

SOLDIER POLICE AIM THEIR GUNS AT BOOTLEGGERS

Frequent Violations of Law
Prohibiting Sale of Liquor
to Men in Uniform Report-
ed in Omaha.

Frequent violations in Omaha of Uncle Sam's orders prohibiting the sale of liquor to soldiers, coupled with an increase in disease among the men at Fort Omaha and Fort Crook, have resulted in redoubled efforts to eliminate these two dangers. For this purpose a body of military police has been established to patrol the city and look after the welfare of the men absent from their post on pass.

A number of arrests of bootleggers and immoral women have been made by the military police. Last week eight bootleggers were held under bonds ranging from \$500 to \$1,500, and seven women have been arrested. Of these, two have been sent to the county hospital for treatment.

When released they face another trial in federal court for improper conduct and misuse of their living quarters in violation of the president's order setting aside a 5-mile district surrounding each military post where men are in training.

Captain in Charge.

Captain J. J. Kingsbury of Fort Omaha is in command of the military police and he has a sufficient force of men under his command to patrol the entire city.

"Conditions here in Omaha have not been of the best," said the captain, "and we are doing everything in our power to protect the men. The men who have been selling this so-called booze should be prosecuted for obtaining money under false pretenses after conviction on the bootlegging charge, for the stuff is rank poison. We are not planning any wholesale raids or arrests but will keep on the job."

Colonel Hersey stated that conditions here are not noticeably worse than in other cities, but that he is taking every precaution for the protection of the men. "Omaha is classed as a clean city from the military standpoint," he said, "but we have to look out. In cantonments where the men have to take a car line for a long interurban ride before reaching the city a patrol at the car line is all that is necessary to keep men from leaving the post without a pass, but here it is different. A man who goes over the fence is right in Omaha."

Omaha Police Co-operate.

"The police are co-operating with us in every way and we expect to stop this leaving the post without a pass."

Federal officers are working with the military police.

"We pass our days building up the men," said a Fort Omaha officer, "and these bootleggers and women devote their nights to tearing them down and taking their money away from them. It should be, and is going to be, stopped."

General Boucher Talks at Uni Club; Leaves for West

General Arthur Boucher, hero of Verdun, in his talk at the University club this noon, spoke of the situation in Europe and the results of the recent drive. The spirit of co-operation between the French and American soldiers was lauded.

General Boucher gave an account of the battle of Verdun, illustrated by stereopticon slides, at the Hotel Fontenelle Wednesday night, when he spoke before the members of the L'Alliance Francaise.

The general left this afternoon for Colorado Springs.

Coover Forgets Nebraska Underwent Change Last May

Although malt is no longer used in Nebraska for the manufacture of liquors, State Food Administrator Wattles has received instructions from the national food administration as to how it should be handled. Manufacturers of malt flour, yeast and vinegar may only have 60 days' supply on hand and brokerage firms may only charge 2 cents per hundred for handling it.

W. W. Peebles Promoted to Captaincy at Camp Dix, N. J.

W. W. Peebles, a former Omaha dentist, has been promoted from lieutenant to captain, according to word received by his wife, who lives at 2416 Biuey street. Captain Peebles is with the 349th field artillery, stationed at Camp Dix, N. J.

\$8,000 Damages Awarded Woman Hit by Motor Car

Mary E. Bargelt was awarded \$8,000 damages by a jury in Judge Sear's court for injuries alleged to have been suffered when a buggy in which she was riding was struck by an automobile driven by George F. Krittenbrink.

LEMONS WHITEN THE COMPLEXION

Any woman can make up this creamy beauty lotion for a few cents

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach a darkened skin and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.—Advertisement.

POLITICAL "The Allies" May Be Campaign Name of Anti-Administration Group SHRAPNEL

They're off!

The anti-administration group of candidates for the election on May 7 has adopted a platform which will be submitted to the voters within a day or so over the signatures of Ed. P. Smith, W. G. Ure, Roy N. Towl, J. Dean Ringer, Henry F. Wulf and Harry B. Zimman. This group has not selected a campaign name, but Mr. Smith jokingly suggested, "The Allies." An executive committee is being formed and a location sought for headquarters. A public meeting committee will arrange for speaking dates.

The "Allies," mentioned above, Thursday afternoon decided to make

the run with a slate containing only the six names adopted in the platform. The six men have had "their heads together" for several days trying to figure out who the seventh candidate would be, but have now agreed that none others are wanted.

Mayor Dahlman has returned from Excelsior Springs, where he rejuvenated himself for the campaign. "I don't know what the city hall situation is or will be insofar as a lineup is concerned," he said. "I will probably have something to say Friday." He would not commit himself as to whether he would make the race alone or on an administration ticket. He will invite the city commissioners into a conference to discuss the situation.

W. F. Baxter has decided to accept the chairmanship of the campaign committee of the anti-administration candidates.

"We wish to deny rumors that we are for blue laws," remarked one of the anti-administration combination of candidates. "We have no desire to

interfere with the present mode of living, particularly with reference to Sunday activities and reports to the contrary have been circulated only for the purpose of discrediting our candidacies."

"I wish to announce that I will under no circumstances be aligned with the city hall ticket," stated Commissioner Butler. Rumors have been frequent that he would be on the administration ticket. "How could I consistently be on this ticket when you consider my official record of recent years?" he asked. Whether Butler will be on the slate of the anti-administration ticket, he said he may go it alone, which seems to be probable.

Ed. P. Smith and several of his associated candidates spoke on Q street, in the packing house district at noon.

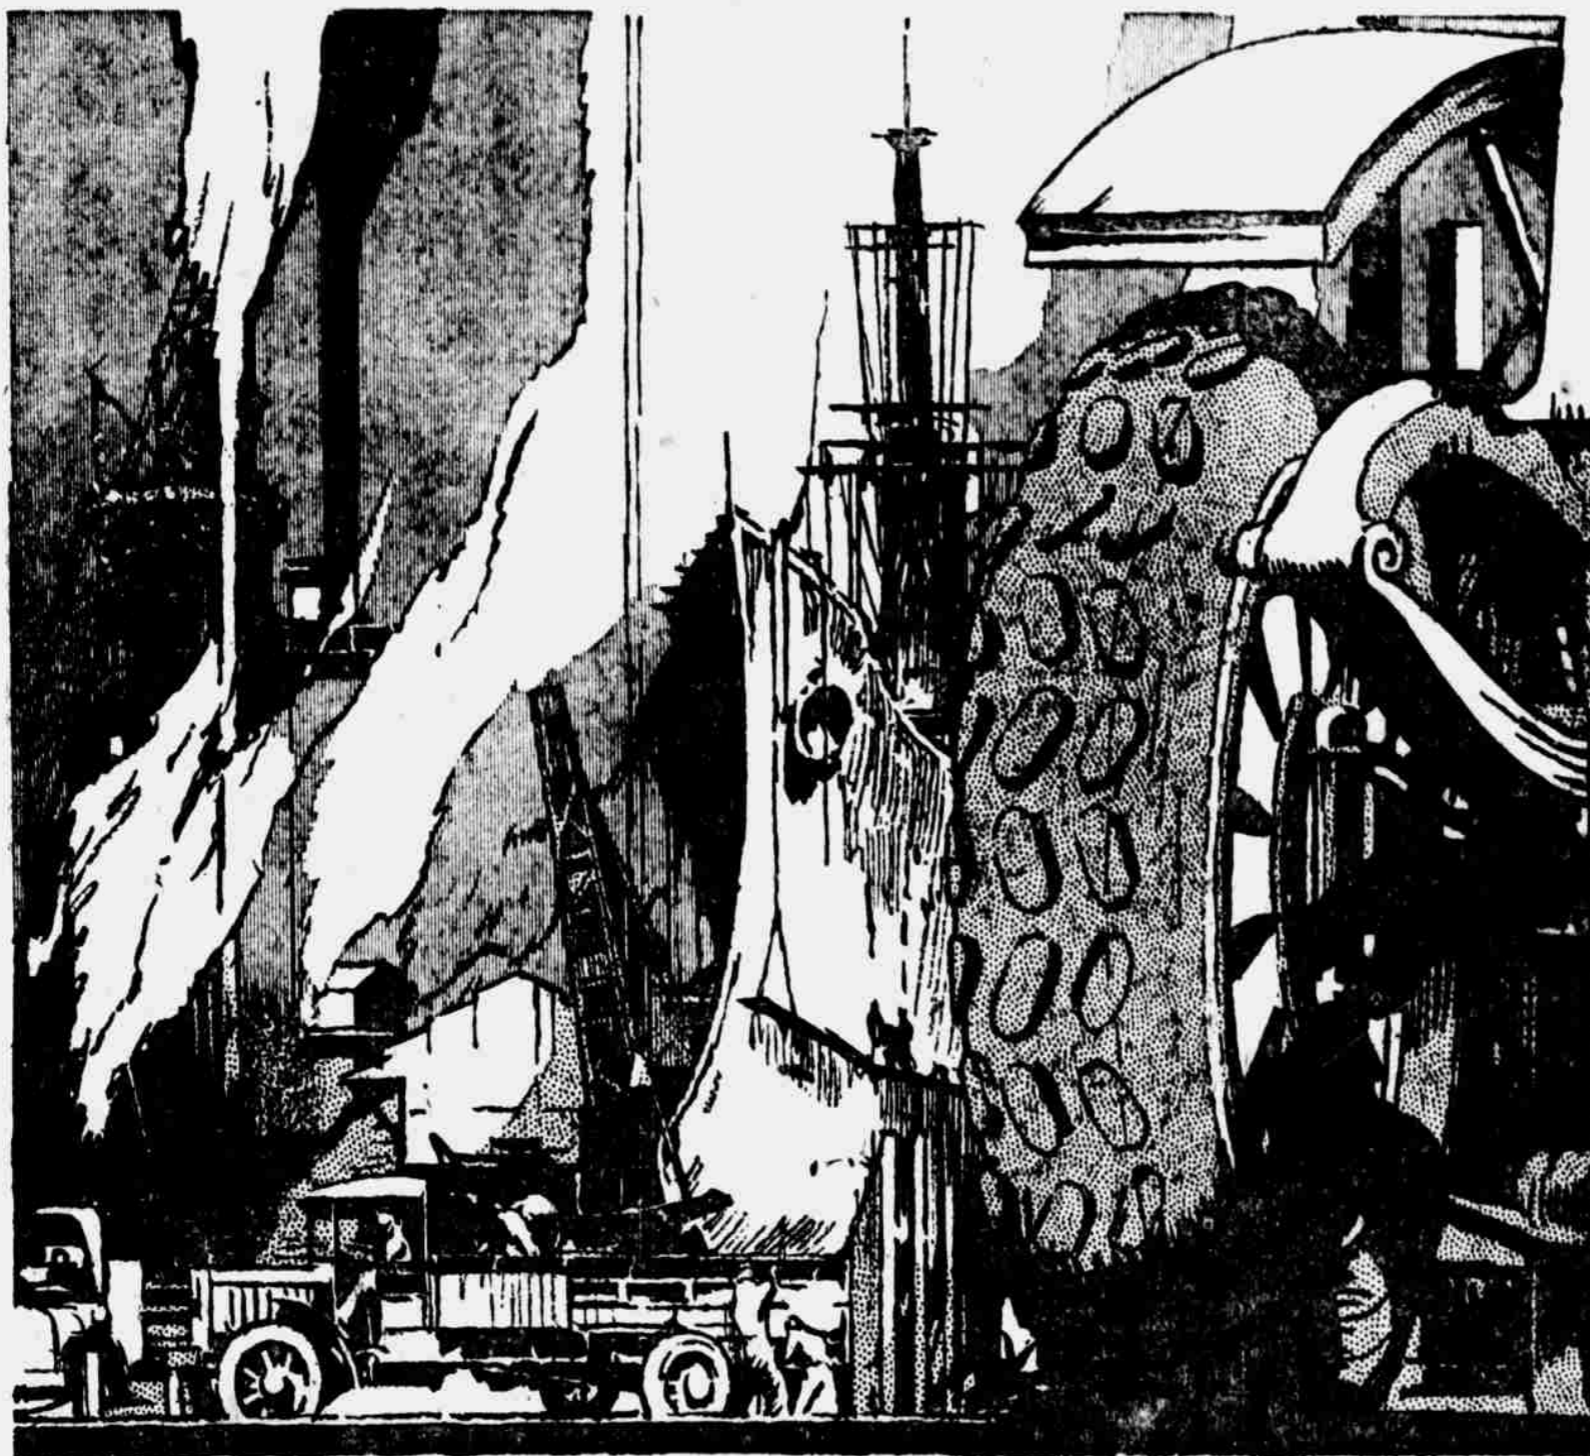

Candidates are being quizzed and examined on all sorts of matters. They have been asked to go on record as to their views on vaccination, garbage and many other subjects.

Have you registered? The election

commissioner's office is open every day for revision of the registration and the books for the election on May 7 will be closed on Saturday, April 27. Those who have changed their residences since the last election must have their registrations revised to be eligible to vote on May 7.

Motor Supply Train Man Passes Furlough in Omaha

Frank Rossiter, formerly an Omaha salesman, who enlisted in the quartermaster corps last January, arrived here Wednesday on a seven-day furlough. He was with the motor supply train that drove 80 "Trucks for Pershing" from Detroit, Mich., to the sea. The trip took nine days, and was full of interest and excitement. Rossiter said. Rossiter lived with his parents, Mr. and Mrs. L. R. Rossiter, 2306 North Twenty-second street. He will leave in a few days for Detroit, whence he will accompany his division on another overland trip "somewhere in the United States."

Liberty Bonds are the real weapons for Victory

We have made a start on the long hard road to Victory.

Our men are fighting at the front in France.

Our American industries have accomplished prodigious results in building up a war machine to furnish munitions and supplies.

But we have only begun.

We must do more and more.

This is not a war of armies but of nations in which every citizen must do his part.

Every worker in our industries is truly fighting in this war. Every man, woman and child who gives of substance

and savings is adding to the national power.

The foundation of all our vast war-making machine is the Liberty Loan.

Money is needed to build more and more ships; to furnish food and guns and powder and transport and airplanes; to raise and equip new armies.

We must oversubscribe this Third Liberty Loan and do it quickly.

We must show the courage that is in us.

We must show a cheerful willingness to make sacrifices for our boys in the trenches.

LET MY FAITH IN EATONIC TABLETS BE YOUR GUIDE

For Your Stomach's Sake
Buy the First Box
On My Advice

If Eatonic Fails to Remove
Indigestion, Dyspepsia, etc.,
I Will Refund the Price

I strongly urge every man and woman with a weak, ailing stomach to try EATONIC Tablets at once on my say-so. I state positively with all the force of which words are capable, that it is now absolutely unnecessary for any one to endure the discomforts and dangers of indigestion, dyspepsia, heartburn or sour, gassy stomach.

Stomach Miseries

By H. L. KRAMER
Originator of Eatonic

I certainly ought to know better than any man living what EATONIC will do! My say-so should mean everything in this matter. When I advise you to try EATONIC Tablets, you have all to gain—nothing to lose—by doing what I tell you, for I will make good to you if EATONIC fails to give you immediate stomach relief. Here is my personal offer: Buy a large 60c box of EATONIC from your druggist today. Use it according to directions, and if you are dissatisfied—for any or no reason—with results, just mail me the empty box, and I will personally, at once, send you the money you paid; literally, you can't lose on this offer!

If I did not positively KNOW what EATONIC Tablets would do—if I were not absolutely convinced of their power to afford swift and sure stomach relief—could I afford to stand right behind EATONIC in this personal, open way, using the public prints to state my inmost convictions as to its remarkable power? Surely not! It is only because I DO so strongly realize the beneficial effects of EATONIC that I would consent to sign my name to a public statement in behalf of EATONIC, which I earnestly believe is the positive and final solution of the "GREAT AMERICAN MISERY," Indigestion and Dyspepsia.

Yes—Stomach Trouble is the "Great American Misery!" The world calls us a nation of dyspeptics, and we cannot in fairness deny it. In some form or another—dyspepsia, indigestion, heartburn, bloating, flatulence, sour stomach, etc.—stomach trouble has millions in its vise-like grip. The man or woman, who has not suffered from gassy stomach, and the dull, heavy, painful feeling that results from hearty eating, is the rare exception.

Realizing the wide-spread prevalence of this condition, my desire for years has been directed to the discovery of a modern, scientific relief for stomach weakness, and my efforts have been fruitful, for in EATONIC Tablets, I have found the answer to every question that can be asked of a perfect anti-dyspeptic preparation.

Now I ask you to take my word for EATONIC—believe all that I say about it—have no doubts—do not hesitate to try EATONIC Tablets on my say-so. Go right now to your Druggist, get a box of EATONIC and use it as directed. If you are not more than pleased with the stomach relief, ease and comfort it brings you—send me the empty box addressed, H. L. Kramer, 1018 S. Wabash Ave., Chicago, and you will get your money back by first mail.

You will find EATONIC Tablets for sale in every drug store; also a book that I wrote called "HELP." There's a Free Copy for you. Read it! And remember that every word, every syllable in this remarkable book breathes my earnest conviction—there's a vital truth in every line—rare common sense from cover to cover.

Relief from Eczema

Don't worry about eczema or other skin troubles. You can have a clear, healthy skin by using a little zemo, obtained at any drug store for 35c, or extra large bottle at \$1.00.

Zemo generally removes pimples, blackheads, blotches, eczema, and ringworm and makes the skin clear and healthy. Zemo is a clean, penetrating, antiseptic liquid, neither sticky nor greasy and stains nothing. It is easily applied and costs a mere trifle for each application. It is always dependable.

The F. W. Rose Co., Cleveland, O.

Use Cuticura Soap To Clear Your Skin

All Druggists, Soap St. Ointment St. & Toilet St. Sample each free of "Cuticura, Dept. 3, Boston."

Washing Won't Rid Head of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.—Adv.
