End Pharmacy, 49th and Dodge streets, under the personal direction of a special Tanlac representative.—Adv.

IF BACK HURTS BEGIN ON SALTS

Flush your kidneys occasionally if you eat meat regularly.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to clean the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.

A Simple Way To Remove Dandruff There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), use plenty at night when retiring; use it in gently with the finger tips. By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. —Adv.
